GETTYSBURG, PA Monday Morning, Jan. 31, 1867.

TEST OATHS.

Another Important Supreme Court De-Mion.-Justice Field, on Mouday, delivered the opinion of the Supreme Court of the United States in the lawyers' and Missourl' test-oath cases. Both these oaths are declared unconstitutional, and consequently void and of no effect. This decision removes another of the hindrances placed in the path of constitutional liberty by a usurping Congress, and vindicates the wisdom and patriotism of the Democratic party.

A Washington letter, under date of

Monday, says: morning the Supreme Court room was ident of the United States, especially not be uninteresting to our readers, we well filled with distinguished lawyers, when that officer is backed by the Congive the following.

In a letter from United States is the following. cination of a decision on the test-oath cases before that tribunal. Promptly at 11 o'clock the court was opened, and Mr. Justice Field proceeded to deriver the design of the judges on the quite equal to any emergency in which he may be placed through their lawless has made and learned opinion, the Court held the law to be unconstitutional, because it was ex post facto, and in the nature of a ment over which he has been called to single-fendatial or Representative district in the State does a majority of the judges on the quite equal to any emergency in which he may be placed through their lawless people believed that they had precluded the possibility of such a result, for in no single-fendatorial or Representative district in the State does a majority of the judges on the quite equal to any emergency in which he may be placed through their lawless people believed that they had precluded to see.

It the very first sentence we have an allusion to the Deity coupled with a result of the following bills in the Senate: February, and was a great military chieftain. Proceeding the provided that they had precluded to see.

It the very first sentence we have an allusion to the Deity coupled with a result of the following bills in the Senate: February, and many soon learn how easy it is to wreck an administration, but he will prove was a great military chieftain. Proceeding the provided that they had precluded to see.

It the very first sentence we have an allusion to the Deity coupled with a result of the following bills in the Senate: February, and many soon learn how easy it is to wreck an administration, but he will prove was a great military chieftain. Proceeding the provided that they had precluded to see.

Amount of net earnings, Bills outstanding included in the above halance, \$9,571 65 1,719 05 Amount on hand

-\$7,852 60 I have purchased and put on the road In addition to this, it cost about one-half We are pained to be compelled to more to deliver the ties along the road, The next subject to which the luminous genius of our Governor addresses itself is the military of the State. Here he is quite as much stilted and no more practical than in histalk abouted ucation. The subject was lugged in to enable him again to call attention to himself, as a military genius. Merely that and nothing more.

Much of a muddle as his talk on preceding subjects is, it is not until he begins to debate the tariff that the stupidity of the supaker fully exhibits itself. This with several other smaller items of per-

during the year, showing a net balance of \$5,571 97, which sum was distributed

THE LATEST FASHIONS .- Since the invention and successful introduction of the Celebrated Duplex Elliptic (of double) old Moccasish Tracks:

"Outside, in the rotunda, there was gathered agile a crowd anxiously awail the a rotunda anxiously awail the article would not be the same into entrovers, and this for the the reason gathered agile a crowd anxiously awail the article would not be the same into entrovers, and this for the the reason and child in the rotunda. Among these were a number of prominent Philadelphia politicians of the Radical clatter which was nearly as good as gold to many the same and a states of the Radical clatter which the same into entrovers, and this for the the reason and child in the rotunda, there would not be the same into effect. It is thought that fine reason and the same into effect. It is thought that in the reason and the same into effect. It is thought that in the reason and the same into effect. It is thought the country have given be and a salter which was nearly as good as gold to the same into effect. It is thought that in the reason which which was nearly as good as gold to worthless to the man who would be next to outsile so the man who would be next to outsile so the man who would be next to outsile so the man who would be next to outsile so the the area on the reason and the reason of the Radical clatter who the same into effect. It is thought that fine reason which were would not be the same into effect. It is thought that the reason and a constituents, for Gov. Curtin. With the reason and an extendent of the Radical clatter who the same into effect. He shadely of the Radical clatter who the weld as the fine of the Radical clatter who the same into entropy closely the country steps and the part would not even an uniform the two will also an element of the reason which well as an even the carried the would not be the same into the the reason and as a constituents, for Gov. Curtin. With the reason and as a constituents, for Gov. Curtin. With the reason and as a constituents, for Gov. Curtin. With the reason and as a constituents, for Gov. Curtin. With the world and the same will also any c flames swept through these buildings, destroying at least one-third of the valuable plants, many of them of the rarest character of foreign origin. Horticularists and flotists express the opinion that the collection could not be replaced for years, and not even then without a cost of hundreds of thousands of dollars. The buildings are damaged to the extent of probably twenty thousand dollars. and neat. Published every Saturday, at these objections. Notwithstanding the \$2 per annum, strictly and always in ability of the manufacturers. Messrs.

Wests, Bradley & Cary, to turn out over six thousand Skirts per day from their large Manufactories in New York, they food obliged to request all mornhaute or ture met at 3 o'clock on Tuesday, and feel obliged to request all merchants or-dering the Duplex Elliptic Skirts, to elected Simon Cameron as United States send their orders a few days before they
