

THE GENTRE REPORTER,

The Tuteo Republican has not yet given its opinion of Prof. Tyndall's address. Scientists and theologiats in Europe are anxiously awaiting for the Republican to speak out. We can apologise for the Republican on the ground that they have been too much engaged in clearing up the financial problem, and our learned friends

FURNITURE.

NEW ARRANGEMENTI

as to the present political status of "the great war governor" the follow-ing is semi-official : Gov. Curtin is just now minding his own business,

in its proportions assumed to a resort to arms, said of the crime of a resort to arms, tional guards and volunteers are collecting in great numbers, and the hour draws near ble are not, indeed, the immediate when this band of murderers enclosed in their narrow circle, will be slowly but their top is lifted into the cambinate d. There are rocks whose tops reach the same above cloud and storm; the thunder rolls and the highting flashes about their base, but their top is lifted into the cambinate d. There are rocks whose tops reach the same above cloud and storm; the thunder rolls above cloud and storm; the thunder rolls and the highting flashes about their base, but their top is lifted into the cambinate d. There are rocks whose tops reach the same above cloud and storm; the thunder rolls above cloud and storm; the thunder rolls and the highting flashes about their base, but their top is lifted into the cambinate d. There are rocks whose tops reach the same above cloud and storm; the thunder rolls above cloud and storm; the thunder rolls and the highting flashes about their base, but their top is lifted into the cambinate d. There are rocks whose tops reach the same above cloud and storm; the thunder rolls and the highting flashes about their base, but the same above cloud and storm is the thunder of wrath the roll to the same above cloud and storm is the thunder of wrath the rolls above cloud and storm is the thunder of wrath the roll to the same above cloud and storm is the sam MOCRACY. Clearfield, September 15, 1874.— Candidate for Governor, The first of a repetition. Whatever may be wood, but the part of a repetition of a resort to arms, tional guards and volunteers are collecting in great numbers, and the hour draws needed in great numbers.
