They which the human family was then compelled to at the same time one of the most reliable applications extant.

Having been employed very extensively since its introduction and feeling satisfied of its remedial properties, we recommend it with the utmost confidence, knowing that no one diarrhose set in and lasted about eight weeks.

We had tried all and everything that I could will be disappointed in its use. It is, as its grasp of like a dying person tor my diseases—

The great question was presented to his mip! every day in vivid colors as he moved among the sick and dying, and observed the inefficiency of nearly all the remedies then in the use. Thus he was lead to think and experiment; and after ten years of study and labor, he presented to his fellow man the wonderful and the constant of the properties. In January, 1863, I was brought down again marvellous and astonishing, that the most on my bed, and was not expected to live the flattering marks of royal favor were bestowed
