The Radical nominations create no enthusiasm. The names of Grant and Colfax fall flat upon the public car. We predict that the Democratic candidates chosen at New York on the 4th of July Sans. Colfax fall flat upon the public ear. We chosen at New York on the 4th of July will electrify the white masses, and that Victory will perch upon our banners in November. But the campaign will be an active, a working one. No effort will, be spared, as none should be, to rid the country of corrupt, tyranulcal and destructive Radicalism. In this glorious work the COMPILER will take a full hand. In nothing that the editor can do, or his means afford, will it be behind to enable us to do the more good, we have reduced our rates for the campaign (until after the Presidential elec-tion) to the following low figures: Single copy, 75 cents; Five copies, \$3;

Ten copies, \$5.

Ten copies, \$5.

As hearthers, any one of our present subscribes, and larg us the name of a new one, with \$2 in cash, will receive a credit of fifty capts on his own subscription.

Democrats - Conservatives - all in favor of White Men ruling Americacome up to this work at once. Spread the truth everywhere! Spread it now!

"We denounce all forms of repudia-tion as a national crime."—Chicago (Rad-ical) Platform. How about the payment of the interest

on our State debt in greenbacks when the bond called for specie? That was Rudical action. Was it or not one of the 'forms!! of repudiation? THE Radical leaders have advised

Grant to leave Washington, and he is going out to the Rocky Mountains. This is done with a view to get him out of the reach of pestering politicians, who, at is feared, will get him to talk about something eise than horses and Marshai Brown's pups.

THE Oregon election shows how Grant and imperchment "take" on the Pacific coast. Usant was urgent in favor of the impeachment of the President, and the Oregon Senators voted for it. They have been tried by their constituents and condemned. That verdict is as directly against Grant as against them; it repu-

FORNEY'S Philadelphia Press contemptuously speaks of General McClellan as the author of "all quiet along the Potomac," but it fails to add that this quiet was not the lasting rest resulting from the loss of 117,000 men out of 220,000 in Grant's disastrous march from the Rap-Idan to the James.

FLORIDA la to come into the Union with a Governor from Wisconsin, a Congressman from Pennsylvania, United States Senators from the Eastern and Western States, and a local Legislature anade up of negroes and carpet-bag men, selected "from all the world and the rest of mankind."

THE State Guard reiterates the assertion that the money "is in bank with which to buy a Republican election of United States Senator" in Pennsylvania next winter. "If half that the Republicans have told us about the venality of their own members of the Legislature be grue, the only safe course for the people is to elect Democrats who cannot be purchased, and thus redeem the fame of this good old Commonwealth.

THE Radical party is evidently getting alarmed at the prospect of losing their influence over the soldiers. Several re-cent occurrences indicate that the soldiers PATRONIZE THE BEST! have become fully aware of the monstrous frauds practiced upon them dustag the war and since, and wherever they have been permitted to handle the ballot it has been on the side of conserv-ntism. This fact is doubtless the secret of the recent movement in Congress to arm the negroes in the South, and thus dispense with the "white trash" as our country's defenders

glemen, aping their leader.

dispense with the "white trash" as our country's defenders

"LET us have peace," say Grant's fuglemen, aping their leader.

Who hinders you? You have Contress by more than two-thirds in either tranck. The President is not in your way, for you can and do override all his retoes. The Supreme Court is not in our way, for you can and do abridge is jurisdiction. The army is not in our way, for you have created Grant

and country.

THE LADIES

Are particularly requested to try our popular club system of selling all kinds of DRY AND KAYCH GOODS, WATCHES, &c. (Established 1841). A patent pen fountain and a check describing an article pen fountain and a check describle plants of the pen fountain and a check describing an article gress by more than two-thirds in either branch. The President is not in your way, for you can and do override all his your way, for you can and do abridge your way, for you have created Grant military dictator in the Southern desert which you have made in ten States and call peace. These powers you have and have had for three years, thus utterly unimpeded have you begin on every hand. If you wanted peace why didn't you give us seeze?—World.

DROPOSALS will be received by the Board of School Birneltons of Hamiltonian township, until the Schi day of JULY instant, for the purchase of HUILDING A NEW SCHOOL HOUSE in Fairfield.

The Board will meet at 1 o'clock, P. M., on said any, togive out the work. Specifications can be seen by earling out the Fresher to the Board.

Chas J. Septon. See y.

July 8, 1885. 11

THE Democratic party despises intelligence, has a soverign contempt for experience and fact, and a superstitious regard for wooden-headed idols; and the journalist who ignores these attributes of the party and its faith litterly goes forth to destruction,—New York Times.

The perpetrator of this bit of infamy, says the Pittaberg Post, cannot plead ignorance and mitigation of damages. He knows who was the author of the Decharation of Independence, who made the Louisiana purchase, who instituted the measures which gave us California, New Mexico, &c., who have been the most high minded and patriotic statesmen of America, who inculcated obedience to the Constitution which would have prevented the civil war, the disunion, the slaughter, the desolation, the gigantic debt, the exhausting taxation, and the placing of this nation in the hands of ruffians, malefactors and fanatics to misgovern and plunder the people and de-stroy their liberties. Notwithstanding this knowledge, that the country owen every thing which has contributed to its every thing which has contributed to its greatness to the Democratic party, and that all its minfortunes have come from the appointment of that party, ex-Congressman laymond, of the Times, suffities himself, and attempts to deceive himself, and attempts to deceive his readers by assume any vite standers above chosen.

