SOUTHERN OUTRAGES.

The Radical press teems with man-factured outrages, said to be perpe-rated in the South by Ku Klaxes and ther organized ounds of rebels. On neestigation these alleged outrages arm out to be either without founda-ion, or to have been brought about by the andacity and violence of the car-et-baggers and their alines, the ne-reces. But here is a well authentica-dioutrage, perpetrated by Southern tadicals, which surpasses in boldness and atracity any case yet charged

address, when surpasses in boldness and atractity any case yet charged gainst the "rebels:"
"Further priteculars of the assassintion of Gen Hindman are given in the Helen (Ark.) Clarion. He was t with an army musket, through e window of his dwelling house, sit ing by the fireside smoking. His ft hand, in which he held his pipe was torn away, and two balls passed through his neck, severing the wind-produced copious internal bleeding. The muzzle of the musket, from the powder burn on the window blind, was not exceeding eight feet from where he was sitting, and but for the unit of the was the position of his hand near like thin, which diverted the alm of the shot, it would almost have blown his head from his shoulders. The boldness of the perpetrator of this bloody deed is amazing. It was a stear, moonlight night A person could have been seen and recognized a hundred yards off. From whatever direction the two flends may have approached, they retreated after the commission of the crime towards the road or street in front of the residence, where persons were not to be wder burn on the window blind, nce, where persons were not to be sing at all hours. The tracks show o-persons present, one of whom, wo-persons present, one of whom, ton appearances, was a white man; out no clue has yet been found fixing uspicion upon any particular individuals. It is thought that political maiwas the cruse and that a hired vilwas the cause and that a bired vit-truck the blow. Gen. Hindman id about eight hours, during the conversed calmly in relations business matters; spoke with aling beauty and affection of his fe and the four little children who

fe and the four little children who we been so inhumanly bereaved was conscious of his fate, rational the end—which he met with subned courage and resignation. Gen. admin was the great leader of the mooracy of Arkansas, and was along such heavy blows against dicalism us to mark him as its most midable opponent." ienis Assassinating Doubiful Mew bers of their Own Party,

Sr. Louis, October 24.—The Demo-rat's special from Little Rock, Arkan-us, says the Hon. James Hinds, mem-er of Congress from the Second Disper of Congress from the recome and rict, was assaminated to day, while rayeling through Monroe. The Hon-jussiph R. Brooks, who was with Mr. Hinds, was wounded, but it is supposed fatally, the Republican has a special Cook Arkansas, which

om Inthe Rows, Arkanass, which yes.
The report of the assarsination of ongressman Hinds and the wounding Mr. Brooks is distrusted. The distant further says that the Radical arty defeated both Hinds and Brooks it of the nomination to Congress of the were discountenanced, and were aking a canvass among the negroes tainst the Radical Central Complete, Rice & Co., and were capable doing the Radical party great injury.

ious parts of the vity. A number tegro clubs passed down St. Charles et in a very disorderly and noisy nner. The Proxyme says the neo cipie abused the white Domo-tir clubs marching in the rear, and at the first whot was fired by a ne-ochub, slightly wounding a white an named Richardson, At all nts, a general fight began on Canal between Carondalet and Ba-in which a number of shots ie, in which a number of sucts, of the dight continued for a blocks, when the negroes fied, negroes were killed between Hate and Dryades, on Canal street, dangerously wounded, and a neboy was crushed to death under the boy was crushed to death under t. Another negro was killed at the neer of Canal and Basen streets, and e or two further out. A white man shot and killed while standing shot and killed while standing ras shot and killed while standing uicily near a negro club room, at the orner of Camp and Thain streets, another white man was killed and orribly butchered with an axe, on temponene street, by negroes. The disturbance began about ten clock, and at cleven, Canal street ras crowded with excited whites, who ispersed quictly when a squadron of nyulry appeared on the scene. This is a specimen of the "peace" to Radical leaders mean the country all have. The "peace" that follow-h "reconstruction!"

In Charlestown, Massachusetts, nocratio procession was, without vocation, attacked by the usual arrblicans. A gang of negroes, from a Grant and Colfax meetresh from a Grant and Colfax meeting, committed the assault, hurling stones at the heads of the men in the procession, and wounding several. One stone passed to the opposite sidewalk, and nearly killed a little girl, who was picked up bleeding and benseless. One of the negroes, by the name of Alfred Oreen, was arrested and put under bonds of \$500 to standing right, but he says his Republishan. but he says his Bepublican "get him out ob

RESIDENT JOHNSON TO GOVERNOR.

BUFFALO, October 23.—The following dispatch from President Johnson as received by Gov. Seymour this parating.

Executive Mansion, Weallington, t. 22.—Hon. Horatio Seymour; I all announced in the papers this eming that you will enter the Presttial eauvoss in person. I trust this government, whether recret or wed, will not be spared, and that eir arbitrary and unjust usurpations, gether with their wasteful profligacy d corrupt uses of the people's treas-e, will be signally exposed and rethe engranty exposed and rebuiked. The masses of this people should be aroused and with the eneroschments of despotic power now ready to either the very gard of the civille of the this the very gard of the civille of the trip. It was you may speak with an inspired tongue, and that your voice may speak that your voice may speak the triples of the listing principles of the listing reach, this peaks, prespectly and tracteral feeling may return to our divided and oppressed sation.

