Miscellaneous Notices.

About half past two o'clock on Tuesday afternoon, Ashville, on the line of the Cresson & Coalport railroad was visited by a conflagration that wiped out a large portion of the town, leaving but one build-The schools of Cambria county have ing standing on the Northwest side of the

Ashville's Disastrous Fire.

The fire originated in a stable in the rear of the Ashville House, and is said to have been started by some boys who were playing in the building. Owing to the combustible nature of the contents of the building, considerable amount of hay and straw having been stored therein, the flames soon enveloped the building and flames soon enveloped the building and burst forth on all sides.

The town has no facilities for lighting fire, and when the flames got started it looked as if the town was doomed. Peo-ple with buckets got to work and fought ple with buckets got to work and fought the flames as well as they could, but the tien to t lestructive element gained headway in spite of their efforts and one building after nother crumbled into ashes before the deastating element. Had some one, at once, when the fire

tarted telegraphed to Altoona, for assistance much valuable time and property would have been saved, but no telegram was sent until the station and telegraph

office was burned and then a dispatch was ent to Amsbry and from there to Altoona. The following is a list of the owners of property burned, with the amount of their loss and the amount of insurance as near as could be ascertained. D. G. Myers, Ashville House \$ 8,000 \$3,500
