

DAMAGING TESTIMONY.

Durrant's Evidence Shown to Be Unreliable. HIS ENTIRE DEFENSE WENT AWAY.

A Witness Testifies to a Sensational Interview With the Accused While in Jail. Asked to Compare Notes, But Had None of His Own.

SAN FRANCISCO, Oct. 23.—At the opening of court the defense in the trial of Theodore Durrant announced that it had finished its case, and the taking of testimony in rebuttal was at once begun by the prosecution.

The testimony was the most important given during the trial, as it conflicted with several vital statements made by Durrant while he was on the stand. The testimony of Dr. Gilbert E. Graham, for instance, is considered by many to sweep away Durrant's entire defense.

Graham, who is a medical student and an intimate friend of Durrant, told of a sensational interview that took place between himself and the prisoner at the county jail on April 23. Dr. Graham was accompanied to the prison by J. S. Dunningan, a newspaper man, who was asked by Durrant to retire after he had been there a few minutes. Graham said that after Dunningan stepped aside Durrant asked him if he would let him see his notes of Dr. Casney's lecture in the afternoon. Durrant compared them with his own. Graham demurred at first, after which he said Durrant stated that he had no notes of the lecture. He said Durrant told him if he had the notes of the lecture he would establish a strong alibi for himself, and urged him to leave the notes with Mrs. Durrant in order that she might bring them to him at the prison. Graham said he refused the request and never afterward visited Durrant at the prison.

Dr. Graham's story was not about in any particular cross-examination. While he was testifying the jurors watched Durrant closely, but he gave no sign to indicate that he considered the testimony of an importance. The first witness called in rebuttal by the prosecution were the five trustees of Emanuel church. While Durrant was on the stand he testified that he was asked to repair the steeple at Emanuel church on April 1 by the trustees. The trustees denied that they had asked Durrant to make repairs of any kind at the church during March or April.

Witnesses were next called to disprove Durrant's statement that on the afternoon of April 12 he was at the ferry for the purpose of searching for Blanche Lamont, who, he said, a mysterious stranger had told him would cross the bay that afternoon. C. W. Dodge, a medical student, said he saw Durrant at the ferry and the prisoner told him he was waiting for a number of members of the signal corps who were expected from Oakland. C. A. Dukas, a medical student who accompanied Dodge, corroborated his testimony.

A. A. Hobe, an old schoolmate of Durrant, testified that he saw Durrant at the ferry the same afternoon in company with a young woman who answered the description of Blanche Williams. It is known that Mrs. Williams was over from her home in Alameda that afternoon, and the next day her body was found in Emanuel church. It is the theory of the prosecution that instead of being at the ferry to look for Blanche Lamont, Durrant was there for the purpose of meeting Blanche Williams and luring her to her death.

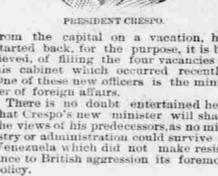

E. A. Glazer, a student at the medical college, testified that on the afternoon of April 19 Durrant asked him to read aloud his notes of Dr. Casney's lecture. Glazer said he read his notes to Durrant, who devoted three-quarters of an hour to writing in his notebook. The defense tried to show that it was customary for students to compare notes, but Glazer said that Durrant read nothing that purported to be his own notes.

Charles Morrison and J. H. Cooper, newspaper reporters, told of an interview they had with Durrant in the city prison on the night of his arrest. Both witnesses testified that Durrant said he arrived at the church on April 3 between 4 and 4:30 in the afternoon. This testimony conflicts with the statement Durrant now makes, of leaving the church at 5 o'clock. Morrison and Cooper, who were present at the interview between Reporter Marshall and Detective Gibson, also testified that it was untrue, as alleged by Marshall, that Durrant saw the print of a No. 8 shoe in the belfry near where Blanche Lamont's body was found. From the present outlook the case will go to the jury not later than the close of next week, after being on trial since July 22. The defense has already introduced a number of rebuttal testimonies which will be introduced at once, and the defense has no more witnesses, the arguments will begin on Thursday.

CREATING LIVELY INTEREST.

President Crespo to Fill Vacancies in His Cabinet.

WASHINGTON, Oct. 23.—Great Britain's racial steps on the Venezuelan question continue to excite the liveliest interest in official and diplomatic circles. The demand has not yet reached Caracas, as is evident from the fact Minister Andrade has not yet heard from his government on the subject. President Crespo, who has been absent

from the capital on a vacation, has started back for that purpose, it is believed, of filling the four vacancies in his cabinet which occurred recently. One of these new officers is the minister of foreign affairs.

There is no doubt entertained here that Crespo's new minister will share the views of his predecessors, as no ministry or administration could survive in Venezuela which did not make resistance to British aggression its foremost policy.

