The Tribolantiong the Morgnons.—The present troubles among the Sult Lake present froubles among the Salt Lake Marmons as traceable to the old feeling between the descendants of Joe" Sahth, the first prophet of the sect, and Brighum Young, the existing high priest. Joseph Smith, Jr., son of the founder of Mormonism, and at present identified with the "Western Mormons," is the leader of the revolt against Brigham, and he has been joined by Hyde, Lyman, and Pratt, of the "twelve apostles." It is worthy of note that those who adhere to Smith regard the pretended revelations of Brigham Young in favor of polygamy, blood ham Young in favor of polygamy, blood stonement, and other innovations, as wicked impostures. His movement a-gainst the great Mormon oligarch may, therefore, bring about the desired solu-tion of the troublesome question of poly-Kamy.

Official-Paris Exposition, 1867. Advices just received by mail enable us to an nounce positively that the only gold modal for American sewing machines was awarded to Elias Howe, Jr., as the manufacturer of the best sewing machine that was exhibited. There were eightytwo different machines in competition for the prize, and Mr. Howe received the additional award of the Cross of the Legion of Honor, as manufacturer and inventor. The exact wording of the award is as follows:

How E MACHINE. WHEELER & WILSON. "Co-operateur Ellas "Wheeler & Wilson, Howe, Jr., promoteur de pour la machine a bouta machine a coudre tonniere. Medaille Cor." The official list of those who were made Knights

W'E take pleasure in announcing to Dealers in W' Fertilizers, and the Agricultural public, that we have within the past year increased our facilities for the manufacture of our Raw Boxe Prose-Pilate, to an extent unequalitied by any other House in the United States or Europe. These facilities not only include the enlargement of our old established works in Philadelphia, known as the DELAWARE RIVER AGRICULTURAL CHEMICAL WORKS, but also the purchase of extensive and well stocked works at this ago, ill, with all the necessary machingry, cars, &c., to conduct the business. This establishment alone has produced, annually, over 5,000 tone of dried Bones and Mont, and is capable of being largely increased. We desire, by the closest supervision, to conduct these two concerns so that our customers will derive a practical benefit from their consolitation, in obtaining a MANURE which shall maintain a standard and uniform quality, and at the lowest possible price.

BRINKERHOFF'S Corn Sheller, Separator and Cleaner.

· C. H. BUEHLER.

THE undersigned would inform the Agricultural public that he has purchased from the Patantee of this extraordinary machine, the Patent Right for the States of Pennsylvania and Maryland.

Brinkerholf's Corn Bheller, Separator and Cleaner, is pronounced the lost machine of the kind in this country. And in proof, it may be mentioned that the "Advisory Committee appointed to select Implements for exhibition at the Universal Exposition in Paris, in 1887, have selected this Sheller as the best in Americs," and at the request of J. C. Derby, U. S. Agent, a machine has been shipped to Paris for exhibition. The fact may also be stated that at the great trail of Agricultural Implements at Augura, N. Y., in July last, under the auspices of the New York State Agricultural Society, the Brinkerhoff Corn Sheller, Separator and Clemor was reported by one of the most competent Cornelities as the best Corn Sheller out. They say, "We have carefully examined and thoroughly tested this machine, and have no hesitation in pronouncing it the, best Corn Sheller we ever size," The report is signed by such men as John Stanton Gonfd, t 3, 4 and 5 per cent., according to length of time the, best turn Smitter we ever sine." The report is signed by such men as John Stanton Gonfid, President N. N. State Agricultural Society; B. P. Johnson, Secretary to same; Solon Robinson, Agricultural Editor N. Y. Tribune; S. Edwards Todd, Agricultural Editor N. Y. Times, From among many complimentary newspaper notices, the following from the New York Charges is decayed au filebatt. per notices, the following, from the New York
Observer, is deemed sufficient:
"Alreang all the Hand Corn Shellers made in
New York and Albany—and one single firm
