THE SENTRE REPORTER. FRED.KURTE Centre Hall, Pa., Feb. 13, 1873.

The License Question.

In a very short time the people of Centre county will be afforded as a potentially to decide upon control. The all election should be an in the all election should be the people of the all election should be the people of the all the temperature fasted. This is a potentially to decide upon control. The all elections control that the election control that the election control that the election is a potentially decided upon think it advisable to get the people is an under excitencent upon his question, as we think it is easily additionable to get the people is an under excitencent upon his question, as we think it is easily additionable to get the people is an under excitencent upon his question, as we think it is easily additionable to get the people is an under excitencent upon his question, as we think it is easily additionable to get the people is an under excitence to the simple that the entrol that the excitence of the people is the same point to the people is an under excitence that the same point to the people is the same period and the temperature for the people is the same people and the temperature for the people is the same people and the temperature for the people is the same people and the temperature for the people of th Cameron county also voted down presidency agreement of control presidency and control presidency upon these phases of the question, we shall not weary them with a hornily upon the same—every man, woman and child has seen the drumb-and the soler man, and knows the abuses of liquor full well, while upon its usus many may not be soleman, and whore the abuses of liquor full well, while upon its usus many may not be soleman, and whose it the abuses of liquor full well, while upon its usus many may not be soleman. All there child man and the soler man and whose it the abuses of liquor full well, while upon its usus many may not be soleman to please of the term. How as it in the full sense of the term. How as it in the full sense of the term. How as it in the full sense of the term. How as it in the full sense of the term. How as it in the full sense of the term. How as it in the full sense of the term. How as one in this every dark throw and the soleman that we compared for the well which as the control of the trained and the sole main the full sense of the term. How as a count for these differences. Thus we have a world of misery that arises, from drumbeases, is too p status for not the control of the sole of the control of the sole of the twenty years, is also a fact. But we liquors shall be kept or drank in, the must regret that the cause of temper. In the cause of temper. In the cause of the cau hall of the house or in any of the ance has, in a measure, been damaged and impeded by politicians using the rooms connected therewith, and the vote. temperance party as a lift to hoist sergeant-at-arms to see to the enforcement of same. them into power, and very often the same candidates, and this is what about once in two weeks, and then in reported. ing from any other source. This was pasters and folders, they are paid for a grave mistake and regretted by all it, but manage thus to "lump it," and "Mr. M'Murray would favor submit-being able to pocket half the compensasincere friends of temperance—