And the legistic property interest the masses of the listing principles of the li

Important Statement. WHAT RADICALISM HAS COST!

In Eight Years, \$3,200,000,000....Wore than the Whole Previous Expenses of the Government. "LET US HAVE PEACE!"

The following important statement he? You do not know him. A man by the President of the United States, of "no policy," his tongue dares not should arrest the attention of every reflecting citizen. Rend it, Republicans as well as Democrats, and thensay by your votes text Tuesday, what you think of Rad-

ical profilgacy and extravagance.

Washington, D. C., October 25.—
The President of the United States has addressed the following letter to General Ewing:

Ezecutive Mansion, Washington, D. C., October 24, 1868.—Dear Sir: In a recent conversation upon the subject of

Executive Mansion, Washington, D. C., October 24, 1868.—Dear Sir: In media conversation upon the subject of the finances, you expressed a desire to be furnished with some of the leading facts then mentioned, teuching the national expenditures and the public debt. I now comply with your request, regretting, however, that other and more pressing matters have prevented me from more clearly fillustrating the more pressing matters have prevented me from more clearly fillustrating the more pressing matters have prevented me from more clearly fillustrating the more pressing matters have prevented me from more clearly fillustrating the more pressing matters have prevented me from more clearly fillustrating the more pressing matters have prevented me from more clearly fillustrating the more pressing matters have prevented whether Congress and its arbitrary assumptions of authority shall be controlled by a multitude of tax-collectors and a standing army—which was in 1756 our national independence was preclaimed, and after an exhausting the debt and after an exhausting the debt of seventy-five millions of dollars, was, in 1759 and lalu, provision shall be made for the payment of the national obligations and the restoration of the public credit, and when, in 1812, war was "declared against Great Britan, the debt had already been reduced to forty-five millions of dollars. It was then largely increased by the three years' struggle that ensued between the two nations nntil, in 1816, it had reached the sum of one hundred and twenty-seven millions.

The context is not merely who shall occupy the principal offices in the people's gift, but whether the high telests of the federal constitution was made for the earliest practicable the sum of one hundred and twenty-seven millions of dollars in the people and the carried of twenty years, and the extinguishment of the national debt follar high the state of the filled the same had been reduced to filled the sum of one hundred and twenty seven millions.

The context is a first of the f

ment of the national debt filled the land with rejoicing, and was one of the great events of President Jackson's administration. Even after its payment a large fund remained in the treasury, which, for safe keeping, was deposited with the several States, on condition that it should be returned when required by the pupile wants. In 1849, the year after the termination of an expensive war with Mexico, we found ourselves involved in a debt of sixty-four millions of dollars, and

RADICALISM PHOTOGRAPHED Mr. McPherson, in his "jollification" speech, the other night, claimed for the Radical party more of "public and private virtue" than was ever nossessed by any other. Let us, in the rnment in 1860, just prior to the out-reak of the rebellion. face of this high-sounding declaration, In the spring of 1861 the war of the look at the "truth of history." Here is an exact photograph of the Radical

In the spring of 1861 the was a rebellion commenced. Each year of its continuance made an enormous addition to the debt, so that when, in the spring of 1865, the nation successfully emerged from the dreadful conflict, the abilipations of the government had Calling themselves Unionists, they have consummated and maintained obligations of the government had reached the vast amount of twenty-six hundred millions. They had not yet, however, attained their highest point, for when the army and navy had been paid, the volunteer forces dishanded Affecting economy, they have given us the costliest government on earth.

Prating of virtue, they have made it the most corrupt.
Clamoring for equal rights, they have proscribed more people than any monarchy in Christendom. most, to the residences of candidates for the Post Office—and the procession was largely made up of boys.

A number of specches followed, in front of the Club room. McPherson spread himself; threatened some, and blowed immensely. He seemed to facts connected with its expenditures. Invoking freedom, they establish and maintain the darkest despotism in leven States eleven States.

Professing toleration, they proclaim the acceptance of their creed the alternative of pstractum and disfranchise-

licans were completely demoralized. The Democrats carried their ticket by vote on Tuesday next to continue the stated, suggest an inquiry as to the 127 majority, a gain of 87 aver last inhuman scheme? A vote for the cause of this immense harmone in the year's plection.

doctrine that a national debt is a nation at blessing.

During three years of Radical peace, the people have paid fifteen hundred million dollars in taxes, or an average of five hundred millions a year. Working many a large proportion of the constitution, and a debt to taxes. Will they vote to increase the borden?

