In 1891 it and be thinks the annual appropriation was about 612,000,000 bushels, showing years to come, and that by that time the els, or about 20 per cent. The country \$225,000,000. Mr. Dockery, like others | year, thus making the exportable supply has to give up the conundrum when 140,000,000 bushels less than that of asked where this money is to come from | 1891. after paying the other expenses of the

A dispatch from Washington says: It is learned that the present Chinese minister to this country will be relieved two and that his place will be filled by the appointment, most probably, of Mr. Shui, formerly secretary of the legation here and now holding a place under his for the reason of the change that the based upon the harvest of the past twelve emperor of China is much displeased vears. with the course of Mr. Tsin, the present minister in his alleged transaction looking to the establishment of an international bank in China, and as a result of Information sent from that country to the Chinese officials, calling their attention to publications in the papers reciting these facts, the emperor has ordered an investigation into the matter.

The Senate, says the New York World, has voted unanimously to investigate the employment of Pinkertons at Homepersons to Homestead was either "a their overturns will be repudiated.

blunder or crime." It is evident that this blot upon our civilization is doomed, and that soon it will not be lawful anywhere within the borders of the United States to employ private citizens to keep the peace by force of arms.

Such a conclusion, already reached in several of the states, is in harmony with several of the spirit of our institutions and with our form of government. No man should be intrusted with the dnty to the people whose agent he is.

JUDGE RUMSEY, of the Supreme court New York, says the Philadelphia Times, has decided that the Democratic tion of districts made for partisan ends, although the inequalities in the New approach the inequalities of the Repubcan legislative gerrymander in Penn-

speedily carried to the general term of the Supreme court and thence to the court of appeals, and if the unconstitutionality of the apportionment shall be affirmed, an extra session of the legislature will be summoned to enact a new

That the Democratic legislative apper ionment of New York is in violation of the clear spirit and even of the plain letter of the Constitution, can't be doubted. The direction of the New York Supreme law is precisely the same as the ommand of the Pennsylvania Constitution. Both require legislative districts to be equal in population "as near as may be," and both the Democratic legislasure of New York and the Republipassed flagrantly unconstitutional appor-

We hope that the Democratic court of appeals of New York will exhibit the courage and intregity to declare the truth by affirming the decision of Judge Rumsey. It will not only end gerrymanders in New York but it will end them in Pennsylvania. With the high judicial example of honest courts in New York and in the West, no Pennsylvania court would stultify itself by giving judicial approval to such infamous partisan at Homestead, but some of the conclugerrymanders as now disgrace of state.

The annual money loss from strikes,

ays the Philadelphia Record, is greater than the average yearly losses from floods and shipwrecks. Some less expensive way should be devised of settling quarrels between those who sell their labor and those who buy it. Washington Letter. Washington, D. C. Aug. 6th, 1892. A Democratic caucus of members of the legislative apportionment of that state is House has the fillibustering on the unconstitutional. He declares it void World's Fair appropriation, but as there ecause of its inequalities in the popula- were several friends of the appropriation and as many of its opponents who re fused to be bound and left the caucus, it is by no means certain. The compro-York Democratic gerrymander don't mise proposes to strike out the amend ment to the Sundry civil appropriation bill appropriating \$5,000,000 for the fair and allowing a vote to be taken Saturday afternoon on a separate bill appropriating The decision of Judge Rumsey will be \$2,500,000. The opponents of the appropriation say they can defeat this bill, but if they do it is predicted that the Senate will insist upon its amendment to the Sundry civil bill being concurred in, and will refuse to allow adournment to take place. The whole

situation continues to be so full of "ifs" that it is folly to attempt to say in advance what will be the final result. Southern Democrats regard the result of the Alabama state election as the death of the People's party movement in the South, so far as its controlling any elecoral votes is concerned, and they think t will also aid in keeping a number of ongressional districts Democratic that might have elected People's party men if that party had carried Alabama.

At this week's exbinet meeting the question of when action should be taken nder the recently enacted law, authorizing the president to retaliate upon can legislature of Pennsylvania have Canadian vessels, was discussed, but as only the two Fosters and Attorney-General Miller were present no definite con-clusion was arrived .

All sorts of sensational stories have been current about the disagreement of the sub-committee which went to Homestead to investigate the strike in the Carnegie mills on the report written by Chairman Oates There is nothing sensational about the facts. Chairman Oates prepared the report in the usua manner, and when it was read to the sub-committee every member agreed that it was a fair and impartial statement of what the committee had learned sions arrived at concerning organized labor were unsatisfactory to two Democrats and one Republican, making a majority of the sub-committee, so the report was rejected by the sub-committee and referred to the full judiciary committee for final action. If the full committee sustains the action of the subcommittee Mr. Oates says his report will be submitted to the House as a minority report, and a new majority report will be

Tom Watson, of Georgia, made miserable failure to prove his charge of drunkenness against members of the him to have been intoxicated when he positive statements of a score of promifluence of liquor when he made the speech referred to. Watson refused to name any other member to the investiclination to feed Watson's craving for notoriety will prevent the committee taking any action that would result in age between Representative Boatner, of Louisiana, and Mr. Watson might result in a personal encounter between
