PLOT OF DYNAMITERS

Great Excitement In England Over the Arrests.

POLICE SEARCHING FOR EVIDENCE.

It Will Have an Unfavorable Effect on the Irish Cause—Numerous Rumors Afloat—French Authorities Will Render All Assistence Possible.

LONDON, Sept. 16.—More attention is being paid to the details of the alleged dynamite conspiracy than any other subject, not excepting the situation in Turkey. Those who do not participate in the horror professed by the authorities over the diabolical details of the plot, which they are claiming, with sensational impressiveness, to have unearthed, find sufficient entertainment in the expressions of their scepticism.

A correspondent has made some inquiries at Scotland Yard as to the methods pursued in shadowing the plotters and as to how it happened that the authorities were so well informed of the plans of the plotters in advance. It was stated there that the work had been done in the United States by the Pinkerton agency, who had for years forwarded, every week, the fullest reports of every meeting of any revolutionary body in the United States, particularly in Chicago and New York. The espionage maintained on gatherings in these two cities is remarkably complete. There is a full file in Scotland Yard of all resolutions, documents, etc., pertaining to the gatherings and full descriptions of the members and their actions.

Though the action of the police in these cases was precipitated owing to the heavy drinking and foolish talking of Tynan, there has been the greatest possible activity on their part since in order to round up the minor plotters, who have been touched by Tynan and the others. It is for this reason that Chief Inspector Melville of Scotland Yard, who has been prominent before in the pursuit of dynamite plotters, and Inspector Quinn, have gone to the continent, and Inspector Mullen, who is the head of the political section of the Dublin police, is on his way to London. Chief Inspector Melville will also direct the search for bombs, of which the authorities allege numbers were manufactured at Berchem, near Antwerp.

It is a notable fact that the police authorities of Paris express great scorn for the idea that there was any connection between any plot that Tynan may have concocted and an attempt upon the life of the czar. The elaborate tale of collusion between the Fenians and continental anarchists and Russian nihilists is laughed at in Paris, although the authorities of Scotland Yard are using this story as much as they possibly can in order to influence the French authorities to surrender Tynan. The suspicion is broadly hinted that the story of Tynan being implicated in a plot against the person of the czar was concocted for no other purpose than to appeal to the political sympathy of France towards Russia to effect a consent to the extradition of Tynan.

It is perfectly evident that Scotland Yard itself shares the French view of the alleged Fenian-Nihilist combination, as there has been no change in the preparations already made to guard the czar upon his forthcoming visit to London. The preparations are the same as those usually made upon the visit of any foreign sovereign to London.

The Scotch police have been reinforced by a squad of detectives from Scotland Yard to aid in the investigation going on at Glasgow in connection with the arrest of Bell. There is no stock taken at Scotland Yard in the idea that Tynan meant to blow up Marlborough house while the Prince of Wales and the czar were within.

The Irish leaders in London and Berlin regard the arrests of the alleged dynamite plotters with consternation. A project has been on foot, ever since the adjournment of parliament, to obtain the release of all the Irish political prisoners, which was encouraged by the recent action of the government in releasing from Portland prison Dr. Thos. Gallagher, Albert G. Whitehead, John Daly and Thomas Devany. It was intended to inaugurate a great demonstration in behalf of the prisoners and an agitation in the press, followed by a bold attack in the house of commons in January. The arrests are considered unfavorable to the success of this plan.

In an interview the president of the Amnesty association says: "The arrests are a matter of indifference to us, except for their probable effect on the Irish movement. The followers of Tynan are the enemies of Ireland, and this association will not raise a penny for their defense. It cannot compromise itself by any conciliation with them."

A dispatch from Boulogne-Sur-Mer says that Tynan was taken before the public prosecutor there and was interrogated as to his antecedents and as to the murders of Thomas Burke and Lord Frederick Cavendish in Phœnix park, Dublin, in 1882. Tynan in reply denied that he took any active part in the murders.

Subsequent to the examination several Scotland Yard men had an interview with the public prosecutor. He assured them that the French authorities would render them every assistance to bring the culprits to justice.

HEALTH ASSOCIATION MEETING.

Three Countries Represented—Committees Appointed and Papers Read.

BUFFALO, Sept. 16.—Flags of three countries—Mexico, Canada and the United States—were draped effectively about the assembly room in which the American Health association met for its twenty-fourth annual convention. Eduardo Liceaga, president of the Superior board of health of the Republic of Mexico, called the convention to order and the secretary, Dr. Irving A. Watson of Concorn, N. H., read the report of the executive committee. The report recommended the appointment of a committee on sanitation and another on disinfectants. Next came the election of half a hundred candidates.

