AFTER ALL. BY WILLIAM E. FABOR.

In the sleep that comes to all, lives it matter what befall...

All the glory, all the gain, All the pleasure, all the pain...

There'll be sunshine on the shore, There'll be footstep at the door...

What a sad mistake it is to suppose that a man should be gloomy because he is devout...

These are the people of whom Hood says: "They think they're pious when they're only bilious!"

A good man is almost always a cheerful one. It is fit that had been so...

The sufferer from these ailments can exercise the greatest relief in the selection of a remedy...

WHAT DID PAUL SAY? Many years since there lived in Virginia a Baptist preacher...

Though uneducated, he was a sound thinker and eloquent speaker...

For many years it was observed that B. neither preached nor conducted the meeting when held at his house...

When I was much younger than now, I met, not long after the commencement of my ministry...

There is a secret of unbelief amongst some men that God is displeased with man's happiness...

These are the people of whom Hood says: "They think they're pious when they're only bilious!"

A good man is almost always a cheerful one. It is fit that had been so...

The sufferer from these ailments can exercise the greatest relief in the selection of a remedy...

THE FAMINE IN ALGERIA. The famine in the French colony of Algeria is accompanied by the most horrible cases of the sacrifice of human beings...

One incident recalls vividly to mind the account given in Scripture of the siege of Samaria by the King of Syria...

When I was much younger than now, I met, not long after the commencement of my ministry...

There is a secret of unbelief amongst some men that God is displeased with man's happiness...

REPUTATION OF GRANT. The Radicals embraced the picture of Grant on their tickets in New Hampshire and Connecticut...

Yet when an important election took place in the metropolis of his own State, Chicago, Grant had been overblowing...
