SEYHOUR, BLAIR AND VICTORY!

Though the size of the COMPILER has been increased to thirty-six colgest papers in the State and the largest in this Congressional district, the subscription price remains as before -\$2 a year in advance, or \$2.50 if not so

With a heavy additional expense 1: publishing, and no increase in the price of, the paper, this fact is evident: pay most be prompt-more prompt than heretofore. Otherwise it will be impossible to meet enhanced

outlays. Publishers of smaller papers at other places ask advance payment in all cases. Can we, with a mammoth sheet, be expected to get along with

All in hirears are arged to pay up without delay-then take a fresh start, with a clean account and a year ahead. Such as shall manifest no disposition to settle in a short time, must not be surprised if our patience should give away. We cannot afford much longer indulgence.

To that noble body of patrons who are never behind in their payments. earnest thanks are again extended They are an honor to the race, and deserve a happy hereafter.

A Seymour and Blair Mass Meeting was held in the public square in York on Monday night, which was addressed by Hon. W. A. Wallace. Gen. Wm. McCandless and George Northrop, Esq. Great enthusiasn prevailed.

In was General John F. Hartanft, of this State, the candidate of the Radicals for Auditor General, and not the gatlant Hancock, who hung Mrs. Surratt. The Republicans considered it a great exploit at the time, but now they would like to divide the honor. Let all the odium of that affair' rest where it belongs.
