THE UNION!

The Great Convention at Philadelphia!

DELEGATES FROM ALL THE STATES AND TERRITORIES.

THE PROCEEDINGS ENTIRELY HARMONIOUS, AND THE CONVENTION A GRAND SUCCESS!

DEATH-BLOW TO RADICALISM!

The great National Union Convention, which assembled at Philadelphia last Tuesday, will stand out in the history of the country as one of its most important epochs.

The same spirit of patriotism which prompted our forefathers when they announced the Declaration of Independence, and adopted a Constitution for the United States, pervaded the Convention last week, and its action will lead to similarly happy results.

The great work of the RESTORATION OF THE UNION, so auspiciously begun at Philadelphia, will be pushed forward by the PEOPLE until it shall be fully accomplished.

Every obstacle in the road must give way to the popular demand for old-time unity, fraternity and prosperity. Radicalism may howl, and all the more fiercely because the death-struggle is approaching; but that will abate nothing of the ignominy which will forever belong to its history.

We have neither time nor space for anything like a satisfactory report of the proceedings of the Convention. The principal points only can be alluded to now—more will follow.

At about 11 o'clock, on Tuesday, the people commenced flocking to the great Wigwam, an immense building erected for the purpose, and by noon filled it.

A magnificent band struck up the national air, and the scene was one of inspiring grandeur. Postmaster General Randall arose and announced that the Massachusetts and South Carolina delegations were about entering the hall, arm in arm, Gov. Orr and Gen. Couch being at the head.

Immense enthusiasm followed. The whole assembly rose to their feet, and the building rang and rang again with the loudest cheers. It was a sight never to be forgotten.

Gen. John A. Dix, of New York, was made temporary Chairman. On taking his place upon the platform, he made a most able and patriotic speech, which was warmly applauded all through.

He said the interests of the country demanded a change in Congress, and "it is in the Congressional districts in which the vital contest is to take place."

After the appointment of committees on credentials and permanent organization, the Convention adjourned.

Hons. Fernando Wood and C. L. Vallandigham, for the sake of harmony, declined taking seats as delegates—a step which greatly disappointed and mortified the Radicals, who felt quite sure that these two gentlemen would "kick up" some sort of a "muss" in the Convention.

On Wednesday, the Wigwam was filled at an early hour. Senator Doolittle, of Wisconsin, was made permanent President. The announcement was greeted with immense applause.

On taking the chair, he addressed the vast audience in a speech of great power, which was warmly cheered at many points. If all the people of this great country had been there, the work of Restoration might have been considered as already done.

The following dispatch from President Johnson was then read, amidst cheers and waving of hats and handkerchiefs:

WASHINGTON, August 14, 1869. To the Honorable A. W. Hildreth, Convention at Philadelphia:

I thank you for your cheering and encouraging dispatch. The finger of Providence is warning and will guide you safely through. The people must be trusted and the country will be restored. My faith is unshaken as to ultimate success.

A committee on resolutions and address was appointed, with Senator Cowan as Chairman. After some other business, the Convention adjourned.

On Thursday the crowd in and around the Wigwam was greater than any day before. There were ten to twelve thousand people in the building, and more outside. But vast as was the assemblage, all was order and good feeling—indeed, such was the case from the beginning to the end.

The President, Mr. Doolittle, took the chair at 10 o'clock. Prayer by Rev. Mr. Riemenyander. The President then said: Before proceeding to any other business, the Chair begs to announce as the first resolve in political action to the call for this Convention, the result of the Colorado election. The following dispatch has been received:

DENVER, Colorado Territory, Aug. 15. Returns from all parts of the Territory render certain the election of A. C. Hunt, Administration candidate for Delegate to Congress, over Chillicothe, the Radical.—[Long-continued applause.] Mr. Cowan, from the committee, then reported the following:

DECLARATION OF PRINCIPLES: The National Union Convention, now assembled in the city of Philadelphia, composed of delegates from every State and Territory in the Union, admonished by the solemn lessons which for the last five years it has pleased the Supreme Ruler of the Universe to give to the American people; profoundly grateful for the return of peace; desirous as are a large majority of their countrymen, in all sincerity, to forget and to forgive the past; regarding the Constitution as it comes to us from our ancestors; regarding the Union in its restoration as more sacred than ever; looking with deep anxiety into the future as of instant and continuing necessity, we adopt and maintain the following Declaration of Principles and Purposes, on which they have, with perfect unanimity, agreed:

First. We hail with gratitude to Almighty God the end of war, and the return of peace to an afflicted and beloved land.

Second. The war just closed has maintained the authority of the Constitution, with all the powers which it confers, and all the restrictions which it imposes upon the general government, unshrinking and unqualified; and it has preserved the Union, with the equal rights, dignity and authority of the States, perfect and unimpaired.

Third. Representation in the Congress of the United States, and in the electoral college, is a right recognized by the Constitution as existing in every State, and

Another Radical Outrage in Missouri. News of an atrocious Radical outrage has been received to-day from Webster county, in the southern part of Missouri.

