#### DEMOCRATIC STATE CONVENTION.

In accordance with the resolution passed at a meeting of the Democratic Executive Committee on July 2nd, 1806, I hereby give notice that the Democrats of Pennsylvania by their duly elected representatives wi meet in State Convention in Williamspor on Wednesday, September 11, 1895, at 10 o'clock, a. st., for the placing in nomina-tion candidates for the office of State Treasurer and Judges of the Superio Court, and for the transaction of such bus ness as may be presented. In accordance with rule 6, section

vention September in 1800, representative shall consist of representative delegates one for each one thousand votes cast a the last preceeding presidential election for a fraction of such vote amounting five bundled or more, in the respective districts, provided that each representative district shall have at least one delegate.

K. E. Wrieht, Chairman.

MATT SAVAGE, Secretary.

As Alabama firm secured a contract for water pipes for Tokio, against bidders in England, Germany and Belgium. What has become of the European paul er labor law now? This kind of thing was never done under the McKinley law, let it be remembered.

ic times over seven hundred firms, cor- first meeting of the year. porations and employers have advanced wages or added more men to their pay roll, or both, thereby benefiting not less | burg Post, that the Hastings judicial than a million of men! Who would slate may be broken should Senator want the McKinley law again?

THE Baldwin-Westinghouse combination is the industrial event of the Nineteenth Century. The world has not yet fully comprehended the vast possibilithing, and worthy to be pushed along -as it will be at a great rate by the east mighty industrial army.

THE vali of Constantinople has telegraphed to the porte that, according to advices received by him, a strong Bulgarian band attacked Janakli, a town in the Kirdjali district inhabited by Mussulmans. The Bulgarians burned about 300 houses and killed a large number of the villagers. The vali of Salonica confirms the report and says that it occurred on August 9. He says that the band numbered 1,000 men and that 290 houses were destroyed by fire. He places the number of the killed at twenty-five.

EX-SENATOR CONGER, of Michigan, who fifteen years ago was one of the leaders of the Republican party, is now 74 years old. One of the greatest speeches which he ever delivered was

Five of the Rhode Island woolen mills in which there had been a struggle over the wages question began the payment of a higher scale last week, representing an advance of about 71 per cent. To this extent the weavers have won in the controversy, although the advance was given voluntarily by the manufacturers. Apparently the woolen industry of Rhode Island is adjusting itself to the new conditions, and in such a manner that there is more pay instead of less for the employes. Free wool and lower du-

REPRESENTATIVE TURNER, of Georgia, says the prospects in his state for corn and cotton were seldom if ever better. and the desire for free coinage is dying out. Eighty-nine newspapers in Georgia oppose the free and unlimited coinage of silver, and fifty-five support it, according to an estimate of the Atlanta Journal. An equally decisive majority against free silver is to be found among the country papers of Alabama; and the Topeka Capital has indicated an even larger newspaper majority against free silver in Kansas. In spite of this encouraging news, however, the fight must

DISASTERS to the wool market predicted by Republican protectionists when ive at present and it promises to con-

tinne so for some time. there is no reaction in the upward movement in the price of wool," gays the American Wool and Cotton Reporter. "In the past week-second week of July

vance of 1 cent per pound has been established, and it is safe to say that during the past fortnight there has been an average rise of 2 cents."

This report comes from a "protection" journal. Continuing, the paper says in the same article, a doubleheaded editorial: "Our semiannual record of new mill construction for the first half of 1895, to which we devote considerable space in this issue, makes a significant and gratifying showing. It furnishes convincing evidence that the clouds of depression have been giving way and that a period of prosperity is developing in textile lines.'

The record referred to shows that 38 new woolen mills have been established or projected and started in the United States this year as compared with 17 in the corresponding period of the last year of McKinleyism-an increase of 100 per

Free wool seems to be a good thing for the woolen trade, for consumers and for the country generally.

A Special to the Philadelphia Evening Telegraph from Washington says:

Hon. Chauncey F. Black, of York, president of the National League of Democrat clubs, who is here to confer with Senator Faulkner and Lawrence Gardner concerning the campaign work of the organization, expressed the opinion to-day that the Democrats would be successful in Pennsylvania in the election of judges to the new superior court.

"We intend" asid Mr. Black, "to nominate candidates for the new judgeships and I am confident that we will elect them. The fight that the Republicans have got themselves into has so split them up and caused so many antagonisms, that I believe we are warranted in the confidence we feel.'

