Bake till the frosting is pale brown. Churning Milk.

There is no reason why the whole milk should not be churned, and equally good butter made, as by churning only the cream, except the length of time occupied in the process. Three to five hours is needed to bring the butter when the milk is churned. ally this length of time is found to be irksome, and therefore very few people now churn the whole milk.

## A Thief Caught by a Thief.

thief entered a gentleman's apartment one afternoon by means of false keys, and proceeded to ransack drawers and closets in search of valuables. To his disgust he found neither jewels, money, nor any portable valuables, so he finally concluded to treat himself to a new suit of clothes. Accordingly he selected a nice outfit, including shirts, stockings and underwear, laid them outfor the first state always supervisable by the State in the lifeless remains of his victims tied up in his handkerchief, he sallied forth in quest of dinner. Entering the Cafe Brabant, he took a seat and ordered some sone. The soup was brought in its neat little plated tureen, and the hungry customer proceeded to ladle out a plateful of it, which he consumed with much appetite. Having nearly of the sportner. However, and the second that the second left with the form to find the form the second left with the form to find the form the second left with the form to find the form the second left with the form to find the form the

## NEWS OF THE DAY.

around the edge of the top of them. The mark must be unbroken, or they will creep over it; but a continuous schalk mark, half an inch in width, will set their depredations at naught. Powdered alum or berax will keep the chintz bugs at a respectful distance, and travelers should always carry a package in their hand-bags to scatter over and under their pillows, in places where they have reason to suspect the presence of such bed-fellows."

Household Recipes.

Tomato Omelet.—Beat up six eggs, mix two tablespoonfuls of flour with a little milk, and add pepper and salt to taste. Peel and chop very fine four tomatoes, stir altogether and fry in butter. Oyster onedet is made in the same way, substituting a dozen chopped

## THE FALL RIVER DISASTER.

and boil it quickly till it recovers its former state; pour it over a marble slab, and when it becomes stiff cut it in strips and twist it.

Lemon Custand Pie.—For two pies: Mix together the yolks of six eggs, well beaten, four heaping tablespoonfuls of white coffee sugar, the grated rind of the lemons, and about one pint of milk. Bake in one ernst; put or a frosting made of the whites of four sugar, and the juice of three lemons, and about one pint of sugar, four tablespoonfuls of sugar, four tablespoonfuls of sugar, four tablespoonfuls of sugar, four tablespoonfuls of sugar, and the juice of three lemons.

Bake till the frosting is pale brown.

A brave act was that of the super-intendent and other officers of the corporation, whe sust that of the super-intendent and other officers of the corporation of the corporatio

A Thief Caught by a Thief.

The Paris correspondent of the Philadelphia Press writes: "A very comical conclusion to a very ordinary theff took place the other day. A sneak-thief entered a gentleman's apartment one afternoon by means of false keys.

Tenth—Corportions chartered by the lifeless remains of his victims tied and the lifeless remains of his victims tied them by the lifeless remains of his victims tied.

butter. Oyster omelet is made in the same way, substituting adozen chopped oysters for the tomatoes.

Barkey Sugar.—Dissolve and boil one pound and a half of loaf sugar in half a pint of water and the white of an egg; when it is at candy height, add a teaspoonful of strained lemon-juice, and boil it quickly till it recovers its

SAD ACCIDENT .- A fearful accident styles are at proportionate rates. side and outside, was descending a steep incline, when the horses took fright, and in a few seconds the vehicle with its living cargo was dashed against the curbstone and overturned on to the pavement. The driver was killed on the spot; he fell on his head, and his the spot; he fell on his head, and his skull was smashed in. Eifteen of the passengers were injured, some so seriously that their lives were despaired of. As usual in such accidents, those inside suffered more than those out-

WHO HE IS .- The Baltimore Sun gives some information concerning Mr. D. B. Penn, whose name is mentioned in the Louisiana difficulties. It says: Davidson B. Penn is a native of New Orleans, son of one of the oldest and wealthiest residents of that city. He is

### Boston, New York, or Chicago. CANCER.

It is well known that the whole medical faculty of all schools of medicine have pronounced Cangor or incurable. What sullime effrontery in any person to stand up holdly in the face of all this authority, and claim to be able to cure Cancer. To put fortis such a claim in the test of all this authority, and claim to be able to cure Cancer. To put fortis such a claim in the test of the medical profession, in the city of rhiladelphia, with this colleges, would be, unless it be substantiated in the most unquestionable manner, a height of time puesue rarely attained by mortal man. Br. Thorpe bolcly claims that he can cure, has cured, does cure and will one Cancer, as well as disease of a chronic and scrotious nature: and, further, that HE chair system. Michaelphia and the can cure and will be can be threaded without passing thread through heles.

7.—Design Simple, Ingenious, Elegant, forming the sets of his by a system which address the body. His method is the most potent ever discovered, and that its what it is claimed to be will be established to the entire satisfaction of any one who will unvestigate. Address, THORPEAN INSTITUTE, 2000 Chertuat St., Palladelphia.

IF YOU WANT A NEWING MACHINE.

should like, and asked the lowest price. Two hundred and fifty dollars was the owner's price."

"But, Fetlock, that is too high. I had thought of paying not more than a hundred and fifty."

The dealer elevated his eyebrows with a surprised smile.

"Why, bless your soul! I was offered two hundred dollars for that horse, only three days ago, and had the money shoved into my face in bright horse."

I gins us down to ruin and misery. Parker Pillsbury of New Hampshire—for my own part I am not as much infavor of pantaloons as many of you seem to be Europe has a costume which I think excels pants. Worth, the man milliner, has invented a fashion, but women will not put it on. There is a Persian dress that is superior to men's trousers—or women's either. In this reform we shall have to experiment before we find a costume that will satisfy horse."

I guess we'll have to pass this horse."

Bit the customer had fancied that in particular horse, and he finally bought in for two hundred and forty dollars, apparently well pleased that he had knocked down the ten dollars.

Superior to men's trousers—or women's either. In this reform we shall have to experiment before we find a costume that will satisfy horse."

Bit the customer had fancied that particular horse, and he finally bought in for two hundred and forty dollars, apparently well pleased that he had knocked down the ten dollars.

The dealer elevated his eyebrows with a surprised smile. I want to men's trousers—or women's either. There is a Persian dress that is suatisfated to men's trousers—or women's either. There is a Persian dress that is suatisfated to one open the stage before me. I like too extend the will satisfy horse."

I gins us down to ruin and misery.

Parker Pillsbury of New Hampshire—for the such the Leprosy of his disease. In this faith he is staidfast, and his Vinegar Bitters, though a contradiction to the general character of all other Bitters, though a contradiction to the general character of all other Bitters, though a contradiction to the general ch
