Mackey's Financial Views

Mr. Mackey's financial views are The Lewisburg Journal speaks as Mr. Mackey's financial views are sound and he has ever been free to exfollows for the democracy of Union:

Pennsyalley railroad to come to a gives the guarentees of his own publicpress them. This he did fully in the Some scallaway from Centre county stand still? ampaign of 1868, and he holds to the it is said, is determined to run as an Answer-the panic. same views still. The democracy of his own county passed the following solid for Colonel Mackey, and the Resolid for Colonel Mackey, and the Resolid for Colonel Mackey, and the Resolid for Colonel Mackey. same views still. The democracy of his own county passed the following resolution which has Mr. Mackey's publicans will not desert their regular endorsement:

Resolved. That it is the sense of this From the Lewistown Democrat. onvention that Congress should so There is a report current that Cyrus amend the present National Banking T. Alexander, a lawyer of Bellefonte, system as to require the banks organ-ized under the same to substitute ent candidate for Congress. We are

system as to require the banks organs is green as to require the banks organs is green as to require the same to substitute greenbacks in place of the national bank currency now issued by them, and thereby save the people the payment of about \$24,000,000 of gold interest annualy.

The radical party is the party of monopolies, Its financial policy bringing the country to ruin, and and bush currency and bringing issues of the day Mr. Mackey will be found in close sympathy with the people. Upon the financial question has is with the people now, as he was in 1868 when he took position in favor of a uniform national currency, issued by the government without interest and express his adhesion to a nor to grantify made; and, no doubt even then contemplated treason.

To the Polls

The radical party is the party of monopolies, Its financial policy is found to perform what he prosects and long business connections, is to be and long business connections, and leads and long business connections, and long the property of the shound to perform what he property is the party of monopolies. Its financial policy is found to perform what he property is and the man bank currency and bringing the country to ruin, and all the first opinion of the man. We did not be surprised at this; for we had a better surprised at the surprised at this; for we had a better surprised at this; for

he is with the people now, as he was in 1868 when he took position in favor of a uniform national currency, issued by the government without intervention of the national banks. As stated by the Elk Democrat, "although forced into the national banking system by the taxation of the general government, he has never publicly approved of the system, and believes that as the government, he has never publicly approved of the system, and believes that as the government to the usages of his party lation of the country, the people and whatever profit is to be made by have brought the country to be at the polls on the leaders of that party. Will you vote to have the monopolies, are the leaders of that party. Yill you vote to have the monopolies, are the leaders of that party. Yill you vote to have the monopolies, are the leaders of that party. Yill you vote to have the monopolies, are the leaders of that party. Yill you vote to have the monopolies, are the leaders of that party. Yill you vote to have the monopolies, are the leaders of that party. Yill y
