

GEORGETOWN, PA., Wednesday Evening, March 15, 1887.

COUNTY COMMITTEE MEETING.

Hon. E. J. Fisher recommended the Supreme Judge.

The Democratic Committee of this county met at Wolf's hotel in this place, on Friday last.

Hon. Wm. McBerry, Representative Delegate to Judicial Convention; Wm. McMillan, Esq., Senatorial Delegate to 35th Convention, and Messrs. W. S. Hildebrand and F. N. W. Bowers Representative Delegates to the same.

The following resolution was unanimously adopted: Resolved, That we recommend to the Democratic Judicial Convention Hon. JOSEPH J. FISHER, for the position of Associate Justice of the Supreme Court of Pennsylvania.

A gentleman of integrity, a scholar ripe in legal knowledge, and a patriot untiring in his devotion to the best interests of our common country—eminently qualified in every respect.

What are we coming to? Are the white men of this nation sleeping, or have they yielded up all manly independence?

There seems to be no end to the bills where trials for crimes are to be taken from the Democratic counties.

REJECTING THE WIDOWS OF SOLDIERS.

The "soldiers' friends" of the Rump Senate appear to entertain very little respect for soldiers' widows.

Among the batch of rejections by that dignified body on Friday was Mrs. Elizabeth H. Humphreys, as Post Mistress at Coatesville.

There were no complaints against her official capacity, for there could be none, but a few negro-equality politicians of Coatesville demanded her rejection.

The majority of the impeachment committee made a report to the Rump House on the 24th.

Hon. A. J. Rogers, in the minority, says, in his report: "I have carefully examined all the evidence in the case and do report that there is not one particle of evidence to sustain any of the charges which the House charged the committee to investigate."

TOWN AND COUNTY AFFAIRS.

THE SPRING ELECTION.—We would remind our Democratic friends throughout the county, that the election for township and election officers takes place on Friday next, (the 17th inst.)

It is important that every Democrat should give this election his whole attention, and see that good trusty men are elected to fill the different offices.

It is often through the apathy of our Democratic friends that Abolitionists are elected to fill some of the offices in township, which they are strongly Democratic.

There is a grand rally on the part of the Democratic and conservative citizens in support of men who will favor a white man's government.

Another Railroad.—We are told that the Maryland Legislature has passed a bill for the construction of a Railroad from Washington city, through Frederick city, to the Pennsylvania line.

Gas Company.—The annual election for President and Managers of the Gettysburg Gas Company took place on Monday evening, and resulted in the choice of the following gentlemen: President, M. Jacobs; Managers, J. B. Dunner, H. D. Waddell, E. G. Fahnestock, T. D. Carson, A. D. Buchler and Wm. A. Duncan.

CHILD DROWNED.—On Monday last, a child about four years old, son of Wm. O'Brien, was drowned at Francis Coe's saw-mill, in this county.

LECTURES.—Prof. Delancy, of Philadelphia, will deliver a series of four lectures on Rome and Athens, modern and ancient, Italy and Pompeii, Egypt and Nineveh, the Catacombs of Rome, or tour through Europe, in the College church.

The gentleman comes highly recommended, and cannot fail of giving universal satisfaction.

BRINKERHOFF'S CORN SHELLER.—From a careful examination of this machine, the other day, we are convinced that it is not to be excelled.

STAMPS ON NOTES.—An exchange of five cents for each \$100 or fractional part thereof.

INTERNAL REVENUE.—The President signed the amendatory Tax bill on Saturday week.

Arrested.—On Sunday evening officers Rouzer and Herster arrested a man named Charles Martin, on suspicion of being the person who forced an entrance, some weeks ago, into the warehouse of Mr. Sheely, at New Oxford, and rifled the safe of a sum of money.

Singular.—The York Press says:—We learn that a hog nine months old was killed by J. B. Sykes, of Shrewsbury township, York county, which weighed, when dressed, but seventy pounds.

Married.—On the 26th inst., by Rev. Joseph Sheery, Mr. NICHOLAS C. BENDER, of Adams county, Pa., and Miss LYDIA F. daughter of Daniel Sheffer, of Adams county, Pa.

A BROAD HINT.—We owe a number of people who say they want their money between this and the first of April.

It would afford us much pleasure to accommodate them, but to enable us to do so, our friends in arrears must promptly pay up. We got rid of our old "bounty" debt the other day, but it took our old winter's earnings to reach it.

In this "dilatatory" condition of our finances, we must be excused for calling on ALL indebted to give us an immediate "lift"—not months hence, but now.

Those who have received written "dues" are earnestly urged to give them their immediate attention. "Delays are dangerous."

"J. N." NOT DEAD.—Not a bit of it! He writes us from Washington city under date of March 5, that "sympathy is still sufficient to lift the veil which enshrouded" him...

Fixe Pig.—Mr. Elias Spangler, of Arendtsville, recently slaughtered a pig seven months old which weighed 250 pounds! This is another gratifying evidence of improvement in the hog stock of this county.

Advertisements continue to encroach on our reading-matterspace; friends, we shall make room presently, in one way or another.

Sheriff Hann removed with his family to the Jail on Tuesday last, the "blitting" was an unusually large one, and very pleasant.

The State Senate has passed a bill to incorporate the Gettysburg Asylum for Invalid Soldiers.

Government Property at Private Sale, consisting of all kinds of Harness, etc., advertised in this issue by Messrs. Pitkin & Co., of Philadelphia, New York and Washington, D. C.

Hoop Skirts of a Superior Quality, "Hopkins' own make."—New Spring Styles, advertised in this issue. Ladies make a note of the fact.

Circular Democratic sentiments, by subscribing for the Gettysburg Compiler.

ALLEGED HEAVY BANK DEFEALCATION. (From the Baltimore Sun of Monday.) The business community generally was considerably exercised on Saturday by rumors of a heavy defealcation having been committed by the Mechanics' National Bank.

DR. DEWEY'S GOLDEN PERIODICAL. (From the Baltimore Sun of Monday.) The business community generally was considerably exercised on Saturday by rumors of a heavy defealcation having been committed by the Mechanics' National Bank.

THIEF.—The residence of Mr. J. M. Rowe, on High street, in this place, was entered on Thursday night, by some evil disposed person, and a small quantity of money, with a purse, a breast pin and several finger-rings, taken therefrom.

BRINKERHOFF'S CORN SHELLER.—From a careful examination of this machine, the other day, we are convinced that it is not to be excelled.
