Intely in insurrection, but insurgent now no longer, to protest against the imposition of unjust and degrading conditions, in the government of a free common-wealth, and gives still firmer assurance

REBELLION HAS BEEN EXPLATED,

For whatever responsibility the South ern people may have incurred in resisting the authority of the National Government and in taking up arms for its over-throw, they may be held to answer, as individuals, before the judical tribunals of the land, and for that conduct as so-cieties and organized communities, they have already pall the most fearful penal-ties that can fall on offending States in the losses, the sufferings and humilia-tions of an unsugeessful war. But what-eyer may be the guilt or the punishment f the conscious authors of the insurrection, candor and common justice demand the concession that the great mass of those who became involved in its responsibility neted abon what they believed to be their duty, in defense of what they had been taught to believe their rights, or under a ISAAC ROBINSON, Gettysburg. compulsion, physical and moral, which they were powerless to resist. Nor can it be amiss to remember that, terrible as have been the bereavements and the losses of this war, they have fallen exclusive- PHILIP HANN, Straban: ly upon neither party—that they have fallen, indeed, with far greater weight upon those with whom the war began that in the death of relatives and friends, - the dispersion of families, the disruption ADAM W. MINTER, Franklin.
of social systems and social ties, the overthrow of governments, of law and of order, the destruction of property and of NICHOLAS WIERMAN, Menallen. forms and modes and means of industry, DIRECTORS OF THE POOR. the loss of political, commercial and moral john nunnemaker, 2 y., Liberty, al influence, in every shape and form john RAHN, 3 y., Conowago, which great calabilities can assume, the States and people which engaged in the war against the Government of the United States, have suffered tenfold more than those who have remained in allegiunce to the Constitution and the laws. These considerations may not, as they certainly do not, justify the action of the people of the insurgent States; but no just or generous mind will refuse to them ment should purgue towards them,

Ayer's Ague Cure,

Ayer's Ague Cure,

FOR THE SPEEDY CURE OF

Intermittent Fever, or Fever and Ague, Remittent Fever, Chill Fever, Damb Ague, Periodical Headache or Ballous He dache, and Billous Fevers, in feed for the whole class of disenses originating in billary deranachement, caused by the Malaria of missmatic countries.

Fever and Ague is not the only consequence of missmatic poison. A great variety of disorders arise from its irritation, in malarious districts, among which are Neuralgia, Rheumatism, Cout, Headache, Billindress, Toothache, Earnche, Catarth, Asthma, Palpitation, Paintul Affection of the Spiece, Hystericks, Pain in the Bowels, Cole, Paralysis, and Detangement of the stomach, all of which, when originating in this cause put on the intermittent type, or become periodical. This "Cure" expels the prison from the blood, and thus cures them all allike. It is not only the most effectual remely ever discovered for this class of complaints, but it is the cheapest and moreover is perfectly safe. No harm can arise from its use, and the patient when cured is left as healthy as if he had nover had the disease. On this bosaid of any other cure for Chils and Fever? It is true of this, and its importance to those offlicted with the complaint cannot beover estimatel. So sure is it to cure the Fever and Ague, that it may be truthfully said to be a certain ranedy. One benier complaints cannot beover estimatel. So sure is it to cure the Fever and Ague, that it may be truthfully said to be a certain ranedy. One benier complaints that it is not a good medicine to sail, because one bottle cures a whole a dishlochood.
