Miners May Strike.

Mr. T. A. Bradley, of Lilly, president of district No. 2, of the United Mine-workers He said the operators had flatly refused o grant the five-cent increase recently d he was not prepared to say what the out be called for the latter part of the month, Mr. Bradley said, when the matter will be ettled definitely, as at this convention it could be the proper thing.

"All the operators are not opposed to the crease," the district president continued. We have some of the best operators to be White people are the largest operators, and they virtually set the prices paid min-

Was It One of Ours?

The Harrisburg correspondent of the Philadelphia Record says: "The members of the house are having a big laugh Representative Fow wrote a note in imitation of a woman's writing, asking the country member to meet her at the State steps. A messenger boy delivered the to touch the dainty thing, but finally putting his glasses on he read it, gave a start and read it again. Glancing burriedly about him to see if he was observed, he louse. At the rotunda he bought three rosy-cheeked apples, and, considering himself fully equipped to satisfy any girl he started out to meet the supposed charmer. He never "tumbled" until after he had looked in vain for the girl and was greeted by a cheer from the fun-loving members. He is now offering \$500 to have the news kept from the people of his coun-

Vintondale. The advertisement at the top of this page throws open to people the opportunity that many have been waiting for. Vinheart of one of the best coal fields in the Commonwealth, with pure water for drinking and plenty of it for manufacturing, at the terminus of the railroad and the certainty that other branches must stretch out into the undeveloped coal territory that lies in every direction from her centre, Vintondale has a career before her that can scarcely know a limit to her expansion in the future. If you are looking for a place for investment that is certain to grow in value, take a look at Vintonacres of ground in Reade township, having | dale, and take it early, for it is a town that is bound to be a grower.

Cambria County's Best Man valting room Wednesday morning. He had not been seated long until he began to force an acquaintance with a man in the latter paid no attention, and finally the stalwart from Cambria walked over and knocked the paper out of his hands. About this time the portly form of Depot Policeman Hamilin hove in sight. The offeer caught "the best man in Cambria county" and took him out to introduce him o police patrol box No. 44. After he was seated in the patrol wagon he cried out to Officer Hamlin; "You don't know who I am. I'm the best man in Cambria coun ty."-Altoma Gazette.

Coal Lands Exempt.

A Scranton dispatch says: News of a decision rendered by the United States internal revenue commissioner, the effects of which is to exempt the profits realized by owners of the land from which coal is mined, from taxation under the income by the ist of April, I would advise you to buy immediately what nails and wire you want for the coming season, thereby saving money by not paying the advance prices later on. A word to the wise is sufficient. GEO. HUNTLEY. tax law, was received here to-day. The decision is based on the application of the principle that all rents, profits and incomes derived from land and its immediate products acquired directly by the owner of the free hold or dominant estate are exempt from taxation as income of said owner.
