LOCAL NEWS.—Our friends, every-where, will be glad to see the new issue of the Reporter, which is now being distributed to all our subscribers. It is a most interesting and valuable paper, and we hope to see it in the hands of every one of our readers.

—We are informed that John Metzer of Joliet, Ill., a son of Mr. John Metzer, of Potter township, was one of the killed in the recent railroad collision on the Alton railroad. Young Metzer was a brakeman on the freight train which collided with the passenger train.

—The following is a list of the Chairman of the different fair committees of this county: Horses for general purposes—Daniel Garman. Stallions—John A. Hunter. Jacks, Janets & Mules—S. A. Brew. Cattle Grade—J. W. Marshall. Sheep—Morris Furey. Swine—John Rabel, of Potter.

—The notice copied above suggests to us some other subjects upon which we think there are needed—subjects which are being neglected in the present issue of the Reporter, and which are, in our opinion, of practical moment—we would suggest proposals to be offered as follows: Twenty dollars for the best tract on the rights and consistency of a Christian sending his children to the public schools.

—A boy named Guller, about 12 years old, was instantly killed by the cars near Tyrone, on Monday last. He had gathered a pair of berries, and managed to hand them to his father, a brakeman on the mountain train of the Grandfield road, as the cars went by. The father took the berries, and the lad attempted to jump upon the next car behind him, but fell over the track, and the wheels, passing over his head, crushed it like an egg-shell.

—The dysentery is still raging at Millheim. —J. A. Lukens who pleaded guilty of manslaughter last court, in the killing of Richard Atherton, at Centerville, was fined one dollar, the costs of prosecution and to one year's imprisonment in the county jail.

—The Reunion of the Normal School, which took place in the Luth. church, on last Tuesday evening, was a creditable affair, and witnessed by a crowd of about all feeling highly pleased with the literary entertainments and the charming music furnished for the occasion.

—The following was the order of exercises: 1. Salutatory—Essay, by Miss Mary E. Heston of Pleasant Gap. 2. Oration—National Progress—by J. S. Lucas, Howard.

—The above programme, of course, was interspersed with excellent music, choruses, solos, and quartets. Mrs. Magee presided at the organ and added to the exercises by several fine songs which her rich and cultivated voice rendered so charming.

—The Reunion address was delivered by Wm. C. Heinle, a self-made young man, who has worked himself to the front rank of teachers. His address was an able one and well delivered.

ADDRESS BY M. THIERS.

Lucerne, Sept. 4.—M. Thiers, who is now touring here, was called upon yesterday by the French residents of Lancaster, and in response to their greetings addressed them at some length. He said he had devoted his life to the establishment of liberty in France. He endeavored to establish it under the name of Democracy, but he had come to the conclusion that the one excludes the other. He had therefore become a republican, and was resolved to devote the remainder of his life to furthering the permanent establishment of a republican form of government in France.

THE PENNSYLVANIA RAILROAD COMPANY.

The Pennsylvania railroad company a few days ago removed from the Sunbury and Lewistown railroad all the movable property, including tool houses, etc., which they had erected since they commenced working the road. It is rumored that the road is to be sold at Sheriff's sale and that the Philadelphia and Reading railroad company will become the purchaser.
