**Democrats, ORGANIZE!** See that you and your democratic neighbor are assessed.  
The radicals are making a desperate effort to defeat a portion of our county ticket. Don't permit a single nominee to be sacrificed. Go to work, be vigilant and active from now until the election.

**Democrats, stand by the nominees** upon your county ticket. There is not a man upon it, upon whom a flaw can be picked by the radicals, yet they are working secretly and quietly to run in upon our ticket. They will offer to trade—no, do that, we do not stand in need of that kind of work to elect our nominees; if every democrat remains true to the ticket, the whole of it will be elected by a sweeping majority. Don't trade, Democrats, go home, take the tickets, they are all good honest men, and life-long Democrats.

**Horace Greeley never was a** knothead, but on the contrary, when that proscription wave swept over the county, he fought it and dealt it his heaviest blows.  
**Henry Wilson, alias Jeremiah Colbath,** was a full fledged knothead and took all the horrible oaths of the order.  
**Let our foreign born citizens** bear this in mind when they come to vote.

**The Lewistown Gazette says,** Mr. Greeley proposed paying the southern slaveholders 400 million dollars for their lost slave property. The Gazette knows this is not true, and can bring no proof to its assertion. Hartman, Evans & Co., stole several hundred thousand from the state treasury, had not the Gazette better inform its readers of that, instead of peddling falsehood?

**We propose to our radical brethren** the following appropriate mottoes for their banners:  
"Morton Put that in."—Grant.  
"Addition, Division, & Silence."—Kemble.  
"It Takes the Starch Right out."—Hartman.  
"Dear Yerkes."—Hartman.

**The nine million steel will be** tried again, in the legislature, next winter, by which the securities belonging to the sinking fund for the payment of state debt, are to be given to railroad corporations. The readers of the Reporter know that this scheme of the ring, to rob the treasury, has been before the legislature every winter, for last five years, and several times came near passing, and if the people are careless in the kind of men they elect to the legislature, this gigantic plunder scheme will be carried by the ring, next winter.

**We are happy to say,** that our nominee, John H. Orvis, is upon the record as opposed to this nine million steel. He has denounced it in almost every political speech made by him since it was set on foot, and has but recently again pledged himself to oppose all measures of the ring at Harrisburg. Mr. Orvis will be the terror of the legislative rings and make Harrisburg his home.

**Let our people bear this in mind,** when they vote for Assembly in October, and vote for Mr. Orvis, who is a gentleman of known integrity, and whose voice has ever been heard in favor of the interests of the masses.

**The radical candidate for sheriff** is expected to make something on the score of being what is called a "clever fellow." Any radical will be clever to get into an office. Democrats can't be gulled by that game. Benj. Shafer, our nominee, is from the oldest, best and honest and most reliable democratic stock in this county—and he himself has inherited every good trait of his well known father. He is an honest, hardworking farmer, without a flaw upon his character, and one of the most consistent democrats to be found. What democrat would be willing to cut him down? None.

**The radicals are making a** desperate effort to defeat Benjamin Shafer. They will find it hard work, and accordingly working hard to do it. They are already circulating falsehoods against him. Democrats believe nothing they say. Mr. Shafer is a man—an honest man—in every sense of the word.

**The Republican is begging** democratic votes for his candidates for prothonotary, register and recorder, and is veridant enough to think that honest democrats will forsake Williams, and such true, faithful and tried servants as Morrison and Grennoble. Democrats are not made of such stuff, as to be led astray by the coaxing of the Republican. Our ticket is a good one and satisfactory all through.

**The ascertained result of the** late election in West Virginia is the choice for Governor of Jacobs, the Independent Democratic candidate, by a small majority. The Constitution is adopted by a decided vote, and there is a Democratic majority in both branches of the Legislature. This is a thorough Democratic and Conservative triumph, and one that stretches into November and the Presidential contest, as Mr. Jacobs is a strong Greeley man, and will support him in the coming fight.

**Pere Hyacinthe has written** a long letter concerning and defending his recent marriage, is published elsewhere. The reverend priest declares that his wife is a candidate, by a small majority, to renounce his high calling, and claims, with many arguments appended to show the justice of his claim, that marriage and the priest-hood are by no means antagonistic, and that his step has been a moderate or hasty or notoriety-seeking.

**The radicals are trying to** prejudice democratic voters against Benj. Shafer, our nominee for Sheriff, because he does not belong to this side of the county. That all both, and no good democrat will be silly enough to give it attention for one moment.  
The proper questions for consideration are: Is Mr. Shafer honest; is he capable; is he a consistent democrat. All of these can be answered with an emphatic AYE, and that will satisfy democrats.  
Because the nominee is not from this side, certainly is not Mr. Shafer's fault, for some of our delegates helped to make his nomination, and he was among the best of all the candidates out. But if there really were any blame in this matter, our own people are to blame and not Mr. Shafer. If this side learns to keep united when it thinks it ought to have one of its men nominated, that will bring about the desired result; but if we are divided, as a matter of course the result will be different, and who, but our own people, are to blame? But, this silly stuff is not worthy further attention, and we know that no intelligent democrat will be led to vote against so good a man as Benjamin Shafer, by such thin radical stuff.

**A Ticket Without a Flaw.**  
The democrat can boast of a ticket, this year, upon which the radicals, thus far, have tried in vain to pick a flaw. Let them try from president down to the last nominee upon our county ticket, and show any thing, in the character of any gentleman whose name stands there, which is disreputable.

**Against Greeley the radicals** dare not and can not say any thing, for the reason that they worshipped him so long themselves and followed his lead for the last thirty years. No flaw there.  
Buckaley they tried to assail, but failed. The Holcombe-Canada story, died in its cradle. The Fishing creek confederacy has been proven a myth by its own true ranks, and has but recently again pledged himself to oppose all measures of the ring at Harrisburg. Mr. Orvis will be the terror of the legislative rings and make Harrisburg his home.

**Let our people bear this in mind,** when they vote for Assembly in October, and vote for Mr. Orvis, who is a gentleman of known integrity, and whose voice has ever been heard in favor of the interests of the masses.

**Grant's Beef-Teaters in Our Custom-Houses.**  
England had her rotten-boroughs. We have our rotten custom-houses. But there is this difference between England and ourselves, that when the rotten-borough system did prevail there was no Tory in the land to brood over to maintain that party holding it. It was democratic and reformers, while with us the very upholders of the rotten custom-houses are travelling all over the United States; and newspaper of their party, the great reformers, have inaugurated and the economy they practice. Here is an example of their reform. Allegheny, is North Carolina. The total foreign commerce of Allegheny, during the calendar year ending December 31, 1871, was:

Imports.....	\$3,791,586
Exports.....	.....
Total.....	.....

**"Takes the Starch Right Out."**  
DEAR YERKES:—Buy as soon as possible of the O. C. Creek and Allegheny Valley Railroad, and take an extract made from the O. C. Creek. Let me have them as soon as you can conveniently. The O. C. Creek is a decision against your settlement on the O. C. Creek. I don't know what to say about O. C. Creek as a future investment. I think the chances are that it will go up, but as everything else is so low, I think it is a good thing to get it now. I think the chances are that it will go up, but as everything else is so low, I think it is a good thing to get it now.

**Delegations of Democrats, Liberals,** and Reformers, will meet at the Central Pennsylvania meeting of Central Pennsylvania, at Centre Hall, on Wednesday, Sept. 26th.  
Grand torch-light parade and able speakers in the evening of same day.