Mr. Black said that the National League of Democratic clubs would get to brick houses to ginger cakes that most the train. This cannot be substantiated Bucks county almshouse and three cases work at once and he believed that it would be of effective service in all states where elections are to occur this fall. are of the good, old Thomas Jefferson, The gentlemen attending the conf-rence | Andrew Jackson sort of Democracy. He licly, but this conference is one of considerable importance to the administration and the policy it represents as a question of finance and tariff. The convention of the Pennsylvania Clubs UNDER the Wilson law and Democrate at Lancaster September 5 will be the

THERE is a probability, says the Pitts-Quay have control of the state conventhis in the way Hastings selected his judges, in two instances taking two judges from adjoining counties. This nominate. The governor's distribution of his favors left the northwestern part and west flanks of Pennsylvania's of the state and the southern tier couning is growing in favor of dropping Orlady, of Huntingdon, and Willard, of Lackawanna, and nominating Judge Davenport, of Erie, and Judge John Stewart, of Franklin. The Washington county bar has indorsed Boyd Crumrine for a nomination, but his locality suggests poaching on Senator Quay's preserves, Judge Wickham, of Beaver, being the only judge allotted Quay in the distribution. If any of Hasting's judges are dropped, the combine will probably go for Judge Wickham, using Mr. Crumrine or Judge Davenport, of Erie, to defeat him. So the probabilities are of more bargaining on judicial nominations for which Governor Hastings set

He was in Washington just before starting "Reports received from the leading and said: "The ticket is first class in markets of the country indicate that every respect and the Democratic party is to be congratulated. The trifling ob jections that are being raised against it are no more than were to be expected The truth is there is less objection than I expected, and much less than has -in numerous instances a further ad- often risen before when tickets were named, and the party majority has been appointments in politics, but the party | business. in the end will get together and win, as usual. I have no fear whatever of the result in November. Long before that time all real Democrats will be united for the common cause

Comptroller Bowler has heard the arguments in favor of the constitutionality of the sugar bounty, and against from other sources it will not be surprising should he, because of his doubt of money appropriated to pay sugar bounlaw to be unconstitutional.

How many of the newspapers which excitement at Springfield is over. make a practice of misrepresenting the the acts and and intentions of the ad ministration, both at home and abroad. will make public the fact the United States minister to China was the first representative of a foreign government to demand of China, at the time of the recent destruction of missionary property and massacre of missionaries, not only reparation for damage done and the punishment of those who did it, but the fullest protection for Americans temporarily residing in China? This demand was made in June and its effect may be indged from the recent massacre of English missionaries, which has started the British lion to roaring at the Chinese dragon at an awful rate. In that massacre not an American was killed or injured, although they had a mission station nearby that of the English who were killed. Talk is cheap, but when it comes to acts this administration is not and American industries abroad. The your vicinity can be judged by the way of them will ignore it entirely.

Secretary Morton has more than once but it seems to be true. shown that his ideas on public affairs do not care to discuss their plans pub. has just given another instance of it. man in regard to a proposition to pay a government bounty on agricultural produets. "If it will pay to raise and exbounty needed. And if it will not pay to raise and export agricultural products no bounty should be given." This did not please the editor of the New York periodical for whom the interview was secured. He fixed up an answer to the secretary's words and this week Mr. Morton received a proof of it. In reply Secretary Morton has written him short letter, from which the following tion. There is a good opportunity for paragraph, which is a nutshell statement of the whole bounty question, is taken Be kind enough to explain to your eaders how the bounty is to be raised to pay the producer of agricultural procomprises four of the six judges the Reducts for his exports, except by taxation ties of electricity; but it is a very good publican convention will be called on to upon the people. Has the government of the United States a single dollar that s not taken from the pockets of its citizens by taxation? The bounty system is merely a modern application of "rob ties without representation. The feel- bing Peter to pay Paul's and there is no doubt of its being class legislation of the most vicious kind, although it is difficult to convince those temporarily benetitted that it is.

#### Baltimore is Storm Swept.

Baltimore, Md., Aug. 11.-A wind storm of cyclonic proportions, accompanied by a heavy downpour of rain and hail, visited this city to-day. Houses were unroofed, trees uprooted, windows smashed, telegraph, telephone and trolley wires broken and other damage was done. The most serious damage was the demolition of St. Elizabeth's Catho lic church, in course of erection. All parts of the city suffered. The storm came from the northwest and continued at intervals for three hours. No fatalities have been reported.

Just before the rain began the mercury made a record-breaking drop of highest temperature during the day was reached just before the storm broke,