640 MILES

### UNION PACIFIC RAILROAD

Are now finished and in operation. Sixty miles of track have been laid this spring, and the work along the whole line between the Atlantic and Pacific States is being pushed forward more rapidly than ever before. More than twenty thousand men are employed, and it is not impossible that the entire track, from Omnha to Sacramento, will be finished in 1859 instead of 1879. The The means, provided are ample, and all that energy, men and money can do to secure the completion of this

GREAT NATIONAL WORK, the earliest possible day, will be done. The UNION PACIFIC RAILROAD COMPA

f receive: -A GOVERNMENT GRANT of the right of way, and all necessary timber and other materials found along the line of its opera-tions.

—A GOVERNMENT GRANT of 12,800 acres

of land to the mile, taken in atternate sec-tions on each side of its road. This is an ab-solute donation, and will be a source of large revenue in the fature.

1.—A GOVERNMENT GRANT of United States Thirty-year Bonds, amounting to from \$15,000 to \$45,000 per mile, according to the difficulties to \$40,000 per mile, according to the difficulties to be surmounted on the various sections to be built. The Government takes a second mortgage as security, and it is expected that not only the interest, but the principal smooth may be paid in services rendered by the Company in transporting troops, malls, &c. The interest is now much more than paid in this way, bestdes securing a great saving in time and money to the Government.

—A GOVERNMENT GRANT of the right to issue its own Filest MORTGAGE HONIS, to add in building the pead, to the same amount as the U. S. Bonda, issued for the same purpose, and no more. The Government Presents the Trustees for the First Mortgage Bontholders to delifer the Bonds to the Company only as the road is completed, and affect the bond to be company only as the road is completed, and affect the bond to be company only as the road is completed, and affect the bond to be company only as the road is completed, and affect the bond to be company only as the road is completed, and affect the bond to be company only as the road is completed, and affect the same part of the company only as the road is completed, and affect the same part of the same part of the company of the same part of

pany only as the road is completed, and af ter it has been examined by United Sinte Commissioners and pronounced to be in all respects a first-class Railrond, laid with a heavy T rail, and completely supplied with depots, stations, turnouts, car-shops, locome

tives, cars, &c. -A CAPITAL STOCK SUBSCRIPTION from Dollars have been paid in upon the work al-ready done, and which will be increased as the wants of the Company require.
—NET CASH EARNINGS on its Way Bus ness, that already amount to more than the interest on the First Morigage Bonds. These earnings are no indication of the vast through

traffic that must follow the opening of th line to the Pacific, but they certainly pro-FIRST MORTGAGE BONDS

Are Secure beyond any Contingency.

The Company have abundant means in their treasury, and make no appeal to the public to purchase their Bonds, as the builty subscriptions are entirely satisfactory; but they submit that, for entire security and liberal returns, there is certainly no better investment in the market.

The Union Pacific Bonds are for \$1,000 each, and have coupons attached. They have thirty years to rise, and bear annual interest, payable on the first theys of January and July at the Company's Othos is the City of New York, at the rate of six per cent. in gold. The principal is payable in gold at maturity. At the present rate of gold, those bonds pay an annual income on their coat of Are Secure beyond any Contingency.

on their cost of NEARLY NINE PER CENT.

And it is believed that they will soon be at.

a Premium.

The Company reserve the right to advance the price of their bonds to a rate above par at any time, and will not all any orders or receive any unbecriptions on which the money has not been actually paid at the Company's office before the time of such advance.

Subscriptions will be received in GETTYB-BURG, by GETTYB-BURG NATION L BANK and FIRST NATIONAL RANK, and in New York at the Company's Office, No. 20 Nassau at., and by JOHN J. CISCO & SON, Bankars, No. 33 Wall at., and by the Company's advertised Agents throughput the United Abates. Remittances should be nagle in drafts or other fundapar in New York, and the bonds will be sent free of charge by return express. Parties subscribing through local agents, will look to them for their safe delivery.

afe delivery. A PAMPHLET AND MAP for 1868 has just been published by the Company; giving fuller information than is possible in an advertisement, respecting the Progress of the Work, Resources of the Country traversed by the Read, the Mean for Construction, and the Value of the Bonds Company's Offices or to any of the advertise

CONOWAGO PHOSPHATE,

PREPARED BY H: BEASOA; M. LITTLESTOWN, PA.

