N. B .- It may be of interest to you to say we are still deep in the grocery business. It will surprise you to see the way we are selling goods in this department of our mammoth store. Some merchants say "I wonder where they can get goods to sell at those figures, as we can't buy them wholesale at the prices they are retailing for." Here is the the secret: We know where the goods grow-that is why we sell so low. And when you come to town,