Dr. Granville P. Conn, president of the New York state board of health Dr. Domingo Orvananos of the City of Mexico, Dr. Tomas Noriega, Dr. Fred Montizambert of Toronto, Dr. Holbeck of Charleston and Dr. Gihon read papers and discussed car and boat sanitation and the breeding of diseases in vehicles of travel.

CHILE'S NEW CABINET.

Generally Believed That It Will Not Be a Lasting One.

LONDON, Sept. 16.—The following is from The Times' correspondent at Santiago de Chile: The new cabinet is composed as follows: Senor Zanarta, minister of the interior; Senor Putron, minister of foreign affairs; Senor Ibanez, minister of justice; Senor Fabros, minister of finance; Senor Baiz, minister of works.

Senor Fabros is a sound conversionist. It is believed, however, that the ministry will not be a lasting one, owing to the opposition in the chamber to the commission appointed to consider the financial situation. But it is the general opinion that the conversion of the currency is safe.

Two Youthful Burglars.

SYRACUSE, Sept. 16.—Charles Wilkinson and Johnnie Condon have been arrested here for burglary. They are only 9 years old and small for their ages, yet they are old in crime, both having confessed burglary and one arson. Wilkinson was arrested several days ago on the charge of burglary. The "swag" was found on him and he confessed.

MR. BRYAN'S TOUR.

He Makes Many Speeches Through Kentucky to Large Crowds.

LOUISVILLE, Sept. 16.—The pilgrimage of the Democratic nominee for the presidency was continued through Kentucky. The tour was in charge of Urey Woodson, national committeeman from this state. There was no demonstration of any kind when Mr. Bryan left Louisville. Committees came aboard at every station to welcome the nominee. There were short stops made at Anchorage, Beards and Peewee Valley, where the candidate shook hands with those gathered about the train. The first speech made from the platform of the car was at La Grange, and in it Mr. Bryan asked the people to take the interest in the campaign which its importance justified.

At Eminence it had started to rain, but 1,000 of the citizens of Henry county had flocked about a little speaker's stand, to which Mr. Bryan was taken. He gave a 10-minute speech. During his speech the rain began to fall in torrents, and Mr. Bryan told his audience that it would be cruel to them to have them stand in the rain, but immediately there were shouts for him to go on rain or no rain.

In his speech at Frankfort Mr. Bryan emphasized his statement of last night that those who did not believe in the free coinage of silver, Democrats or Republicans, should vote the straight Republican ticket. The rain was falling in torrents when the train pulled into Frankfort and Mr. Bryan was conducted to the platform in the court house square under umbrellas, which were knocked aside every minute by the efforts of his southern admirers to grasp him by the hand. During his speech of 15 minutes the rain continued to pour down, but his audience of 1,800 people stood in the wet and yelled for him to go on.

At Midway, where Mr. Bryan arrived from Frankfort, the party left their special car for another on the Cincinnati Southern railway and made the short trip to Versailles in the latter. It was raining hard when Midway was reached, but quite a crowd was gathered there unmindful of a wetting. The people wanted a speech and made frequent importunities, but Mr. Bryan decided that the atmosphere was too damp for talking and went away without gratifying his expectant admirers. At Versailles Mr. Bryan was met at the station by a band and a number of horsemen who escorted him to the residence of Senator Blackburn. On the way he made a short speech from a stand erected in the center of the principal street. It was raining all the time he spoke. A large party were entertained at Senator Blackburn's residence. Open house was kept and everybody was asked inside.

Mr. Bryan, Senator Blackburn and the others of the Versailles party then returned to the special train and proceeded to Lexington.

Mr. Bryan spoke to the farmers, and it was a speech intended for the farmers. He told the farmers that those who applied the name anarchist to the bone and muscle of this country were doing more to overthrow our government than any anarchist who ever carried a red flag, and this statement created the greatest enthusiasm.

It was nearly 3 o'clock when Mr. Bryan arrived at the driving park. His appearance was the signal for the greatest applause. He was introduced to the audience by the Hon. C. J. Bronston, state senator and candidate for congress.

LEXINGTON, Sept. 16.—Kentucky hospitality and southern enthusiasm were showered upon William Jennings Bryan in his trip in the Blue Grass region. The greatest demonstration rendered him in the south was at Lexington, where he addressed from 15,000 to 20,000 people at the fair grounds. A procession, unique in its character and impressive to a large degree, passed before him as he was on the speaker's stand. The farmers of the surrounding counties got into Lexington early and came in a typical southern way, riding the entire distance on horses. While Mr. Bryan was addressing the audience the horsemen were seen entering the gates of the fair grounds, riding in double file and carrying appropriate Democratic campaign banners. It took 25 minutes for the 20,000 people to file past the nominee and every one of these tried to outdo his neighbor in yelling and in cheering.