THE Conowago Phosphate is destined to stand. I at the head of American Fertilizers, it has already proved its StyPERGUR QUALITIES, and ample certificates of its high merits will soon be fornished to the public. The proprietors will appear in manufacture. It is superior to Peruvina duano, Sessuate by a MQRS LANBING GN 178 EFFECT and EQUAL TO IT ON THE FIRST CROP. It does not general most as the property of the province of the p Gunno, because to is MORE LANTING N. ITS
EFFEXT and EQUAL TO IT ON THE FHEST
(ROP., it does not over-atimulate the soil, as a
most of the artilizers in the market do, and leave
the fund after gathering the first crop in a score
most of the fertilizers in the soil, and continues year aitor year to show itself on every crop that is put in
the land.

The Conowago Phosphate contains a large percentage of Ammonia and Phosphoricacid, which
are essential elements to vegetable food. They
either enter directly into the plant or prepare
the alkalies in the soil to do so. The lass of the
tomowago Phosphate is PLUE RAW BONE,
compitely and thoroughly dissolved without
'the of the great advantages of the Conowago
Phosphate is that it will dissolve the said in the
soil and set the sifica free to be absorbed by the
great advantage free to be absorbed by the
vrowing plant, which is a very important lugreeithent in giving trumes and strength to the stalk
and grain. It will precent the falling and lodging
of crops that are forced up by a wet and warm
season, and will greatly Lastlitate the repeaning of
the grain and secure it against the remoundant the
Agreement of the property of the service of the country.

Let all the Europer's and Planteys rasks up their

not afraid to place it beside the best in the country.

Let all the formers and planters make up their minds that they will try the Great Conowago Phosphate this fail.

Price Fifty Dollars per Man.

BENSON & MAUS.

Frogrietors.

3a-The Conowago Phosphate being made very fine, and thoroughly dismitegrated, makes it convenient to use in the drills, and mixes more freely with the soil. All farmers know the advantage of fine fertilizers.

Coach & Car Materials,
Hed Sole Leather,

If AVING been agent for this machine last until son, I also offer it to the harmer this senson, it is well known, having taken the premium at the Bendersville Far, also as his Geltyshum Mowing Match over seven others, which were considered aptendix machines, and likewise at the lilisourg Mowing Match. Having concluded not to offer any machine that will not give entire actionaction, it have refuned agencies of several other machines, and now offer this one as THE GREAT MACHINE OF THE MEABON. Having tried one mysol, I know exactly what other machines, and now offer this one as
THE OEEAT MACHINE OF THE HEABON.
Having tried one myself, I know exactly what
it will de, I could refer you to scores of sarmers
who have purchased machines of me, where are
highly pleased, and say this is the only machine
they would the.
Extras always on hand, and repairing done
here at my place. This is a great consideration
—the machine can be repaired at home immedance of the control of the control of the conattached to this colebrated Resper and Mower.
I has been thoroughly tried, and given easier
attached to this colebrated Resper and Mower.
I has been thoroughly tried, and given easier
attached to his colebrated Resper which is
attached to the colebrated Resper and Mower.
I has been thoroughly tried, and given easier
attached to any other machine except silenants.
I with here refer you to a new namence, is differmachines:
Michael Flacel,
Moses Hartman,
Joseph Wierman,
Hillen, Hephen Gelier,
Moses Hartman,
Jacob Laman,
With others, too mancross to mention.
This machine has a self-rake, side delivery, and
is warranted-to do its work as above recommental.

REAPERS & MOWERS.

WM. WIBLE.

Title large and only GOLD MEDAL OF HONOR, for Harvesting Machines, and the fecoration of the Cross of the Legion of Honor, was awarded to CYRUS H. McCORMICK, over all other competitors, at the Paris Exposition in 197. This was not one of the ordinary Gold Medaled Graphs of the Cross of the in the estimation of the Jury demanded some extraordinary mark of distinction for their superior excellence, world-wide fame, and universal utility of the McCormick Machines last seasons amounted to nearly TEN THOUSAND, and McCormick & Brox, are now preparing a largely increased number, with many important margorements, for the season of 1985. The machines are popular not only because they are constructed on correct principles—principles which are at the foundation of all the other machines in the country, with money of less modifications—but also to the excellence of the materials used, and the care taken in their construction. The machines are season of the materials used, and the care taken in their construction. The machines are foundation of the materials used, and the care taken in their construction. The machines are foundation of the materials used, and the care in the interferent their face werey thing necessary, or even desirable, a boy or girl who can drive carefully, can manage them as well us an old, experienced hand. A comparison is challenged with all others on the score of mechanical construction and superiority of finish, as well as in the amount and perfection of work they will donor the machines. "Take a machine and try it to your astisfaction through the harvest with any other machine you can get, and keep whichever you like best"—so confident are McCormick & Bros, that the machine they make it he best in the constity.

The subscriber is Agent, for the sale of the Merchand of the machine they make in the Merchand of the

Bros., that the machine they make is not even in Accountry.

The subscriber is Agent for the sale of the Merical Cornick MowEks And BERAPERS in Adams and Tork committee, Fa., and with be pleased to give all additional information desired, a simple Mower, and a Mower and Resper combined.

Extras always kept on hand by the agent, who will be prompt in attending to any repairs needed—but breakages very nively occur.

JEMSE EFFELMAN,
April 10, 1898. 3me