The Rev. Samuel S. Headlee appointed a day for religious services at the Methodist Church at the Pleasant Hill meeting-house and preaching a sermon. Many Radical neighbors, under the leadership of a member of the northern Methodist Church, then assembled to hear the Rev. Headlee on the day appointed, and a band of them came armed to the meeting-house. Mr. Headlee, on learning their resolve, asked if he would be permitted to go on his own land, which was not far off. They said he could, and he started off with a shout of the congregation. After going a short distance several of the band came galloping after. One of them shot Mr. Headlee three times with a revolver—twice in the back and once in the arm. He was carried home and died the same night—like St. Stephen, blessing his murderers. He had been an exemplary member of the St. Louis Conference for fifteen years.—Chicago Times, Aug. 2.

Do you want another war? Raymond, distinguished editor of the New York Times, and "Republican" member of Congress from New York, says, that it is the design of the Radicals, if they succeed in the coming elections, to impeach the President, with a view to inaugurate another civil war. Who wants another bloody conflict between American citizens? If any such there be, let them vote the Radical ticket, headed by John W. Geary.

How they favored Soldiers Voting. During the war the Radical Abolitionists prevented the Democratic soldiers from coming home to vote, and yet they claim to be the special friends of this class of our population. If they were in favor of the soldiers voting, why did they not allow all to exercise the right? Why were Democrats prevented who had fought gallantly in defense of the flag, and Radicals only given the opportunity? The truth is, it was power and plunder the Radicals wanted, and they used the soldiers to accomplish their ends. Those who would vote with them were allowed to exercise the elective franchise; those who differed from them were disfranchised. In this way the Radicals favored soldiers voting.

The Radicals are terribly disappointed with the Philadelphia Convention. They were sure something would occur to mar it—something to give them a little capital;—but nothing of the kind took place. They may as well knock under.

Mr. Ross, the Radical appointed by the Governor of Kansas to fill Jim Lane's seat in the United States Senate, hurried on to Washington and was sworn in and served three days. For this his Radical brethren in Congress voted him six thousand dollars and mileage! Just two thousand dollars a day! Working men of Adams county, this is the way the Radicals dispose of your money.

How the Money Goes.—Among hundreds of other useless and extravagant expenditures of the people's money by the Rump Congress may be found the following: Educational Bureau, \$5,000,000; Negro Bureau, \$20,000,000; not counting the regular expense; National Bank interest, \$10,000,000; increased internal revenue, \$10,000,000; Mississippi and Yazoo appropriation, \$50,000,000; Pacific Railroad subsidy, \$60,000,000; &c. A total, in even these few items, of \$173,000,000—one hundred and seventy-three million dollars! How do the tax-payers like it?

The statement of the New Orleans police that, while engaged in arresting riotous persons in front of the convention hall, they were fired upon from the windows of the building, has been corroborated by a large number of witnesses.

About one-third of the Disunion Rump faction voted against the bill equalizing bounties, while not a single Democrat voted against the bill.

TOWN AND COUNTY AFFAIRS.

The COMPILER will be furnished for the campaign—from this time until after the October election—at the low price of Five Cents! Send in the names and the money—single or by clubs. There is an interesting campaign ahead, and no Democrat or Conservative should fail to be posted when the information can be secured for the small sum of half a dollar.

AUGUST COURT commences to-day. The attendance will doubtless be large.

AGRICULTURAL FAIR.—The next Annual Exhibition of the Adams County Agricultural Society will take place on the 25th, 26th and 27th days of September next, at Hendersville.

Col. W. W. Stewart has been breveted a Brigadier General, Capt. H. N. Munnigh a Major, and Lieut. Geo. Kitzmiller Captain—all of this county.

Rev. Dr. J. W. Nevin has been appointed President of Franklin and Marshall College, and Rev. Dr. Gerhart Vice President.

Rev. Samuel Gutelius, some years ago pastor of the German Reformed Church in this place, died at Lykenstown, Pa., on the 17th of July, of paralysis. He was aged 70 years 9 months and 25 days.

Henry Sarnum alias Wm. Sm'th, arrested at Frederick, Md., for stealing Maj. Culbertson's horse, was brought here on Wednesday last, by Sheriff Rebert, on a requisition from the Governor.

Direct from Europe.—We learn that Messrs. Wm. Blair & Son, those enterprising Wholesale & Retail Grocers, have en route from Europe an Invoice of Queensware, which they are importing directly from the Markets across the waters.

We believe this is the first instance in the history of our borough of a direct importation from Europe.—Carlisle Herald, 29d inst.

Clymer's prospects are getting better and better every day. His election is regarded as certain by the shrewdest politicians.

Look out for a crash among the office-holders. Non-commitment won't save one of them. They must come out squarely and boldly in favor of the policy of Andrew Johnson, and the candidates who represent it.

Next to the numbers and enthusiasm of the immense demonstration presented by the National Union Convention, does its harmonious action annoy and irritate the Radicals. They are greatly distressed at the withdrawal of Wood and Vallandigham, and pretend great sympathy for these gentlemen. Before the Convention met they said it was all wrong that such men should participate in its deliberations, and now they are grievously wounded because they say it to remain away. Perhaps, it is to be regretted that these Congressional worthies are so hard to please, but it is extremely difficult to satisfy every one in this wicked world.

The Indiana Register, the old organ of the "Republican" party in Indiana county, declares that it cannot support the nominations made by its party for members of the Legislature. This is only another indication of the fact that the "Republican" party is falling to pieces. Dissension is rife in its ranks, and defeat must inevitably be the fate of its organization. Let Democrats organize and work. The enemy is divided. Now is our opportunity.
