A Name in the Sand, lone I walked the ocean strand, pearly shell was in my hand ; stopped, and wrote upon the sand My name-the year-the day. As onward from the spot I passed, One lingering look behind I cast ;

A wave came rolling Ligh and fast, And washed my lines away. And so, methought, 'twill shortly be

With every mark on earth from me ; A wave of oblivion's sea Will sweep across the place Where I have trod the sandy shore

Of Time, and been, to be no more ; To leave no track nor trace.

and set with Him who counts the sands. And holds the waters in His hands, I know a lasting record stands Inscribed against my name,

Of all this mortal part has wrought, Of all this thinking soul has thought, And from these fleeting moments caught, For glory or for shame !

## Farm, Garden and Household,

strain, and add half a pound of flour-putting the latter into a basin and pourng on the water slowly to prevent it tting lumpy - one-fourth pound of own sugar, and a handful of fine salt.

tened up somewhat. In the meantime the hens had not been idle. The total number laid by the hens amounted to 257, or 86 eggs each; and the ducks pro-duced 392, or 131 each. Although the eggs of the ducks were rather smaller than those of the hens, yet they proved

The Dutch at Home. An Incident. A writer, describing scenes in Holland A man dropped dead in the street they say ; A writer, describing scenes in honaut says: Dogs are hitched underneath milk wagons containing brass cans of barnish-ed brightness; also attached to fish Ho was passing along when he staggored an wagons in the same manner. Here there seems to be an abuse of confidence, as The last you'd suppose, he looked so well they are frequently incided to pull by word and gesture to make them believe that it is they incided of pull by "Twas heart discase that killed him, they say that it is play instead of work; and thus His name? I don't know, and yet, by the way, ded, wagging their tails and joyously barking, they pull with renewed vigor. Here and there a group of she-asses stopping to be milked for the sick; their I heard as they carried him by "Twas rather uncommon. I think it was Vale. But you ? (My God ! the woman's as pale inpalatable milk being a popular pres-cription of Dutch doctors for many As the corpse). But you, madam, why"-The answer, a moan, and the woman was gond ills Horses pulling primitive rchandise to and Tearing her way through the crowd, pressing ledges loaded with me om the ships, the sledge bearing a keg Ralf crazed with her blinding fear.

of running water, so perforated as to let the water fall under the runners and The crowd held back that througed the place cause them to slip more easily over the stones. of the chief of which arise from the im-possibility of placing the suicides them-selves on the witness stand. They find evidence of a self destroyed man, as to husbands or lovers have generally had

evidence of a self destroyed man, as to his mental status at the time he killed himself. Some queer facts have been brought to light, however. One man had been told by a fortune teller that he would die within three weeks, and, having great horror of death, he took a dose of strychnine to escape it. That man was clearly of unsound mind. His visit to the fortune teller showed that. Another case almost the reverse of the above, occurred in Paris. A man bent
