Threatened Suicide.

The Altoona Times of Tuesday morning says: Sadie Noonan, a few years ago, one of the prettiest girls in Altoona, was last night a prisoner at the police station, guarded constantly by a policeman for fear that she would carry out a threat to ommit suicide. She was arrested about 10:30 o'clock in a house in the Third ward by Officer Baird for drunkenness and dis order. While officers were searching the house for other inmates Miss Noonan procured a bottle of iodine and attempted to swallow its contents. She was prevented from doing so by the promptitude of Officer Watson, who spilled the liquid over himself in wrenching the bottle from her

The girl went on as though she had hysteries. After she was incarcerated in the ockup she tried to choke herself to death The marks of her finger nails were plainly visible on her neck. Her hands were handcuffed behind her back until she became sober and then Lieutenant Hetrick confined her in the mayor's private office where he could keep an eye on her.

And the Gold Bug Suffered. The Lock Haven Democrat is responsi ble for the following: A peculiar swindle growing out of the gold and silver enthusiasm was practiced at Benton last week Two men, who seemed to be strong silver and gold advocates, were in the Central depot and became involved in a heated disussion. The gold man offered to bet a gold double eagle that if he hampered the oin into a shapeless mass it would still be worth \$20. He was ostensibly taken up by the silver advocate, but when it came to selling the lump to Jeweler Roth, the store was closed. James Hagerty, a strong sound money advocate, who stood by and who had implicit faith in the value of gold. gave the man \$20 for the battered coin. The two enthusiasts disappeared shortly after, and then it was discovered that the

metal left by them was spurious.

A Driver Badly Hurt. The closing scene of the Indiana fair o Friday was a tragic one, as a result of which W. S. Evans, of Allegheny, lies between life and death. Evans is an Allegheny liveryman, and was there driving the horses of Denny Brothers, of Ligouier In the fourth heat of the free for all trot. or pace, Evans was driving the stallion Forest Wilkes. He had third position in a field of three and just as he got inside the distance flag, he noticeably locsened the reins. This seemed to stagger Wilkes. and he went down in a heap, Evans being thrown over his head. He alighted on his head, and it looked to the horrified spectaors as if the horse rolled over him, when picked up he was bleeding at the a , nose and month. The physicians think there may be a fracture of the skull.

F. P. Martin, Esq , for Senator. On Saturday the Democratic senatoria conference for the Thirty-fifth senatorial district composed of the counties of Blair and Cambria, met at the Merchants Hotel, in Johnstown, at 100'clock in the forenoon. The Blair county conferees were J. B. Stahl, W. H. Kerr and G. W. Rhine, of Altoons, instructed for M. B. McGrath, of

ED. FREEMAN:-As we have not seen would scratch down a few lines to let our brother readers of the FREEMAN know that we are all here and are having some booms. The new railroad that is being working day and night. It is necessary to build two bridges, one across Clearfield creek and one across Beaver dams, within a few hundred feet of each other and Flinton is having such a boom as it never exness and the Alpine Hotel is filled to overflowing most every night. Mr. Shafer & Sons are doing a fine business in black-

mithing. On Thursday Mr. Englehart, Democratic county chairman, of Ebensburg, and Mr. Waters, of Johnstown, the present Democratic candidate for county treasurer, arived at Flinton on the noon train and there was soon a crowd of voters irresective of politics shaking Mr. Waters' hand wishing him victory with a large majority. On Friday morning he was taken to the Grangers' picnic near Glasgow, where he met with voters all day, and he has no doubt about his election, but will make one more visit to Reade township before the third of November. The citizens here are well pleased with the appearance of Mr. Waters and from what they have learned have no doubts about his moral character and express themselves by saying that they do not intend to throw their votes away by voting for a man who does

worthy of their support. We are pleased to say here that the irangers' pienie was a success, at a rough guess we think there was nearly 1,000 people on the grounds. The opening address was delivered by J. T. Patterson and responded to by John Ricketts. In the afternoon Mrs. Johnston, of Eric county, held the floor for an hour and a half giving a masterly speech, urging the peorights according to the constitution.

There is a big probability that the Beech Creek railroad, owned by the Vanderbilts extend its lines through to Pittsburg within the next year. The Pennsylvania Railroad company and the Vanderbilts had an agreement by which the latter agreed to remain out of the Smoky City, but it has fallen through or terminated. In 1893 Chief Engineer McIntyre, of the Beech urveyed a proposed railroad line between Kerrmoor and through Cambria, Indiana and Westmoreland counties through to winter and when the plans had been drawn up the proposed new route was found to be the shortest and most direct by over 100

The Beech Creek has extended its lines o Mahaffey, which is only 100 miles from Pittsburg on the proposed line to that city. During the past summer and this autumn he Beech Creek engineer corps, under chief engineer McIntyre, has been laying out 18 miles of railroad in Cambria county to connect with the main line at Patton.