W. C. T. U. OFFICERS ELECTED. Miss Willard Re-Elected President of the Organization.

BALTIMORE, Oct. 23.—Miss Frances Willard was again elected president of the W. C. T. U. at the annual election, with practically no opposition, although complimentary votes were cast for several other prominent workers. Other officers were elected as follows: Vice president at large, Mrs. L. M. N. Stevens; corresponding secretary, Mrs. Katherine Stone; recording secretary, Mrs. Clara C. Hoffman of Kansas City; assistant recording secretary, Mrs. Frances J. Beacham of Kentucky.

The proceedings were opened with devotional exercises, conducted by Miss Elizabeth Greenwood. The general Mother Thompson, the original temperance crusader, offered a prayer. The roll was called on credentials, which showed that 43 states were present and that 425 votes were present and entitled to vote.

STILL ATTACKING CHRISTIANS. Troops Dispatched to the Scene of the Disturbances.

CONSTANTINOPLE, Oct. 23.—Advices received here from Ismid and Hendek say that the Mussulman attacks upon Christians there continue. Troops have been hastily dispatched to the scene of the disturbances. According to reports received here from Adana and Aleppo revolutionary agents are traversing the country and are enrolling young Armenians, while quarters for arms, ammunition and dynamite are being smuggled across the frontiers for their use.

DOING HIS DUTY.

Atlanta Is the Seat of Government at Present.

THE PARTY RECEIVED IN ROYAL STYLE by the Southern People. Great Throng Cheer the Chief Executive and Staff as They Pass Along the Streets.

ATLANTA, Oct. 23.—For the present at least the seat of government of the United States may be said to have been transferred to Atlanta, for the city harbor the president and his cabinet and six members of the cabinet, not to mention Treasurer Jordan, Governor Coffin of Connecticut, O'Ferral of Virginia, Stewart of Mississippi and a host of other dignitaries of officialdom.

On time to the minute the presidential special, running as the first section of the southwestern vestibule line on the Southern Railway, rolled into the depot. In accordance with the expressed wish of the president and the desire of the exposition authorities, the arrival of the party was deprived of anything in the nature of a hippodrome.

Ten thousand people had assembled in the vicinity of the station, crowding the streets as thickly as the space would allow and overflowing for several blocks in every direction. The roofs, windows, awnings, telegraph poles and every point of vantage in the city were filled with spectators, eager onlookers. The special was stopped outside the depot, however, the party disembarked and proceeded to the Hotel Aragon, their destination, began before the city and thousands realized that the distinguished visitors had reached the city.

Nevertheless, as the president's carriage, drawn by four horses, dashed around the corner of the station, the crowd recognized the party in time to cheer the president and his staff as they passed. The president and his cabinet officers sat down in the Aragon banquet hall to dine almost indistinguishable from the rest of the party. The president and his cabinet officers sat down in the Aragon banquet hall to dine almost indistinguishable from the rest of the party.

EX-CO-SUL WALLER'S CASE.

He Did Not Supply the Howas With Arms, as Charged.

WASHINGTON, Oct. 23.—Mr. Ethelbert Waller, who was in Madagascar at the time the proceedings against ex-Consul Waller were in progress, has presented his version of the case to Acting Secretary of State. The state department. Besides contending, as he did strenuously, that the proceedings of the French authorities were entirely unjustified, because of the fact that the French court was without jurisdiction, Mr. Waller presented affidavits secured principally in Madagascar, and in Antananarivo to show that Waller had not been supplying the Howas with arms.

He also called the attention of the secretary to the mistreatment to which Mrs. Waller had been subjected by the federal soldiers on board ship coming from Maritius to Madagascar, for which he thinks Consul Campbell of Maritius is responsible. He also called attention to the failure to secure better accommodations for her.

MISSIONARIES MEET. Their Field of Labor Among American Negroes, Indians and Chinese.

DETROIT, Oct. 23.—The twenty-ninth annual meeting of the American Missionary association, which is devoted principally to mission work among the negroes, Indians and Chinese in America, has opened its four days' session in the First Congregational church. Many of the delegates are workers in the country are present.

Rev. H. P. De Forest of the Woodworth Avenue church, Detroit, presided over the delegates on behalf of the city and Governor Rich welcomed them on behalf of the state. The proceedings included the report of the treasurer and of the executive committee, the appointment of committees and a concert of prayer.

THE EPISCOPAL CONVENTION CLOSED. MINNEAPOLIS, Oct. 23.—At the closing session of the house of deputies of the Episcopal convention Rev. Dr. Elliott of Washington gave assurance of the fact that the next convention of the next convention by the new diocese. The house concurred with the house of deputies in electing the missionary jurisdiction of the northern diocese into diocese.

