

made amicable and satisfactory ar-rangements for such an extension as would without doubt enable them to pay dollar for dollar and continue their business as heretofore. The firm, while admitting that they had been more or less embarrassed by the railroad bonds which they had float-ed, expressed their fullest confidence in the securities which they had pre-control the elections and insist upon

ing, would it not be well to make some rule governing the nomination in this particular, by which the choice of this side would be sure to be the nomine? As at present, it might often occur that a nomination would be manipu-lated for this side which would not be in accord with the wishes of our peo-ple—these things often happen, and

ple-these things often happen, and the harmony of the party is thereby disturbed. The only plan by which this might

in premoting their objects, the more as if cooked by the prison cook. Af-safely he could pursue his ewn. He terward he returned to the hospital
