Michael's church at Loretto, has made a vania Limited. Special train of parlor There are a few miners who refuse to work the proper authorities of the law. They are known to the operators as agitators and law-breakers.

Explosive gas is considered the greatest danger that the coal miner has to contend with, but this element of danger has more state a million of dollars. The reason for this is the self-interest of the operator. When an explosion occurs it destroys the mine and costs thousands of dollars to restore it to working condition.

In the mines that contain no explosive gas the operator is exempt from danger from this source. The only sufferers are Mrs. Maggie McMullen, Mrs. Mattie the miners and they dare not mention it or Corbin, Mrs. Liza Delfenbaugh and Mrs. | the certifiated mine boss, who is supposed D.