EXECUTING CHINESE ROGERS. FOO-CHOW, Oct. 23.—Mabel Hartford's assailant and 13 others, convicted of taking part in the Hwasung massacre, were put to death at Ku-Cheng. The execution was witnessed by the Chinese, who were in the district magistrate and a great crowd.

PRairie Fire Does Great Damage. FORMAN, N. D. Oct. 23.—A prairie fire, started by a threshing engine, has done almost irreparable damage to a reservation southeast of here. A terrible wind made the fire uncontrollable, and hundreds of tons of hay and a large quantity of grain in the stack was destroyed.

POSSIBLY A GOOD DEAL.

Managers Still Hope to Bring the Fighters Together.

CLAIM THAT THE MEN MUST MEET. Corbett Insists on Fighting in Public Unless Fitzsimmons Increases His Side Wager—Sanguine of a Favorable Decision From the Supreme Court.

HOT SPRINGS, Oct. 23.—While the big fight has been formally declared off, there is still a deal of hope in the native's breast that Corbett and Fitzsimmons will come together here in the middle of the week. The situation is, of course, complicated, so far as its relations with the Florida Athletic club is concerned, the heavy-weight battle under the original Coleman-Homes agreement, which was subsequently amended at Dallas, is a thing of the past. In its stead has cropped up a proposition to sign new articles to fight for a purse not exceeding \$25,000 and have a battle here in three weeks later than the date originally agreed upon. Corbett, it is known, favors this plan. Oct. 31, the day the battle was to take place at Dallas, was fixed upon because it is a big day at the State fair.

While Julian insists on the full text of the new articles, which both as to the date and purse, it is known here that Fitzsimmons will come about and agree to a deferment of the hostilities. He recognizes the fact that he will submit to a reduction of the purse originally hung up by the club and sign new articles, he recognizes the fact that on the face of recent developments, Corbett has shrewdly enclosed himself in the arms of the law. To Corbett, this he must and will fight. Martin Julian handed a statement to our representative and then supplemented it by making public the names of six men he had selected from whom the referee was to be chosen by Brady. The men named are: John L. Sullivan of Boston, Jake Kilrain of Baltimore, Mike Donovan of New York, Prof. John M. Duffy of New Orleans, Hank Sullivan of Syracuse and Lon M. Houseman, sporting editor of The Inter-Ocean of Chicago.

The names submitted permit of the selection of but one man in the list, Houseman. Brady would hardly select Corbett or Sullivan, and it is known that Corbett had whipped them, and this might prejudice them. Mike Donovan and Corbett have not spoken since the Sullivan fight. Jack Sullivan and Duffy have been rejected by Corbett already. Julian's proposition now is to bring his man on at Hot Springs Oct. 30, but his side bid of \$10,000 upon the hands of Houseman, ask Corbett to do the same and then allow Houseman to appoint an hour and place for the men to meet in private.

If the plan fails, as is likely, for Corbett insists on fighting in public unless Fitzsimmons increases his side wager to \$25,000, Yendig and Stuart think a new deal is sure to ensue. They say that the men must meet and that they will come together here. Just on what terms the championship will be given to Corbett or the friends of the club and the fighters here are sanguine of a favorable decision on the appeal to the supreme court on Chancellor Leatherman's finding in the habeas corpus case, and before then special says Fitzsimmons has made this statement: "You can say for me that I now challenge the world for a \$10,000 side bet and the championship in this or any other country. Furthermore, I will meet Corbett for the \$10,000 side bet and will let the referee be chosen by the charitable institutions of New York city."

Gave Harness a Light Dose. PARKERSBURG, W. Va., Oct. 23.—The jury that has been trying Tom Harness, wealthy wire robber who was the murderer of Mark Perry, a poor negro, came in with a verdict of involuntary manslaughter, the penalty for which is two years or less in the county jail. The colored people are discussing the verdict with interest and indignation. The verdict is a big victory for Harness, but a new trial is asked for.

Fraud Orders Issued. WASHINGTON, Oct. 23.—Acting Postmaster General Jones has issued a fraud order against the Mutual Investment company of Kansas City, Kan. An order has also been issued against the British American Loan syndicate of Chicago, Ill., for obtaining money through the mails by false and fraudulent practices.

Fell From the Seventh Story. BUFFALO, N. Y., Oct. 23.—George Hays, age 45, the foreman of the scaffold builders on the 14-story Guaranty building in process of erection at the corner of Pearl and Church streets, fell from the top of the building and was instantly killed. His home was in Ottawa, Ont. He came here from Chicago five months ago.
