then housed four months or more, is worth for the family purpose of warming, cooking, and washing, almost twee as much as when green. But few farmers realize the value of dry wood, especially during the winter season, and hence but little wood is stored aduring the summer. Be sure to furnish plenty of over-wood. This should be pleed in a part of the woodhouse by itself. It will promote kindly feeling in the first proposed in a part of the woodhouse by itself. It will promote kindly feeling in the first proposed in the summer is the considered the resolution adopted on which I'll take the land—if you agree."

Pennsylvania Democratic State Central Committee reconsidered the resolution adopted on the resolution adopted on the 23d of March fixing the time and place of holding the time and place of tholding the next State Convention. A new respectively during the winter season, and hence but little wood is stored and hence but little wood is stored and hence but little wood is stored and hence of holding said convention.

The Tartars of the Crimea have never self. It will promote kindly feeling in the summer is the place of the resolution adopted on the differences were clearly disting that the differences were clearly disting that the differences were clearly disting. Then I flew into a pas-ion. "You've been long enough in making up your children. A pierced tooth of a rodent was found, which had evidently been any of the time of holding said convention.

Soful, there are certain the differences were clearly disting the time and place of holding the next State Convention. A new resolution was then adopted fixing Pittshurg as the place of the principles of Masonry incuicate obedience to the guishable. The remains collected coasisted mostly of jaws and teeth of children. A pierced tooth of a rodent was found, which had evidently been any of the time of holding said convention.

Soful premain and Lodges, because the principles of Masonry incuicate obedience to the soft of the time of holding said convention.

The Tarta wise lost in kindling fires with green wood. Then let us prepare a supply of dry wood for winter, full six months dier" is a term of reproach. A corre-

A farmer who had a calf of value and so milk to give it was advised to give it hay tea. He did so and the calf is reported as doing finely, though it has neither received hay nor meal since he got it. He cuts the best and finest hap he has, shout two inches long, and pours boiling water over it; lets it stand until cooled to about the heat of milk from the cow, when the tea is given to the eatl and the hay to the feed. We have fad a greatest work of the content of th

THE GREAT REMEDY FOR CONSUMPTION

which can be cured by a timely resort to this standard preparation, as has been proved by the hundreds of testimonials received by the proprietors. It is acknowledged by many prominent physicians to be the most reliable preparation ever introduced for the relief and cure of all Lung complaints, and is offered to the public, sanctioned by the experience of over forty years. When resorted to in season it seldom fails to effect a speedy cure in the most severe cases of Coughs, Bronchitis, Croup, Whooping Cough, Influenza, Asthma, Colds, Sore Throat, Pains or Soreness in the Chest and Side, Liver Complaint, Bleeding at the Lungs, &c. Wistar's Balsam does not dry up a Cough, and leave the cause behind, as is the case with most preparations, but if. loosens and cleanses the lungs, and allays irritation, thus removing the cause of the complaint.

SETH W. FOWLE & SONS, Boston, Mess. And sold by Druggists and Dealers generally.

Nature's Great Remedy THROAT AND LUNG DISEASES!!

It is the vital principle of the Pine Tree, obtained by a pseculiar process in the distillation of the tar, by which its highest medicinal properties are retained. Tar even in its crude state has been recommended by aminent physicians of every school. It is confidently effered to the afflicted for the following simple reasons:

1. It CURES,—not by abruptly stopping the cough—but by dissolving the philegm and assisting mature to threw off the unhealthy matter causing the irritation. In cases of seasted CONSUMPTION it both prolongs and renders less burdensome the life of the afflicted sufferer.

1. Its healing principle acts upon the irritated surfaces of the lungs, penetrating to each discussed fort, relieving pain, and audebing inflammation.

3. It furthers and energether the economor infille or enury curing all humors, from the common infille or enury curing all humors, from the common infille or enury curing all humors, from the common infille or enury curing all humors, from the common infille or enury felt the beneficial effects of PINE TREE TAR CORDIAL in the various diseases arising from impurities or the BLOOD.

2. It interpretate the discretion common conditions and extensive the discretion of the common conditions and the produced from those who have felt the beneficial effects of PINE TREE TAR CORDIAL in the various diseases arising from impurities or
