These Instruments stand unrivalled by any thing found in this country or in Europe, as is admitted by all impartial judges. The most eminent Pipe Organ Builders and Performers, the last to discover excellence in reed Tone, pronounced them vastly superior to all others for exceedingly quick articulation and round Tone, the essential feature in instruments of this class. We invite the severe scrutiny and criticism of all.

Association, October 6th, 1866. OHO AND BUCKEYE PATENTS. At the great trial of Reapers and Mowers at Auburn, N. Y., in July last, by the New York State Agricultural Society, this Machine was awarded the preference over all others in Class No. 5. This class was the mest important of any, as it embraced Mowing and Hand and Self-raking Resper to the same Machines This Machine has been awarded Medals and-first Premiums by the Pennsylvania and lowa-State Fairs, and by hundreds of County Fairs in all parts of the country. This Machine took the first Premium at the Adams County Agricultural Fair beld at Bendersville, Sep-

tember, 1866. Also, BALL'SCHIOL RUSSEIA'S SCREW TOWER Both first-class Machines, paving sold a number of these Machines in the last three years.

They have given general satisfaction where versured. We ask farmers to call and examine these coschines before purchasing alsowhere; me they will be able to make a better selec-tion. We could produce quite a number of certificates from some of the best sermors in the county, but deem it unnecessary, as we warrant these machines to give satisfaction with a fair treat, or no sale. Insured for one

season. Extras always kept on hand. We have made arrangements to have repairing done when needed at any time and on moderate terms. With the shore we have for sale a number

of valuable Farming Implements. SULKY CORN PLOUGH, Can be used for ploughing and cultivating corn—finishing one row at a time. Can also be used for leosening up corn ground or putting in seeding. By raising the front showels it can be used for marking out corn ground—

ORN SHELLER, SEPARATOR
AND CLEANER,
The undersigned would inform the Agricultural public that he has purchased from the Patentee of this extraordinary muchine, the Patent Right for the States of Pennsylva nia and Maryland. mine Brukethoff's Corn Sheller, Separator and goods and prices. He guarantees to sell every Cleaner, is pronounced the best machine of thing in his line at exceeding low figures. Count the kind in this country. And in proof, it and see, to gratify your currisity, if you do the kind in this country. And in proof, it not want to buy. No trouble to show goods, may be mentioned that the "Advisory Committee appointed to select Implements for ex-

hibition at the Universal Exposition in Paris,

in 1867, have selected this Sheller as the best in America," and at the request of J. C. Derby U. S. Agent, a machine has been shipped to Paris for exhibition.

The fact may also be stated that at the reat trial of Agricultural Implements, at Auburn, N. Y., in July last, under the auspices of the New York State Agricultural Escicty, the Brinkerhoff Coro Sheller, Separator FLOUR, GRAIN, GROCERIES, &C. and Cleaner was reported by one of the most competent Committees as the nest Corn Sheller out. They say, We have carefully examined, and thoroughly tested this machine, and have it ino hesitation in pronouncing it the best Cerse' Sheller we ever sun." The report is signed by such men as John Stanton Gould, President N. Y. State Agricultural Society; B P. Johnson, Secretary to same; Solon Robinson, Ag-ricultural Editor N. Y. Tribune; S. Kdwards' Toud, Agricultural Editor N. Y. Times.

From among many complimentary persons per notices, the following, from the New York Observer, is deemed sufficient: "Among all the Hand Cora Shellers made in New York and Albany—and one single firm manufactures more than 10,000 annually -- not one can enter the circle with the Sheller Soluble Pacific Guano, Rhodes' Phosphate and just invented by J. Brinkerhoff, Anburp New A. Mexican Guano.
Whits they say the highest market prices for York. It shells, separates and cleauses, rap-A Mexican Guano, Rhodes' Phosphate and Just inverted by J. Etimberton, Anburpy New A. Mexican Guano.
