

AN ETERNAL PEACE.

Arbitration Conference Opened In Washington Today.

PLAN PROPOSED TO CLEVELAND.

Members of the New York Bar Association Present Him With a Memorial Outlining a Scheme of International Arbitration—President Much Interested

WASHINGTON, April 22.—An important conference began here this afternoon upon the government's proposal to arbitrate the Cuban question. About 300 members of national reputation are assembled at the call of the temporary chairman, ex-Secretary of State John W. Foster. The proceedings opened with a business meeting, and ex-Senator Geo. F. Edmunds of Vermont was chosen as permanent chairman of the conference. The conference will last two days.

It is on the program for an address to be delivered by ex-Secretary Carl Schurz on the general subject of arbitration. Edward Atkinson will evolve some interesting statistics on the subject and among the other speakers will be President Angel of Ann Arbor, Cardinal Gibbons and Randolph Tucker of Virginia.

The committee of the New York bar association, which called on the president with a memorial for international arbitration, was well received and Mr. Cleveland showed by his conversation and manner that he was much interested. The plan outlined in the memorial is:

First—The establishment of a permanent international tribunal to be known as the International Court of Arbitration.

Second—Such court to be composed of nine members, one each from nine independent states or nations, such representation to be a member of the supreme or highest court of the nation he shall represent, chosen by a majority act of his assembly because of his high character as a publicist and jurist and his recognized ability and irrefragable integrity. Each judge thus selected to hold office for the life or the will of the court selecting him.

Third—The court thus constituted to make its own rules and to have power to fix its place of sessions and to change the same from time to time as circumstances may require. Its judgments may suggest and appoint such clerks and attendants as the court may require.

Fourth—Controversies arising between any two or more independent powers, whether represented by international court of arbitration or not at the option of said powers to be submitted to the court by a majority of the parties thereto shall respect and abide by the rules and regulations of said court, and conform to whatever determination it shall make of said controversy.

Fifth—Said court to be open at all times for the filing of petitions and orders under treaty stipulations by any nation, whether represented in the court or not, and such orders to be made by the court, in the interim, but when sessions of the court in preparation for argument, and submission of the controversy to the court, shall be taken as the rules of the court provide for and may be agreed upon between the litigants.

Sixth—Independent powers not represented in said court, but which may have become parties thereto in a controversy before it, and by treaty stipulation, have agreed to submit to the jurisdiction of the court, shall be bound by its rules, or determined by the court.

Your petitioner recommends that you enter at once into correspondence and negotiation, through the proper diplomatic channels, with representatives of the governments of Great Britain, France, Germany, Russia, the Netherlands, Mexico, Brazil and the Argentine Republic for a union with the government of the United States in the laudable undertaking of forming an international court substantially on the basis herein outlined.

BIRMINGHAM, England, April 22.—The celebration of Shakespeare's birthday in Warwickshire, the poet's country, is being held. United States Ambassador Bayard, who was the guest of the club, presided at the dinner, responding to the principal toast, "Literature."

A letter written by President Cleveland to Consul Parker was read, in which he said:

"Everything that tends to keep alive the memory of Shakespeare and to preserve a proper appreciation of his work challenges my earnest interest and admiration and though I cannot be with you upon the occasion, I am glad to know that our American people are prominently represented at the celebration."

HARRISBURG, April 22.—The executive committee of the state Republican convention at a secret session at the Locheil hotel has arranged the details for tomorrow's convention. Lieutenant Governor Lyon has withdrawn as a candidate at-large in the interest of Francis J. Torrence of Allegheny. It is generally conceded that Galusha C. Green of Susquehanna and James S. Beason of Greensburg will be nominated for congress-at-large and John P. Elkins of Indiana county, state chairman.

MAY SMASH WEYLER'S TROCHA.

Cuban Leaders Preparing to Attack It From Both Sides.

KEY WEST, Fla., April 22.—The indications are that the Cuban insurgent chiefs are planning to assault from both sides the trocha which Weyler has established across the island to hem Maceo in Pinar del Rio. The work has been pushed night and day, and the best trocha Spain has ever built in Cuba now confronts Maceo.

