FRIDAY, - - - APRIL 27, 1894.

THE great strike among the coal min ers of the country began at noon on Saturday according to schedule. About 150,000 men are out and the miners of Cambria county are with the rest.

HON, ECKLEY B. COXE, who has been spoken of as a probable Democratic candidate for governor, says he is not a candidate. "You can say for me," said he, "that I am not, directly, nor indirectly, a candidate for governor nor for anything else."

THE supreme court has decided th owner of a dog is responsible for all the damage caused by the animal. If h bites anyone, if he barks at a horse and causes a runaway, or in any way damages the property of another, damages can be recovered from the owner.

The ceding to Delaware of a tract of 350 acres in the southeastern corner of Pennsylvania by the commission on the part of this state to establish the boundary line at the New Castle circle, placed in Delaware certain persons who formerly lived in Chester county, Pennsylvania and vice versa.

THE mine situation at Birmingham. Ala., threatens to become serious as it is said the operators will attempt to put negro labor in the Blue Creek mines and race trouble is anticipated to the extent that the militia have been given orders to provide 40,000 rounds of ammunition, and be ready to move at any

McKinley and Reed had better look well to their laurels. From the many enconiums now being poured out to Dayid B. Hill, by the Republican press, he may come in as a suitable candidate for the Republican nomination for the pre: idency in 1896. They are tumbling over each other in trying to make love

ORDER No. 1 has been issued from the navea hard time of it. head quarters of the United Mine Work ers of America at Columbus. O., to the strikers as follows: "As ordered by the they live poorly and the companies do national convention coal must not be not take proper care of them. But no loaded at any price, or for any purpose, but where companies want engines run, leaders they have are the professional water handled, timbering or other kind suckers who live upon them, and whose provided wages paid are according to the the workman is by strikes and enforced scale demanded by the convention."

NICARAGUA is blessed with two Presidents, General Ortiz having established could readily find a way of bettering the navy department did not find out ting short the output at least 25,000 as Chief Executive at Leon, while Presi their condition through industry and all of the "snide" business connected dent Zelaya is still doing business at the thrift. They ought to be better paid, old stand in Managua. All this is an they ought to have a great many things intimation that an election for a new president is imminent in the little Re- have gained one thing by a strike. On ready and even anxious to get hold of public after the usual Central American fashion. It behooves us, therefore, to them worse off than before, deeper in be prepared to exact our rights during debt and more hopeless. They need the impending period of turbulence and lawlessness in Nicaragua.

The supreme court of South Carolina has declared the dispensary liquor law cerns the wages for mining coal, as beunconstitutional. The court holds that tween 35 cents and 40 cents a ton. And the state has the right to absolutely pro- the duty on imported coal levied "for hibit the sale of intoxicating liquor but the protection of labor," is 75 cents a denies its right in the exercise of the ton! Could anything more plainly show police power to assume the conduct and | what a fraud this tariff theory is? control of the traffic in any manner. It holds that the sale of liquors not being intrinsically unlawful, the state has no right to treat it in a different manner from any other lawful business.

A DISPATCH from Connellsville on Wednesday evening says: The entire coke region, with the exception of a few works, is tied up in a general strike for the two Houses. the first time since 1891. Most of the men who remained at work on Tuesday laid down their picks causing a complete cessation of all work in in that sec- | raised by the attacks on the bill by those

The Cambria Iron Company's men at ably of Democratic principles, has shown Mahoning and Atlas refused to go to plainly the temper of the party. They work. The coke drawers agreed to draw the coke to prevent it from burning up.

GOVERNOR MCKINLEY, upon being asked what he proposed to do in the matter of the lynching of a negro at Rushsylvania, Ohio, the second lynching in that state within the last six months, replied: "What can be done? The law, you know, lodges no power in such cases in the hands of the Governor. I can only do what any one may douse my influence with those whose duty it is to investigate such cases and to en- of politics will sweep the country again force the law." This is perfectly true, as it did in 1892. The duty of the hour, Why wouldn't it have been equally true | however, is to compel the senate and if Ohio has happened to be a Southern | House to see the truth and redeem the Commonwealth:

A CONTEMPORARY grasps the question rightly in this way: If the Wilson tariff bill be wrong in some of its provisions or percentages the errors will prove themselves and can be corrected. But the Democrat who assumes to throw overboard the whole body of tariff reform because he finds a blemish or a kink in it that he does not precisely like, by the same act steps outside of the pale of his party and goes over to the Protectionists. A tariff bill cannot be arranged to suit every locality, and in the adjustment of schedules there must be a subordination of private opinion to the general inter-

A DISPATCH from Terre Haute, Ind. on Wednesday says: This was an ex citing day for Frye's army of industrials. Last night its 300 members captured a William Goldberg at Sharon, Pa., on Vandalia freight train with the intention | Wednesday, and he was placed under night on the track and using the com- Goldstein went forward to the altar where pany's ties for firewood. It is not necessary that a tude of patronizing superiority based leader shall have more ability than any of his followers. All that is needed is much more upon self-conceit than on that one man shall be recognized as accurate knowledge. Wnatever may leader. The full significance of this have been the case in bygone times, the will be plain to any Democrat who will working people in this country, in Great take the trouble to ask half a dozen Democratic senators to name the Demo-Britain, in France and in Germany have, cratic leader of the senate, and note the for the last few years, proved themselves number named. Now there may be a quite as well aware of their power and dozen leading Democratic senators, but onite as showd in making use of it to there should be and can be only one their own advantage as those who lived real leader at a time. If the Democratby their tongues and their pens. It is the party would be spared the spectacle not for nothing that education has been of the uncertainty now surrounding the diffused among them by common schools tariff bill. Of course every Democrat and by reading of books and periodicals. knows that the senate is going to pass a tariff bill, but there is no man who can They have learned the great principle now say just what sort of a bill it will be which our forefathers a century ago apwhen it is passed. This situation, with plied so successfully to political matters, a clear Democratic majority in the sen that in union is strength, and they have ate, is humiliating to every Democrat acted upon it in keeping up the price of and should not be possible and would not be if the Democratic senators were their labor. Little by little the trades organized as good party men should be. unions have spread and increased, until The attempt to saddle a part of the reonly the least skilled workers remain affairs upon President Cleveland fools no outside of their lines. Many of them, one who is conversant with the attitude indeed, have still to learn that violence is not necessary to enable them to win His skirts are clear. in their disputes if they are right, and in any case injures their cause, but they

Senator Smith, of New Jersey, added is voice to that of Senator Hill in attacking the income tax and other parts of the tariff bill, in a set speech delivered in the senate this week. After stating his reasons for opposing the income tax and other schedules of the bill, Mr. Smith said: "But in justice to my party, my state and myself, I cannot leave any room for misapprehension. The Democratic party is under a distinct obligation to confer the boon of tariff reform upon the American people. We cannot hope to overcome the present dissentions and fulfill this obligation unless we heat down all attempts to create ous coal fields. Between the operators discord within the ranks and strive earnestly for party harmony." Mr. Smith who, to undercut one another, cut has doubtless heard the story of the elevdown the wages of labor, and the walken obstinate jurors. His plea for party ing delegates, who deprive them of their harmony recalled it to many of his wages altogether, these unfortunates

Owing to a press of other business the senate failed to vote on the Chinese treaty this week, and senator Gorman, who as chairman of the committee on Foreign Relations has charge of it, having sometime ago made arrangements plete suspension of work prevails. In which necessitated his paying a visit to the Clearfield region in which 3,000 men one really tries to kelp them. The only Alabama about this time, asked that its find employment, work was continued further consideration be postponed until | until Saturday noon. Strike by Thousands, Columbus. O., April 22.-Reports reeived at the headquarters of the miners' union are to the effect that in the block coal fields of Indiana, where the men have a contract, they will work two ! days a week until May 1, when they will join in the suspension. Maryland, where nothing was expected, has joined the strike. On the new and Kanawha rivers there is every indication of a gen eral suspension. The operators of this region are in sympathy with the suspension and hope the miners will win The operators here desire to pay the scale proposed by the men, but are prevented by certain operators in the Pitts burg district, who have been paying lower wages. The strike extends to Illinois and Iowa on the west. All the mines in Jackson county, O., have shut down, and 4,000 men have joined the strike. The miners have worked so lit tle in the last year that many of them have no sur plus and must suffer if the years. sponsibility for this unfortunate state of strike continues for any length of time. A small number want to break away from the United Mine Workers' union the President occupies towards the sen | and organize a local union for the coun- taining 800. try. The majority will not listen to this, however. The operators have a large amount of coal on hand and think that Brooklyn, turned his pistolon himself with the strike will be broken before they fatairesults need more

WESTERN PENNSYLVANIA.

