where we are the platford in the former, we find the plate of the platford in the platford in

ment to the Considiution abolished significant to the States and Territories. Though it was formerly otherwise in most, if not all, of the old Southern States, yet for many years past free Negroes have not, in any of these, been permitted to yota. At precent, therefore, the late slave States would be entitled to country, in the whole of their former slave population, as a have not in any of these shows a conducted.

The appropriation made for this purpose, at the last session, has been sufficient to meet all expenses of the financial year just closed. And I recommend whatever appropriation may be necessary, to continue and perfect the system under which the country has been expenses of the financial year in any of these, been permitted to you. There can be no doubt that the appropriation to be limited to the limited to the limited to the limited to be limited to the limited to be limited to the limited to be limited to the limited to the limited to be limited to the limited to the limited to be limited to the limited to be limited to the limited to the limited to be limited to the limited to be limited to the limited to the limited to be limited to the limited to the limited to the limited to be limited to the limited to the limited to the limited to the limited to be limited to the limited to the limited to be limited to the limited the whole of their farmer slave popular tion as a justification of their farmer slave popular tion as a justif far representation, justed of three-fifths thereof. That is to say, they would have in the existing ratio align twenty more members of Congress than they had before signery was abolished, and the free States would lose the same number, making a difference of same conducted. There can be no doubt that the appropriation to will be made. Were I to select any State in the treest which I would more warmly commend to your prompt attention and liberality than another, it would be this. All Pennsylvanians are propul of it, and it lies near the hearts of all circuments.

Owing to their greater destitution and many the schools are conducted. inan this? and perfore slavery was abolished, and the freeze states would lose the same number, making a difference of some number, making a difference of some property members of Congress, or, say, pne-sixth of the whole body. In other words, the transon of the rebellous States, or say, pne-sixth of the whole body. In other words, the transon of the rebellous States, the suppression of which has cost us so many hindrody of phones and the freeze of the suppression of which has cost us so many hindrody of the suppression of which has cost us so many hindrody of the suppression of which has cost us so many hindrody of the suppression of which has cost us so many hindrody of the suppression of which has cost us so many hindrody of the suppression of which has cost us so many hindrody of the suppression of which has cost us so the suppression of which has cost us of cost us

and a wise economy in expenditure, will, government.

In my judgment, insure the critic has been an expenditure, within the perfect of the public debt, within the perfect of the public debt, within the perfect of a fifteen years.
