49TH YEAR .-- NO. 49.

-----

LETTER FROM PITTNBURG. PITTSBURG, Aug. 28, 1867. Dear Compiler :- I cannot help expressing to you my hearty congratulations upon the enlargement of your paper. It, themselves to the highest bidder. no doubt, has cost you much money and

you will be more than repaid for the reckless; in his case the more drams the outlay by the consciousness of having done a good work, and the gratification of your desire to increase your facilities for the spread of the right kind of principles. You will have also the more substantial compensation of a more extendin the street-beat a big drum. To as-large a country paper as any in the State, just as they had got a young man sewed and one which does not compare unfavorably with our city papers. It is esswered, "I can't sartin say; but it is surely better than being raised by it." -- "Aunty," said a three year old one tracks, which the winds obliterate, as a the public acts-those little baby tracks, which the winds obliterate, as a the public acts-those little baby tracks, which the winds obliterate, as day, "I don't like my aprons to be well as those deeper indentations on this to his heels and made the tallest time on

to rob this chicken roost, Dick?" "Dat's the tale there told-deep may be the grief that been opened to allow the ingress of occasioned by the sad news! From the the pure, morning air, suddenly and sim-

And there are the "locals," which one notice that seems to be stuck in merely to fill out the column. The advertisements are "locals" to him, for there he and only means of defense. Nearer and learns not only who promises the most and nearer came the locomotive, while

friends are doing. Our city is dull, though the slight revival during the last week or so we take as an earnest of a much better time coming. Even the political horizon has not assumed a very stormy appearance-not much more than the usual crimination and re-crimination. The monopoly of the two deposed potentates, Ex-War Secretary and Ex-Satrap of 5th Military

District, has subsided. Four or five coluning daily are devoted to the explana-

DAN RICE, the well-known circus man, remitted, in settlement of an account, to Grant is "opposed to the President." just voted against Republicanism in

in the Radical platform a resolution de manding that a tax be laid on every foreigner landing at our ports. The leaders were perfectly willing to have any amount of clap-trap to catch their votes, such as Tariff, Homestead, &c., but a broad, plain, unequivocal plank like that, they could not go, and voted it down. The laboring men have had nev-eral meetings, and insist on candidates devoted to their Intefests. Temperance lemands that its tenets be carried out, and the lager beer men will not allow its indulgences to be interferred with. The managers will, as heretofore, get men who will promise everything, and after election, as they must disappoint some one, conclude to disappoint all by selling not see just how all these discordant elepains, and has been the cause of much ments will be reconciled, though the earnest solicitude, as to the success of the "Sir John Veseys" are plenty, and the enterprise. But I am satisfied that you people are easily humbugged. But I can safely lay aside your anxiety, for have said much more than I intended.

Yours, &c.,

A MAN IN A BACK AND A MAD BULL COMING. - Three or four citizens of Peekskill, says an exchange, made a very narrog escape from a perilous situation a ed circulation and an increased demand few days ago. They belonged to the for advertising, as well as better facilities sporting persuasion, and wished to know for putting up job work with that near-exactly what time could be made by a ness and promptness which an increased man sewed up in a sack, and to secure a patronage will demand. You have now basis of safe betting they repaired to a the consciousness of issuing, weekly, as distant field of a wealthy citizen, and up in a sack they heard a rumbling noise in the distance. They took it for distant vorably with our city papers. It is the thunder; but looking weatward on the pecially pleasing to us, who have a warm them saw the dust and turf flying high. Side and a ready car for everything that them saw the dust and turf flying high. In the air, as if lifted by a tempast; and in the air, as if lifted by a tempast; and in a moment more, a mad bull, rearing A county paper is a history of the coun-ty, much more minute than histories and pawing the sod, came tearing down generally are; for it gives, to some ex. in the direction of the company of sports. attriched so much. So much starchness life-course, which are "foot-prints on the starches seratch my bare-makes the stiffness scratch my bare-ness." exact day upon which the future citizen the poor fellow sewed up in the sack, ments, when she has made them smooth by she understood he was an artful anxious eye and cager curiosity to those and the whole party, to their infinite joy,

AWFUL RAILBOAD CASUALTY .-- Asthe North, a few mornings since, when it "in the eightleth year of his age," or "infant daughter of \_\_\_\_! Sad may be had arrived near Freeport, the windows stoutest heart and sternest eyes truant ultaneously came down with a startling tear may start ; yet who would not read crash. This was occasioned by the influx the who would be ignorant? "That form, of a peculiar and unendurable odor, al-that he once knew, he will know no most sufficiently the passengers by its more forever." I cannot help but ex- pungency. The occasion of this was afclaim-"Breathes there a man with soul terwards explained by the conductor of the train. It seems that a lively little animal, noted for its offensive breath, reads because he was "there and saw it," popularly known as a skunk, taking ar and another reads because he "was" (early walk for exercise, had found itself there and *didn't* see it." Then there are the 'jokes' for the young folks, the 'nothe "jokes" for the young folks, the "po etry and romance" for the ladles, and one of the rails, and with the eye of a the advertisements for the business and general surveyed the advancing foe. The world. But the "wanderer from home and friends" reviews everything, from the opening prospectus to the last little sheled bit between and the skunk marshaled his batteries for the coming battle, bringing into requisition his natural

"candy for a cent," but what his old with steady eye and well-balanced tail, the assailed made ready, took aim, and -fired! Heavens, what a perfume floated on the morning air! No one but a passenger upon that train could imagine. His skunkship had fought well but not wisely; another moment and the remorseless wheels of half a dozen cars had passed over him, and nothing was left of the brave defender of his natural
