Pa., well known and much respected among the German population of this country, makes the following statement for the benefit of the afflicted:
Dear Sirs:--Having realized in my family important benefits from the use of your valua-ble preparation—WISTARS BALSAN OF WILD CHERRY—it affords me pleasure to recommend it to the public. Some eight years ago one of my daughters seemed to be in a decline, and little hopes of her recovery were encertained. I then procured a bottle of your excellent Balsam, and before she had taken the whole of the contents of the bottle there was a great improvement in her health. I have, in my individual case, made frequent use of your valuable medicine, and have al-ways been benefitted by it. J 1COB SECHLER.