Reports in Havana indicate that Gomez has determined to order an attack on the trocha, which will, if successful, destroy the Spanish army. According to Gomez's plans the trocha is to be attacked at some given point simultaneously from east and west.

The line cut the Spanish columns are to be taken in reverse and destroyed in detail. The attack from the west will be led by Antonio Maceo. He is now 15 miles west of the line, and his forces, with those of Banderas and Delgado, number 15,000 men. The insurgents who will attack from the east are gathering in Havana province from the east and moving toward the trocha. This column is led by Jose Maceo and is now 20 miles south of Havana and near the trocha.

Mardois Wilson, shouting signals that he is moving from the west Jose Maceo will strike the line from the east and the probabilities are that the Spanish army will be cut to pieces.

POLITICIANS IN A DUEL.

Alabama Democrats at Their Convention Horrified Over a Shooting Victim.

MONTGOMERY, Ala., April 22.—Five hundred Democrats here to attend the Democratic state convention were horrified at a tragedy at the depot.

The platform was crowded when Bob Kennedy, sheriff of Dallas county, Ala., stepped out with a double-barreled shotgun and opened fire upon two brothers, Perry and Mardis Wood, both citizens of Selma, fatally wounding the former. Mardis Wood drew his pistol and fired at Kennedy five times without hitting him. Kennedy reloaded his gun twice, firing in all six shots at Mardis Wood, shattering his right shoulder and breaking his left arm.

The trouble grew out of relations said to exist between Mardis Wood and the wife of Kennedy, all the parties being residents of Selma. Ala. Mardis Wood came here to attend the meeting of the Democratic state executive committee, of which he is a member. He has been for 20 years a prominent figure in politics, and two years ago was the nominee of the Democratic party in the fourth district for congress, but withdrew before the election, and Gaston Robbins, recently defeated, took his place. Kennedy is in jail here.

REFORM IN NEW ORLEANS.

Foster Carries Louisiana by Over 10,000. Quiet at Opelousas.

NEW ORLEANS, April 22.—New Orleans has wiped the boulder of the face of the earth, and despite one of the strongest ring organizations in the country the Citizens' League won a smashing fight by a majority of over 10,000 to 5,000. The negroes were proof against bribery and threats and gave the league a heavy vote. Governor Foster will probably carry the state by 10,000 to 15,000.

The election was quiet at Opelousas.

Negroes captured the polls at La Place and intimidated Democratic voters.

Secretary School Question Debated.

WASHINGTON, April 22.—The senate spent the day on the Indian appropriation bill, but did not vote on it. The sectarian school question brought out animated debate. Final action on the question was not reached.

RUSSELL IN THE ARCHA

His Fight for the Democratic Nomination Started.

ENDORSED BY TWO CONVENTIONS.

The Massachusetts and Rhode Island Democratic Enthusiasts Declared For the Ex-Governor—The Massachusetts Democrats Condemned the A. P. A.

BOSTON, April 22.—With enthusiasm almost surpassing that noted at the recent state convention of the Republicans of Massachusetts, when Thomas B. Reed was endorsed as a presidential candidate, the Democrats of this state in their convention set their approval upon Grover Cleveland as president and named ex-Governor William E. Russell as their choice for the nomination to be President Cleveland's successor. Judge John W. Corcoran called

WILLIAM ESTACE RUSSELL.

the convention to order. The usual honorary officers were chosen. Hon. Thomas J. Gargan of Boston was named as chairman of the committee on resolutions and Hon. John E. Thayer of Worcester was chosen permanent chairman.

During the delivery of Mr. Thayer's address the applause was loud and enthusiastic, especially upon the severest criticism of the American Protective Association and at the mention of President Cleveland's name.

The elect. of four delegates-at-large was then in vogue, and the names of Hon. John E. Russell of Leicester, George Fred Williams of Dedham, John W. Corcoran of Clinton and James W. Donovan of Boston were presented and chosen.

The platform endorses the official actions of President Cleveland, Secretary Carlisle and Secretary Olney, condemns free silver and declares for sound money and the prohibition of the circulation of the legal tender notes, for a more elastic banking currency, the admission of free raw material is favored, and the prohibition of the importation of the Monroe doctrine and President Cleveland's Venezuelan boundary dispute attitude are endorsed.

