She pestores to happiness those who, from doleful events, estastropines, crosses in love, loss of relations and friends, loss of money, dec, have become despondent. She brings together those long sepurated, gives information concerning absent friends or lovers, restores lost or stolen property, tells you the business you are best qualified to pursue and in what you will be most successful, causes speedy marriages and tells you the tractices and characteristics of the person. She grats you very thoughts, and by her-almost supermatural powers unveils the dark and hidden mysteries of the future. From the stars we see in the firmament—the malefic stars that overcome or predominate in the configuration—from the aspects and positions of the planets and the fixed stars in the heavens at the time of birth, she deduces the future destiny of rann. DEPABATOR CAPILLI.

The For restoring bair upon hald heads (from whatever cause it may have fallen out) and forcing a growth of bair upon the face, it has no sequal. It will force the bearded ogrow upon the smoothest face in from five to eight weeks, or hair upon baid heads in from two to three months. A few ignorant practitioners have asserted that shere is nothing that will force or hasten the growth of the hair or beard. Their assertions are false, as thousands of living witnesses (from their own experience) can bear witness. But many will say, how are we to distinguish the genuing from the spurious? It certainly is difficult, as nine-tenths of the different Preparations advertised for the hair and beard are entirely worthless, and you may have already thrown away large amounts in their purchase. To such we would say, try the Reparator Capilli; it will cost you nothing unless it fully comes up to our representations. If your Druggist does not keep it, send us one dollar and we will forward it, postpaid, together with a receipt for the money, which will be returned you on spplication, providing entire satisfaction is not given.
