grusp of like a dying person for my diseasesconsumption and liver chaptaint-but of no It. January, 1863, I was brought down again on my bed, and was not experted to five the night out. My husband stried at my side, and other friends, and they all gave me an to die. At this time every one who saw me did spirited I not think I would ever leave my bed & living wo dan. The first night I was attached with In it was an account of a great cure perform-ed by Dr. Schenck. She read it to me, and it

> On the 27th of January 1863, my husband called on Dr. Schenck, 32-Band Screet, New York, and stated to him my case, with a request for him to call and see me, which he did, and examined me with the respirometer. When he was about to go I asket him if he could cure me? His reply was: "I cannot tell both lungs are discisled, and the bronchial tubes are affected on both sides." And yet he cemed to think that there were lungs enough left to effect a cum if the di crhen could be stopped. He said in arder to do this, he would have to give me Mandrike Pills in small loses at first, to carry off the morbid master, and then, with ustringents, he hoped to check it, which he di l, but the constant coughing, night sweats, and duarther had pros rate i me so that he was atrail my vital powers were too
