These excursions have tember 12, 1892, over the estate of her husproven exceedingly popular, both on acband, by the Probate Court of Cambria county, which recited that from the evifence presented to said court, it was satisfied that the said soldier was dead,

fudicially. The authorities of the pension bureau then placed the case in the hands of one of its special examiners for investigation into its merits; and although the special examiner was unable to obtain any proof showing or even tending to show that the soldier was still alive, the claim was rejected on December 7, 1893, on the ground that the applicant was unable, "although aided by a special examination of the case, to produce proof showing, as a matter of fact, the death of the soldier." From this Train action her attorney entered an appeal to the Secretary of the Interior. On January 25, 1894, the case came up for consideration before Hon, John M. Reynolds, Assistant Secretary of the Interior, who, after re-

viewing all the facts in the case, reached "I am of the opinion that where there are