ARRESTED FOR ROBBING MAILS.

Authorities Believe They Have Solved a Troublesome Case.

CHICAGO, Sept. 16.—By the arrest of Harry Larroway, a railroad porter in the Grand Trunk depot at Detroit, the postoffice authorities claim to have succeeded in stopping one of the most troublesome cases of mail robbery that has been handled for a long time. Larroway's operations are said to have extended over a period of 15 months.

His pilferings were confined to the Canadian mails between this city and Detroit. Thousands of dollars were extracted, the Bank of Montreal of this city the heaviest sufferer, losing sometimes as many as 30 letters in a day. Larroway was arrested while engaged in ripping open a pouch, and had a package of 43 letters in his possession.

To Check the Raid of Dervishes.

FEREIG, Soudan, Sept. 16.—A detachment of the Staffordshire regiment, and the camel corps belonging to the Nile expedition, have been sent southward from here ahead of the main advance of the expedition to check the operations of a body of Dervish raiders, whose headquarters is at Kormoh, where the Dervishes have concentrated a considerable force for the purpose of making a stand against the British advance.

A Sudden Rise to Fortune.

PARKERSBURG, W. Va., Sept. 16.—Eighteen months ago Irving Grandin, a poor man, bought a farm of 20 acres on Broad run, near St. Mary's, at about $8 an acre, built a small house upon it and endeavored by working it to support his family. He has now five producing oil wells upon the property, his daily royalty from which is double the original price of the tract.

Another Line Reduces Rates.

WASHINGTON, Sept. 16.—The Atlantic Coast line has filed with the interstate commerce commission schedules of rates from Boston, New York and Philadelphia to points in North and South Carolina to meet the reduced rates of the Seaboard Air line. The commission has received no notification from the railroad, engaged in the rate war of a restoration of rates in accordance with the injunction order of Judge Speer.

Sailed For Gibraltar.

WASHINGTON, Sept. 16.—The Bancroft has sailed for Tompkinsville today bound for Gibraltar. She probably will touch at Fayal, Azores en route to take on a supply of coal. At the navy department it is said her orders simply are to report to Admiral Selfridge at Gibraltar.

Peace Between Italy and Abyssinia.

LONDON, Sept. 16.—The Chronicle's Rome correspondent says that peace has been concluded by Italy with Abyssinia. The Negus Menelik demanded 2,016,000 lire ($400,000) not as a ransom, but as compensation for the cost of maintaining his prisoners. The restriction of the limits of Erythria was also demanded.

Senator Butler Well Pleased.

WASHINGTON, Sept. 16.—Senator Butler, chairman of the Populist committee, says he is in accord with the sentiment expressed in the letter of Senator Allen notifying Mr. Bryan of his nomination by the Populist convention. "We nominated Mr. Bryan at St Louis," said he, "because of his record in the overshadowing issue of this campaign."

CALLED ON M'KINLEY.

A Delegation of Old Soldiers at His Home.

THE MAJOR MAKES TWO SPEECHES

A Crowd of Farmers From Somerset County, Pa., Also Visits Him—A Delegation of Farmers Coming From Missouri—Other Political News.

CANTON, O., Sept. 16.—The reception of the old soldiers was most enthusiastic. The Woman's Relief Corps and thousands of Cantonians followed the parade to the McKinley home. Every post in the county and many from adjoining counties were represented. Major McKinley was given an ovation and was interrupted by cheers at short intervals. Colonel J. J. Clark presented the delegation in a stirring speech.

Colonel Clark, my comrades and fellow citizens:

It is a very great honor to me, and one which I shall always cherish, to receive calls from my old comrades of the war living in this neighborhood. [Applause.] You are here today not as soldiers, but as citizens—citizens of the best government in the world—made better because of the services you rendered it nearly a third of a century ago. [Renewed applause.] I bid you welcome to my home, and express to you in response to the generous and grateful message delivered by Colonel Clark my most profound gratitude and thanks. It was a great thing to have been a soldier in the late war.

I am glad to meet you here today. I was proud of you when in the field. I am proud of you as citizens of the Union which you helped to save. [Applause.]

No grander, no better, no more glorious army ever marched to battle or for a nobler cause, than the army of which you were a part. [Great cheering.] You were good citizens before you went to the war; you were good soldiers in the war; you have been good citizens ever since, standing by the same old flag. [Applause.] You were patriots then; you are patriots now. You know no politics in your "Grand Army posts." [Cries of "no, no."] But you know patriotism when you see it. [Applause and cries of "you are right."]

