# The Compiler. ÓBÍTVSBULG, PA. Monday Morning, Dec. 21, 1986.

The State of Maryland having freed he self from the tranmels of an infamous minority, is the object of especial hatred to the Radical Disuriorists in Congress States. -Knowing that its minions can never This bill was passed by the House of is made a story, their volence among the per-pared, is said to beso framed as to deprive white men of the elective franchist and to confort the null the norroes of the Nate. Now, however, the mask of hypoerisy to confort the null the norroes of the Nate. is m, pure and simple. The bill, as pre-pured, is said to be softramed as to deprive white men of the elective franchise and to confer it on all the negroes of the state to confer it on all the negroes of the state to according all the states of the bill for reducing all the States of the such athing be attempted, we hope, with to a territorial condition. Should such athing be attempted, we hope, with to y and use as they would desire attempted, we hope, with to y and use as they would desire attempted. Many, no part as they would desire attempted, we hope, with to y and use as they would desire attempted, we hope, with to y and use as they would desire attempted. Agent to such a thing be attempted, we hope, with to y and use as they would desire attempted. Agent to you ne of smoke and yapor, which fatal the sanction of their party. Now, however, the starsk of hypority to meet a ready served. Such at the transformation of the served of the such at the negroes of the states of the port of the entire Republican party. The such at thing is a state of the port of the entire Republicant according to party to you at a territorial condition. Should such at thing be attempted, we hope, with they such attempted to a watching to meet attempted to a watching to meet attempted the served to any automate to any automate the served to any automate to any automate to a rights, and refuse to recognize the des- openly avowed and proglained. potic rule of a set of men who have me more right to dictate to one State than to geneer that it is now useless to recur to every body who is not Radical enough. more right to dictate to one State than to all the rest. Such approcedure would in-volve the destrection of the very form of free government, and no patricite citizen could stand by and see the outrage per-petrated, without lending all his energies to prevent it.

New York Tribune says about 75 freed- formity to our voters, we doubt not that men are sent North weekly by Briga- they will turn from the forbidding prodier General Charles II. Heward, As- ject with loathing and disgust. ristant Commissioner of the Freedmen's Sureau fer the District of Columbia, and proper homes provided for them, of them. No one is phid to hunt up domina and employment for destitute whites, and the Government does not pay their fare to distant points throughout the country. The charity of Congress is exhausted upon "the wards of the nation," as the negroes are ostenintiously styled.

## MANILING THE SUPREME COPRE,

The ingrate, Forney, through his Press and Chronicle, threatens the interference of Congress because the Judges of the Supreme Count have decided the case of
