CHILDREN'S EYES.
Did you ever look
In a child's clear eyes,
And feel the heaven that lay
In the innocent depth
Of the open soul?

CAPTAIN NABB.
BY JAMES HUCKHAM.
Great was the swarming fame of
Capt. Nabb, in the little village back
of the Connecticut hills...

IN GOOD FORM.
Why not in good form? Not in the
conventional sense of doing the right
thing in the right way...

AGAINST HIS WILL.
The editor was disgusted and no wonder!
It was the dull sense of the Senator
that was compelled to resort to such
padding in order to fill the daily measure...

Points Pertaining to Physical Perfection.
Why not in good form? Not in the
conventional sense of doing the right
thing in the right way...

Camels in Spain.
In Camels have domesticated themselves
in southern Spain the only spot in
Europe where they may be seen in a wild
state...

THE FELLOW THAT PLAYED THE MOUTH ORGAN.
"Some fellow tells us in poetry," said
the judge while they were enjoying
themselves in the tent after a hard day's
fishing...

TIME'S COMPENSATION.
The editor was disgusted and no wonder!
It was the dull sense of the Senator
that was compelled to resort to such
padding in order to fill the daily measure...

ANIMAL WAIFS.
A horse died at North Andover, Mass.,
the other day, in whose stomach was
found over a pound of nails.

WRITERS OF VERSE AND PROSE.
Dr. Jameson is said to be occupying
his time in prison in compiling an
account of his connection with the
Transvaal raid.

STYLES IN HATS AND GOWNS.
A new waist has the yoke made of
narrow, close puffing. The lower part
material being wound around the waist,

SCIENTIFIC CLEANINGS.
Argon has at last been combined
with water by Prof. Villard, of the
Paris Ecole Normale.
