Hoofand's German Bitters.—Under this caption, we would eail the attention of our readers to a highly scientific preparation, the merits of which have been attested by hundreds of our most intelligent citizens. It has acquired a reputation over the whole country as the best tonic known, and for Dyspepsia and all diseases arising from a disordered stomach, it has no equal. It contains no alcoholic spirits of any kind, but is purely or gettable in its character; and we can

Hoofland's German Touis is a combination of all the ingredients of the Bitters, with pure Santa Cruz Rum, orange, anise, &c. It is used for the same discense as the Bitters, in cases where any Alcoholic Stimulant is required. It is a preparation of lare medical virtue, and most agreeable to the pelate.