The Radicula gre panting for more bloodshed in the South. When these lamb-like fellows can't get up a row to a subject of suit, themselves, they manufacture a bloody story and publish it is all their papers in the papers. "First manufacture a bloody story and publish it is all their papers in the papers." "First work is suit, themselves, they manufacture a bloody story and publish it is all their papers in the papers." "First work is a control of a few, but in the signers of a few years relieve the people from a few years relieve the people from a surfacture and first manufacture a bloody story and publish it is all their papers in the papers." "First work is the proportion of the control to the surfacture a bloody story and publish it is all their papers in the papers." "First work is the proportion of the control to one taxes. Will they could be a few years relieve the people from the first to the first to take the surfacture as bloody story and publish it is all their papers in the papers." "First work is a surfacture a country in its paralizing and disastrons results. If, however, a wise economy to a surfacture a bloody story and publish it is all their papers." "First work is a surfacture and first work is a surfacture as bloody story and publish it is all their papers." "First work is a surfacture and first work is a surfacture as the proportion of the country in its paralizing and disastrons results. If, however, a wise economy to a surfacture as the proportion of the country in its paralizing and disastrons the proportion of the country in its paralizing and disastrons are papers." "First work is a surfacture as the proportion of the publish is a first to be a surfacture and first military. T

RADICAL PRANTS.

millions of interest now annually drawn from their resources.
The idea that the debt is to become It was by FRAUD that the Radipermanent should be at all times di als obtained the majority in Pennsylcontenanced, as involving taxation con leavy to be borne, and payment of an amount in interest every sixteen years equal to the original sum. The vania that they brag so much about. Take the city of Philadelphia, for example. A New Yorker writing home gradual liquidation of the public debt says he knew of 200 New York roughs would by degrees release the large capital invested in the securities of the ital invested in the securities of the government, which, seeking remuner, atton in other sources of income, would add to the wealth of the nation, upon which it is now so great a drain. This inmense debt, if permitted to become permanent and increasing, must eventually be gathered into the hands of the sew and enable them to exert a dangerous and controlling power in the affairs of the government. The debtors would become the servants of the leuders—the creditors the masters of the people. It is now our boast that we have given freedom to three million of slaves; it will then be our shame that by their own toleration of usurpation and profligacy forly millions of people have enslaved themselves, and exchanged slaveholders for new tasks musters in the shape of bondholders ten as they could, and then escaped home on Wednesday morning, in time to evade arrest. The local police reports in the Philadelphia Democratic papers (for, of course, the truth about such things never sees the light in Radical journals,) are full of aclians for the following offences-stealing naturalization papers, threatening and assaulting election officers, refu sing to take the votes of legal voters, perjury before election boards, illega voting, throwing out legal naturalization papers, conspiracy to prevent le gally elected election officers from

holding office, &c. &c. Every villalny that the genius of in iquity could invent was practiced to cheat the people out of the expres sion of their will.—Fulton Democrat.

Now's the Time.-R. C. Cobean is now selling his Hata, Cans. Boots and Shoes, at greatly reduced prices, in or der to make room for his Fail and Winter stock. Persons in want of any thing in this line should call. He also expressly for his trade, Valises, Carpet and Oil Sacks, &c. The public will find at his establishment any thing they want in the gentleman's furnishing line. Give him a Call. Store on Chambersburg street, next door to

Millinery.-Rosa Monfort, Hunterstown, informs her friends and the pub ic that she has just returned from the city with a choice stock of Millinery goods, which she will sell at cost-con tinuing the millinery trade at the 2t

same time. We are assured that the firm of Eastman & Kendall, 65 Hanover Street, Boston, Mass., advertised in our columns, is trustworthy and reliable. For 10 cts. they send a patent pen fountain, and a check describing an article to be sold for \$1 Ther club system of selling goods is becoming quite popular, particularly with the ladies. It is worthy of a trial.

Now Is The Time.-Housekeepers can economize by laying in their winter coal at once, as freights are nov lower than they will be a month Persons desiring to save money, will do well to call at once on Col. C. H. Buehler, who is prepared to furnish all kinds of Stove, Blacksmith and Lime-burner's Coal at lowest mor ket prices.

The Attention of our readers is directed to the advertisement of Con's DYSPEPSIA CURE, in another part of this paper. This truly valuable Med icine is recommended by all who use it. Read the certificates.

My Wife's Choice, and the whole family prefer it. Mrs. S. A. AL-LEN'S IMPROVED (new style) HAIR RESTORER OF DRESSING, (in enc bottle.) Every Druggist sells it. Price One Dollar. Oct. 2. 1m

SPECIAL NOTICES.

To Communities.

The advertiser, having been restored to health in a few weeks, by a very simple remedy, after having suffered several years with a severe long affection, and that dread disease, Consumption—is anxious to make known to his fellow sufferers the means of cure. To all who desire it, he will send a copy of the prescription used (free-of-charge,) with the directions for preparing and using the same, which they will find a sure Cure for Consumption, Asthma, Bronchitis, &c. The only object of the advertiser in sending the Prescription is to benealt the afficted, and spread information which he conceives to be invaluable; and he hopes every sufferer will try this remedy, as it will cost them nothing, and may prove a blessing.
