Teeth . . .

Do you know that you should take better care of your Teeth than you do? You ask why. There are several reasons and important ones, too. The most important reason is that upon your Teeth, or the use of them, depends your general health. Doesn't it stand to reason that if you can chew your food properly that when i passes into the stomach it is bound to re-tard and injure the digestive organs. Any nedical man will tell you this. will say that you take good care of you Do you? Let us see. You clean Teeth. your Teeth probably at least once of twice a week, or you may clean or brush them once a day. This once a day is all right if it happens to be at night-just before reiring-otherwise it is not Have your Teeth cleaned by a dentist all the tartar removed.