The A. P. A. is denounced and declared to be a principle of the Democratic party "that no subordination of any one sect or denomination to another shall be established by law, and that it is the absolute right of every citizen to worship God as his conscience dictates."

In conclusion the platform declares that while the delegates are not pledged that it is the wish of Massachusetts Democrats to present and recommend as their candidate for president ex-Governor William Estace Russell.

RELIGIOUS EDUCATION CONGRESS.

Important Subjects Discussed by Prominent People in Washington.

WASHINGTON, April 22.—There were about 500 people present at the session of the first national congress of religious education. After devotional exercises, Dr. F. B. Fulmer, principal state normal school at Fredonia, N. Y., read a paper on "Religious Education Defined." The most important thing he thought is to teach children the personality of God. Miss Annie T. Smith, of the Bureau of Education, Washington, discussed "Old Problems in New Lights." The separation of church and state, she said, has given the school the task of preparing men for their life and left to the church the task of preparing them for the life to come. Hence the anomaly of men, Christian at heart, but pagan in their lives.

RHODE ISLAND FOR RUSSELL.

The Democratic State Convention Declares for Him For President.

PROVIDES E. April 22.—The Democratic state convention selected the following delegates to Chicago: Hon. Richard C. Foster, Providence; Hon. George W. Greene, Woonsocket; Miles A. McNamee and Jesse H. Metcalfe, Providence; Hon. James J. Van Alen, Newport; John H. Tucker, Warwick; Hon. Fred S. Baker, North Kingstown; and John F. Conley of Warren.

Chairman Constock, in his opening remarks, paid a high compliment to William E. Russell, standing at length to his ability as an executive. His reference to Mr. Russell were received with great applause, especially when he asserted Mr. Russell would, as presidential candidate, again lead his party to victory.

The platform approves President Cleveland's administration, declares for sound money, opposes free silver unless under agreement with "at least four of the great powers of the world," endorses the Monroe doctrine and the Wilson tariff bill and condemns reciprocity.

Then the platform says: "As nobly representing these principles we commend to the delegates and the Chicago convention, one who will make an ideal platform, William E. Russell of Massachusetts."

The mention of ex-Governor Russell's name called forth the demonstration of loyalty. The endorsement of his candidacy was most hearty.

FIRST BALLOT FOR LOWDENS.

Probable Action of Maryland Republican Convention In Baltimore Today.

BALTIMORE, April 22.—The Republican state convention opened at the Lyceum Theater in city of today. Senator-elect George L. Wellington called the convention to order as chairman of the state Republican committee. There is no doubt that the Maryland delegation to St. Louis as a delegate-at-large and that his associate to be named will be James A. Gary, William T. Malster and Robert P. Graham.

The platform probably will be built upon the lines laid down in that regard by the Baltimore convention. The program is to send the delegation to St. Louis unopposed. Its first vote will be cast for Governor Lowdens, after which it will be divided between Mr. Kinley and Reed, as the adherents of both candidates are sure of places in the delegation.

TRUTH ONLY PARTLY TOLD.

Salvation Army Leaders Denying the Public Says Baltimore Booth.

New York, April 22.—Baltimore Booth and Mrs. Booth say that the statement and correspondence of Commander Booth-Tucker merely furnished further proof of the accuracy of the allegations they have previously made. They further say that it is manifestly unfair on the part of the leaders of the Salvation Army to have given the general's private letter to Baltimore and not to give Baltimore's, which is a most complete answer to the general's letter and contains most detrimental and damaging information regarding the general.

It is added by the Baltimore Booths that they stand by every word contained in their statement of April 15, and they conclude by saying that most of the extracts from the correspondence made public were written three years ago and that they were written before the difficulty arose.

May Vote Against the Women.

CLEVELAND, April 22.—From information received here it is believed that the general conference of the Methodist Episcopal church will vote against the admission of women as delegates.

Rev. Dr. Brown In More Trouble.

OAKLAND, Cal., April 22.—The conference of the Congregational ministers convened at Rev. Dr. Brown's refusal to accept the slight censure imposed by council, which tried him upon charges of immorality and unministerial conduct, has preferred new charges against him and reopened the old complaint.