PHILIPSBURG, Pa., April 22.-As one man, the miners and mine laborers of the eighth bituminous coal district have answered the call of the national organization to suspend work until the operators have advanced wages 20 per sent. The United Press correspondent made a trip from this place to Mahaffey and found every mine on the Beech Creek | Philadelphia wife, Charles Brown, aged railroad shut down, and upwards of 66, hanged himself in the yard of his 3,000 miners and mine laborers idle. Brooklyn residence. At several of the largest mines the men quit work without giving a moment's warning to their bosses, and leaving the operators without a pound of supply bottles containing chlorine gas. coal on hand to run the pumping ma-From Mahaffey along the chinery. lines of the Pennsylvania & Northwestern, the Cresson & Clearfield, and the Cambria & Clearfield railroads, which run through the Patton, Hastings and Glen Campbell coal fields, a comcontrolling operating firm has sent such a supply of coal east during the past ten days that no shortage is expected for two or three weeks. Fifteen mines closed Miller, for taking illegal fees, and on Satthe production of evidence showing that down because of a scarcity of cars cut-

Operators do not anticipate a long and his sister, Mrs. Edward Freeman, strike unless the Virginia and Maryland miners suspend work, in which event it a well is admitted by some operators that the strike may succeed in restoring the recent reductions. A delegation of Clearfield miners has been sent to West Virginia to induce the miners there to enter the slrike, and if they succeed in their mission it is admitted the situation will be serious.

PITTSBURG DISTRICT. PITTSBURG, April 22.-Of the 17,000 | iners employed in the river and railvay coal pits of the Pittsburg district, at least 15,000 quit work in compliance with the general strike order, and by Egyptian figures found on obelisks mount-Monday it is confidently expected that ed on two wheeled vehicles show they had work throughout the entire district will some idea of the velocipede. be at a standstill, Reports received from all sections of the district indicate that the new rule will be put in force that the strike is the largest in the hisoften. Its existence will be all that is tory of this, the largest bituminous coal district in the country. With one or two exceptions, the 78 mines along the Monongahela valley are idle and 6,000 men who have been employed in them

TIOGA DISTRICT. Wellsboro, Pa., April 22 .- All the coal miners in this (Tioga) county struck in obedience to the order of the United about 2,000 miners and laborers now idle at the Arnot, Fall Brook, Morris Run and Antrim collieries. They all married men who live at Wilmerding will live in the companies' houses under be kept at work. About 1,000 men will be eases which require them to vacate in ten days after notice. The companies will undoubtedly evict the families very soon, and serious trouble is anticipated. The companies have anticipated the great strike by mining and stocking all the coal possible during the past month The miners, however, have been on short storm, and perished from the cold. The time for two years, and are in poor condition to stand a long lockont.

20,000 OUT IN ILLINOIS. Springfield, Ill., April 21.—Over 20,-000 coal miners of this state joined in the general strike. In the northern fields the order was generally obeyed, nearly 17,000 men being out already, and several thousand more expected to take similar action soon.

#### Female Brigands in West Virginia.

HUNTINGDON, W. Va. April 24.—One f the roughest regions in this section of West Virginia is on the ridge between I'welve Pole and Tom's Creek, in Wayne county, about twenty miles south of this city. Recently a number of men passing over it at night on horseback have been held up by, it was supposed, a ouple of men. When William Balangee was stopped and relieved of \$100 on his way home by the two people he kept a sharp lookout and found that the highwaymen were women in disguise, and says they were Misses Ella and Tina Gore, daughters of a respectable farmer. He reported the matter to their people, and the mysterious gang on Toms' Creek ridge has been cleared

#### His Head Knocked Off.