I thank you most warmly for this call and for the cordiality of your greeting and the gracious messages which have been delivered by your spokesman, and as another delegation is waiting I must close by saying that it will give me great pleasur to shake each one of my old comrades by the hand. [Great cheering.]

When the handshaking was reached there was a great rush. The delegation from Somerset, Pa., over 2,000, was approaching and it was feared there would not be time for all to get to McKinley. The Pennsylvanians had five bands and many banners and emblems. The trip was arranged by the Lincoln club of Somerset. State Senator Norman B. Critchfield made the introductory address.

Three times Major McKinley begun to speak, and each time was interrupted by cheering, and when he concluded there was unusual eagerness to shake his hand.

Senator Critchfield and my fellow citizens:

It gives me sincere pleasure to meet my friends and fellow citizens of Somerset county, Pa., in my state, my city and my home. You have traveled more than 250 miles to bring to me assurance of your confidence and of your purpose to give to the Republican party and its glorious principles your united and hearty support. [Great applause.]

Your spokesman says that the people of your county are devoted to farming. Looking over this vast audience and remembering how far you are from home, I should think you were devoted to Republican politics. [Tremendous cheering.]

Happily the Republican party was never more closely united than now, both in fact and in spirit, and there was never better reasons for such union and never greater necessity for it than now. [Cheers and cries of "that's right."]

It believes in preserving a home market for the American market, (applause) in the opening of the American factory for the American workingman, (applause) and the opening up of a foreign market wherever that can be done with profit to all the great interests of the United States. [Renewed applause.]

It is, too, for sound money (great cheering), every dollar worth 100 cents (renewed cheering), every dollar as good as gold (continued cheering), and it is opposed a like to the free and unlimited coinage of silver and the issuance of irredeemable paper money, to which the allied party seemed firmly committed. [Great applause.] It has always kept silver at a parity with gold. It proposes to keep that silver money in circulation and preserve side by side, gold and silver and paper, each the equal to the other and each the equal of the best and the best never to be inferior to the best money known to the commercial nations of the world. [Tremendous cheering.]

It will continue to favor a policy that will give work to American citizens (applause), markets to American farmers (cries of "that's what we want,") and sound money to both. [Tremendous cheering and cries of "hurrah for McKinley."]

Hon. Richard Kerens, national committeeman from Missouri, has called at the McKinley home. His state will send the first big delegation of farmers from the west Oct. 5. Mr. Kerens says with four tickets in the field in Missouri Republican success is highly probable. The western situation is entirely satisfactory.

CARLISLE WRITES A LETTER.

He Gives His Views on the Free Coinage of Silver.

BAR HARBOR, Me., Sept. 16.—Secretary Carlisle has written a letter on the subject of the maintenance of the parity between gold and silver to Mr. James P. Helm of Louisville.

Mr. Carlisle said that under the present system the government buys the silver and is under a moral obligation to keep it on a parity with gold, but under the free and unlimited coinage of silver the government would be under no obligation to maintain the parity, as it would then be coined for indivlduals and not for the government. If the limitation was removed confidence would be destroyed and the silver coined could not be kept on a parity with gold.

He said the government had made no discrimination between the two metals, gold being paid when it was demanded and silver when silver was demanded.

WANT TO FUSE.

Populists of New York Appoint a Committee to Form Plans.

BUFFALO, Sept. 16.—Politicians have been given a surprise by the appearance here of a number of Populists, who, after a protracted conference, appointed a committee of five to visit the Democratic state committee and present to them a plan for fusion in this state to defeat the Republicans.

The committee appointed were D. M. S. Fero of Glens Falls, chairman of the state committee of the People's party; C. R. White of Millers Corners, president of the Farmers' Alliance; Colonel A. C. Fisk of Denver, Colonel B. M. Druscan of Denver and C. B. Matthews of Buffalo, who ran on the Populist ticket for governor some years ago.

Mortgage Loan Firm Fails.

MINNEAPOLIS, Sept. 15.—A. F. & L. E. Kelley, a well known mortgage loan firm, has fled an assignment to C. M. Hansen and A. C. Cobb jointly. Liabilities are estimated at between $100,000 and $150,000. The assets are not known. The firm has loaned several millions of eastern money, mostly on farm property, and the loans are well secured.

Many Irishmen Seek Information.

