ANECDOTE OF VELPAT.

An anecdote is told of Velpau, the eminent French surgeon, who died a few years ago. He had successfully performed, on a little child five years old, a per-

with my own hands."

me, therefore, to refuse your charming little present, in exchange for a more substantial remuneration." "But, monsieur, what remuneration

do you desire? Fix the fee yourself." "Five thousand francs, madame." The lady very quietly opened the bookt-book, which contained ten thousand franc notes, counted out five, and politely handing them over to Velpau, retired.

A NEGRO named Ephe, who was a reguone day, while his master's son, a lad and now and then asking questions.

"Which of the apostles do you like et?" asked Ephc. "Well, I don't know," drawled the boy.
"I likes Samson," said Ephe; "he was

so strong, and piled up dem wicked folks "Why, Ephe," replied the boy, "Samson wasn't one of the apostles." Ephe put down his saw, and looked at

the youngster a moment in amazement.

umph: "Look here, white boy, how old am ries of dreams? you?" "Twelve," replied the boy.

"Well, I'se forty; now, who ought to know best, I ax you dat?" VERY DRY JOKE. - In Easton, Pa., the ther evening, just as a performance in

the public hall was about to end, two vags put themselves in front of the door way with an umbrella and waited for the outcoming crowd. It was not raining at all, but when the first persons of the audience had reached the door and een the warning umbrells, scores of hands were thrust out, coats were butoned closely, and dresses taken up, while quite a number remained in the hall, refusing to come out on account of the rain. The "sell" was complete.

MAKING AND EXPENDING MONEY .-'Well Jim, how did you make it down

South ?" "First-rate. Made plenty of money." "What did you do with it?" "Laid it out in houses and lots." "Where?"

"Every place I have been where there were any. "What kind of houses and lots?" "Coffee-houses, and lots of whiskey."

WAGGS went to the depot of one of our ailways the other evening, and finding the best car full, said in a loud tone: "This car isn't going !" Of course these words caused a general in vain; this is sometimes so, but I have the equal (so far as the law is concerned) of the white man, but infinitely his sufficient words of In the mast any latest market or the new soon moved off. In the mast.

"You said this car wasn't going?" "Well, it wasn't then; it is now!" The "sold" laughed a little, but Waggs came near getting a good thrash-

THE quality of California wheat is unequalled. During the growth of the kernel, no rain, not even a dew, moistens it. It can be transported around a single musketeer to fite a man and the globe without injury. In England ts use is fast becoming a necessity. Mixed, half and half, with the damp, when you can. But, in striking them, nishes a bread greatly superior to the you are very apt to hit the exact place neavy, unpalatable loaves made of purey English grain.

A GENTLEMEN once asked a little girl. n only child, how many sisters she had, and was told "three or four." Her mother asked Mary, when they were alone, what had induced her to tell such pense. Sometimes of course the day an untruth.

poor that you hadn't but one child."

NEGRO MAJORITY, 87,500! Add to the above 30,000 for Tennessee; and the total negro majority reaches 117,-

Is this what STEPHEN A. DOUGLAS meant when he said:

when he said:
"I will say that I am not, nor ever have been, in favor of making voters or jurors of negroes, or qualifying them to hold office, nor to intermary with white people; and I will say in addition to this, that there is a physical difference between the white and black races, which I believe, will forbid the two races living logether on terms of social and political equality."

HOW IT WORKS.

The Altoona correspondent of the Cambria Freeman furnishes that paper with the following incident of the workings of the law passed by the last Legislature permitting "American citizens of African descent" to occupy any railroad car or sent thay please. The state of the property of the state of the property of the should make a note of it:

"A somewhat exciting incident occurally, his teathers standing all wrong. In vain is his food changed, and in vain is his food changed, and in vain is another saucer of clean water always, shelp in his cage, and all that kindness are suggest for the little prisoner done, but still all is of no use, he is no better, because the cause of his wretchedness, beause the cause of his wretchedness in a pet in such difficulties will take down the cage and look up to the voof, there will most likely be seen a mass of stuff looking as much like red rust as anything, and thence comes the cause of the poor bird's uneasiness. The red tust or consists of myriads of parasites infesting the bird, and for which water is no remised. By procuring a lighted candie, and holding it under every particle of the top of the cage till all chance of anything being left alive is gone, the remedy is complete. The pet will soon brighten up again after his "housewarming," and will, in his cheerful and delightful way, thank his master or mistress for this important assistance.

The difference of clean water always, thank his master or mistress for the intermediate of the particle of the top of the cage till all chance of anything being left alive is gone, the remedy is complete. The pet will soon brighten up again after his "housewarming," and will, in his cheerful and delightful way, thank his master or mistress for this important assistance.

The difference of clean water always in the time with the find the cars provided to the purpose of dlining, and the cause of the purpose of dlining, at the time the cause of the particle gent in the care of the provided to the would oblige him by vacating his seat, but the "multed gent man" replied the would oblige him by vacating his seat, but the "multed gent man" replied the white gent finding that moral suasing was of no use, concluded to try what vir. A PROTEST AGAINST SEGRO JUNOUS. Governor Orr, of South Carolina, has

addressed a very sensible letter to Presideut Johnson, praying that the order of Gen. Canby, permitting only registered voters to serve on juries, may be revoked. In speaking of the effect of this order, he

and write.

To sum up, there will be in twenty-three districts of this State a majority of colored jurors for the trial of all classes of cases, civil and criminal, and only five per cent. of their number will be able to read or write. Does any country which has established the right of trial by jury, fail, by its legislation, to secure a proper degree of intelligence among the jurors.

THE Cleveland Herald, in an article

meant when he said:

"I hold that this Government was made on the white basis, by white men, for the benefit of white men and their posterity forever, and should be administered by white men, and none others. I do not believe that the Almighty made the negroty albeit of self government."

Is this what Abraham Lincolnmeant when he said:

"I will say that I am not, nor ever have been, in favor of making voters or jurors of negroes, or qualifying them to hold of five, nor to intermarry with white paople; and I will say in addition to this, that there is a physical difference between the white and black races, which I believe white and black races, which I believe will topid the two areas birnel agents.

THE Cleveland Herald, in an article upon the recent election in Ohio, accounts for the defeat of the negro-suif-trage amendment as follows:

There was a very heavy vote polled against the amendment by young men—particularly such as were casting their lites to even private of sheer prejudice against the negro; an unreasoning impulsed the two properties of opinion and ambition to be thought independent in political sentiment than of any settled conviction of duty. Personally these voters cared but little about the matter, and did not care to use any argument, save that they will topid the two areas birnel packers on

It is true that the young men in all parts of the Union are opposed to negro.

suffrage and negro equality, but the Herata is mistaken in supposing that this course is not dictated by a "settled conviction of duty." The young men are just starting on the race of life, and may have occasion to travel by rail opposed to working side by side with negroes in the workshops, and clerks pre-fer white courades in the countingroom. White lawyers are not in favor

SENATOR WADE, of Ohlo, and Thaddeus Stevens, of this State, can justly lay claim to the gift of prophecy: both proved true prophets with reference to home results. Stevens said his party would lose Pennsylvania on account of their notorious corruption; and Wade CARRYING OUT HIS PRINCIPLES.—A said the "d-d nigger and the G-d d-d Lancaster county, giving the name of S. will catch the divine fire from these C.
