THE REACTION.

The change of fortune in the comparative small States of Maine and California, is extremely significant. It is an early and startling symptom of the deep reaction in sentiment which is sweeping over the people.

They alone are accountable for the prostration of your business interests. They have deliberately sacrificed them in order to place in the hands of Southern negroes, the balance of power in the Republic, and thus preserve their rule.

Radical mismanagement, a negro policy, and radical extravagance, weigh down our energies and fetter our resources. The whole expense of the War Department in 1860 was sixteen and a half million dollars.

It is no exaggeration to say that Mr. Heltzel, by his personal influence and appeals, secured votes enough to carry the bill through the lower House.

It is their purpose to violate the great principle, "that each State has the right to determine the qualifications of its own electors."

On Monday week, Gov. English, of Connecticut, went to Mr. Haigt, the Governor elect of California, the following congratulatory note on the triumph of right government in the late election in that State:

Witness present: A. MARK ABRAHAM SOWERS, H. J. MYERS, State of Pennsylvania.

ADDRESS OF THE DEMOCRATIC STATE CENTRAL COMMITTEE.

We copy the following from the Hand-over-Spinner: The Gettysburg Star and Sentinel calls on the people of Adams county to elect Republican members to the Legislature.

THE MAINE ELECTION.

The election in this State on Monday was one of the most remarkable in the history of the State. It demonstrated, even more emphatically than California the week previous, the irresistible popularity of the Democratic party.
