Collision near Kittanning Point.

A rear-end collision by which one man was killed, another painfully bruised, and four locomotives and twenty-nine cars were wrecked occurred on the Pennsylvania railroad a short distance west of Kittanning Point, on the eastern slope of the Alleghany mountains, at an early hour on Sunday morning. Although the wreck The company has undertaken the enlargewas a large one the delay to passenger travel was not great. There was, however, a general suspension of freight for several hours. Three freight trains, two empty engines, and a broken freight train

vere mixed up in the accident. A broken freight train was standing at that point, and had sent back a flagman. The first train, two empty engines, and another freight were stopped, but the third freight did not receive the signal in time to stop and it went crashing into the two Tnesday, against the Schuylkill county | freights and empty engines ahead, causing commissioners for juror's fees, amounting a terrific shock.
