largest grains. I prefer bone-dust for wheat to any other fertilizer. Have experimented with bone-dust, superphosphate, and Peruvian guano, by using longest; it shows the best in the after crops of grass. You may sow half of nal revenue laws. This bill failed in your lot with bone-dust, and if you pasare your lot your cattle will always eat on the that part sown with the bone. There is much phosphate in bone, which gives the grass a different flavor. Use ammonia, and cattle will leave that grass f there is any other for them to In Orange county the farmers now raise nearly all rve, as the straw brings a tion. aigh price in the market. I always sow high price in the market. I always sow or try to finish sowing before the 14th of Sentember, so that the ground is of September, so that the ground is well covered before winter sets in. Sow two bushels of wheat to the acre; one bushel and three pecks of rye, or as near that quantity as possible. I use manure forty loads to the acre is none too much. Five or six hundred pounds of bone-dust, if good, I use to he acre. The bone dust is the cheapest, as the labor of drawing the manure is quite an item. I once thought that a crop of wheat could not be raised except by plowing, harrowing, cross-plowing, and other extra work. I with admit it is good to cross-plow if you only plow your ground about half the first time, and I have tried both and

find the extra labor will not pay.

The Peruvian Syrup, a Protected Solution of the Protoxids of Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood as the simplest food. It increases the quantity with the blood as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "a thousand ills," simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permettes every part of the hody. ridatizing the System. The enriched and vitalized blood permeates every part of the body,
repairing damages and waste,
searching out morbid secretions, and leaving nothing for
disease to feed upon.

This is the secret of the wonderful success of this remedy in
curing Dyspepsia, Liver Com-

plaint, Dropsy, Chronic Diarrhœa, Boils, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into all parts of the system,

and building up an Iron Constitution. Thousands have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial.
