For the Rapid Cure of Coughs, Colds, Hoarseness, Croup, Whooping Cough, Asthms, Difficulty of Breathing, Spitting of Blood, Firs Stages of Consumption, Soreness of the Tulmonary Organs.

This Syrup is an invaluable remedy for the affections of the Pulmonary Organs.

This Syrup is an invaluable remedy for the affectiation and cure of Pulmenary Diseases. It is prompt in its action, pleasant to the taste, and from its extreme mildness, is peculiarly applicable to the use of children and persons in delicate health. As an anodyne expectorant, it will always be found to be beneficial, by aller sixting and arresting the several spells of coughing so distressing to the patient. The afflicted can rely upon its doing of much, or more than any other remedy in soothing the nerves facilitating expectoration, and healing the Diseased Lungs, thus striking at the root of all diseases and eradicating it from the system.

All I ask is a trial of this preparation, as it has no equal in its effects, and never fails to give estimy satisfaction to all who use it. We warrant it in all cases or the money refunded.