NEW YORK, Sept. 16.—There has been many visitors at the headquarters of the Irish National Alliance. Many of the callers were Irishmen who sought information about the arrest of Tynan, Kearne, Bell and Mann in Europe upon charges of being the principals in the alleged conspiracy to kill various crowned heads.

NEW YORK CONVENTION.

The Democrats of That State Will Endorse the Chicago Convention.

BUFFALO, Sept. 16.—It looks like a state convention now, and the arrival of the Tammany delegation has done more to bring into view old convention faces than anything that has happened.

There was every evidence of a rise of friction that would make the Democratic state convention at least interesting, but as the time wore on and the Tammany delegation arrived in town, every little controversy that had arisen was smoothed over, and it became more than ever evident that the convention was to be dominated by the great political organization from New York.

Mr. Hinkley has arrived and announced that the selections of Elliott Danforth, the New York member of the Bryan and Sewall notification committee, for state chairman, and Frank S. Campbell for national committeeman were favorable to Mr. Hill.

The changes in the program during the afternoon and evening, and after the arrival of the majority of the delegates, was not many. It is said that in addition to consulting Senator Hill as to the makeup of the state organization leader Bernard Yarka of Kings county had a conference with him regarding the lieutenant governorship.

The ticket as selected is as follows:

For governor, John Boyd Thacher of Albany; lieutenant governor, General Isaiac Catlin of Brooklyn; chairman of the state committee, vice Major James W. Hinkley, retired, Elliott Danforth of Chenango county; for national committee, vice William F. Sheehan, resigned, Frank Campbell of Bath; temporary chairman, Thomas F. Grady of New York; permanent chairman, B. H. Rockwell of Chemung.

The platform will endorse the Chicago national ticket and platform; will arraign the last Republican legislature as the most extravagant in the history of the state; will say that the Raines liquor law was purely for the creation of a vast Republican machine, and to assist in reducing at the expense of a class the tax rate of the state which would otherwise have been the largest in the history of the state, and a plank favoring the enactment of more stringent laws regarding trusts.

TO PAY COMMISSIONS.

The Railroads Decide to Do So on G. A. R. Business.

CHICAGO, Sept. 16.—The Chairman of the Western Passenger association has made the best of a bad matter and has given all the lines in the association permission to pay commissions on Grand Army business after the precedent set by the Burlington. Every effort has been made to get the Burlington to change its mind about paying the commissions, but they have proved unavailing, and as a last resort the chairman has permitted all of the other roads to meet its action.

A peace has been arranged between the Chicago-St. Paul lines and the lake transportation companies. The Great Western was the only road that stood out against allowing a differential to the Lake Michigan Car Ferry company and it has finally agreed to allow it a differential of 1½ cents on the higer and 1 cent on the lower classes. The Lake Michigan and Lake Superior Transpoatation company is to have a differential of 2 cents below the rates granted the car ferry company.

Drowned Himself While Delirious.

PARKERSBURG, W. Va., Sept. 16.—Olie Archer, a bank clerk, aged 20, who had been ill with typhoid fever at his home in South Parkersburg for some time, escaped from his nurse while delirious, and, rushing to the bank of the Little Kanawha river, plunged into the stream and was drowned in the presence of several members of his family, who were in pursuit of him.

STAMPS BY FRAUD.

A Man, Said to Be an American, Arrested In Liverpool.

LIVERPOOL, Sept. 16.—Thomas Montgomery Joy, said to be an American and hailing from New York, was charged in a local police court here with obtaining postage stamps by false pretenses. It appears that he advertised a bicycle to be given away to each of ten persons sending in the most words from the letters in the word "Overland." But each competitor has to enclose a postage stamp.

The police found 6,000 letters at the office here where Joy's letters were addressed to, and they also found 3,000 other letters adressed to him but undelivered in the postoffice. The police, however, have been unable to find any bicycle named the "Overland." Joy was eventually committed for trial.

The Silver Men In Control.

NEW HAVEN, Sept. 16.—One of the greatest surpises in the state Democratic convention was the announcement made that the Democratic state central committee, which had been composed of a majority of gold standard men, had unconditionally resigned in favor of the Bryan wing of the state Democracy. William Kennedy of Naugantuck was unanimously elected temporary chairman. The action of the state committee is considered a great victory for the silver men.

HEART DISEASE 20 YEARS.

Dr. Miles Medical Co., Elkhart, Ind.

DEAR SIRS: For 20 years I was troubled with heart disease. Would frequently have falling spells and smothering at night. Had to sit up or get out of bed to breathe. For the last fifteen years I could not sleep on my left side or back until began taking your *New Heart Cure*. I had not taken it very long until I felt much better, and I can now sleep on either side or back without the least discomfort.
