

Farm Garden and Household.

Barley, oat, or pea stubble, intended for seed, should be harrowed or cultivated immediately after harvest...

Wheat on the stubble and in pastures may be cut with a mowing machine...

If you are short of grass, keep the horses in the stable or yard, and feed hay...

Corn-meal soup is an established institution on our coast...

Sheep should have their feet pared; and if there is any reason to apprehend foot rot...

Scissors should have access to water. With this, and a good sharp stone...

Mr. Johnston came to Geneva from southwest Scotland, fifty-two years ago...

Animals that Chew the Cud. Ruminating animals gather their food rapidly...

The horse, on the contrary, however much in a hurry he may be, must masticate each mouthful before he swallows it...

When to Cut Wheat. The Farmers (Kansas) Wheat says: "We have been told by several farmers who know of what they speak...

NEWS OF THE DAY.

Four boys who went out rowing at Fanning, N. J., got into a hole in the ice...

The English bus system is superior to ours, both as to the comfort of the passenger and the safety of the driver...

It was now night and the breeze freshening, the ship began to roll...

This was followed by curses and threats, and we were told to get out...

Soon the mate ordered me to go to the aft cabin and get the trunk...

CHICAGO IN FLAMES.

A destructive fire broke out in the city of Chicago which at one time threatened to again destroy the city...

Fate seems not yet to have exhausted her copiousness of disasters for Chicago...

The alarm struck for a fire on Clark street, between the lake and a mile and a half south of the river...

Though the fire department had a large force promptly on hand, they were unable to prevent the flames from spreading...

The excitement in the wealthy, business and residence portions of Washab and Michigan avenues...

By one of those strange freaks so common in great fires, however, the flames took a sudden turn...

Up to half past nine the fire was confined to a narrow street in its northward progress...

The general course of the flames was as follows: Starting from near the corner of Twelfth and Clark streets...

Among the more costly structures being burned the art and block of the First Baptist church...

The Flying Comet. An exchange, writing of the comet, says: "The flying comet is now where in the north, and at a sharp angle to the earth's orbit..."

A woman who was arrested in Troy, N. Y., a few nights ago on the charge of kidnapping her own son...

Artificial Incubation. A lady residing in Paterson, N. Y., had a half dozen chickens which had been hatched in the strange manner...

There can be no doubt that people are sometimes killed by taking too much of the medicine...
