THE LATEST FROM SALT RIV. MR JEWELL'S HEAD IN DAN-

We have late intelligence from Salt
River. Mr. G. W. Campbell, late of
Harris township, about three weeks ago,
managed to pass the guards and slipped
managed to pass the guar back to his old home. He furnished us duced in his department by Cresswell, more and Ohio roads will be reconciled ence to induce foreign governments to re. long letter to Judge Daly, President of the much information as to the state of affairs up Salt River. He says provisions are exceedingly high and of a poor quality, and society much demoralized and TERMS.—\$2 per year, in advance, 2,50 accustomed to keep good company before the more and Ohio Road, and its connections, and for 6 and 12 months by special contract.

Terms—\$2 per year, in advance, 2,50 accustomed to keep good company before the more and Ohio Road, and its connections, and for 6 and 12 months by special contract.

Tumored in Washington that the attempts compel the Pennsylvania Road to reopen the past ground and the gentlements of the Mississippi, the building of the gateways of commerce to the people of a double track railroad from New York for the Baltimore from Colonel Gordon to visit Metal at Gondokora, and on the gateways of commerce to the people of a double track railroad from the Mississippi, the building of the gateways of commerce to the people of a double track railroad from New York for the Baltimore from Colonel Gordon to visit Metal at Gondokora, and double track railroad from New York for the Baltimore from Colonel Gordon to visit Metal at Gondokora, and double track railroad from the Mississippi, the building of the gateways of commerce to the people of a double track railroad from the Mississippi, the building of the gateways of commerce to the people of a double track railroad from New York for the Baltimore from Colonel Gordon to visit Metal at Gondokora, and object the people of a double track railroad from the Mississippi, the building of the gateways of commerce to the people of a double track railroad from New York to Texas On the 24th of April I received an order from Colonel Gordon to visit Metal at Gondokora, and the gateways of commerce to the people of a double track railroad from the Mississippi, the building of the Mississippi, the building of the gateways of commerce to the people of a double track railroad from the Mississippi, the building of the gateways of commerce to the people of a double track railroad from the Mississippi, the building of the gateways of commerce to the people of the gateways of commerce to the people of the gateways of commerce to the peop

He also tells us that counterfeiting is "disorganizers," "tricksters," &c. Pinchback met with a defeat, in the Senate on 18 for admission as Senator from Louisiana, and thereat the extreme radical, leaders are demoralized. More ton in conversation said he looked upon it as equivalent to a vote of a want of confidence in the President's manage members of the House who are opposed to the dictation of the caucus and than severe membrance. He advises the adoption of repressive legislation toward to some company of the North More of the Senate proper person to read you of the dictation of the caucus and the assertions for the House who are opposed to the dictation of the caucus and the sarching deep water on the coasts of South Carolina and Georgia and lessening the coast of South Carolina and Georgia and lessening the to the dictation of the caucus and the sadoption of repressive legislation toward the South.

A bill has passed first reading in the Senate to appoint an inspector of lumber, who is to be paid seventy-five cents per thousand for his work, and no contract to sell lumber is good till after the inspection has been made. This is the inspection has been made. This is the inspection has been made. This is the inspection has been made.

A bill has passed first reading in the saves that he tried to organize a grange, but failed, as all democracy of Potter and Haines to "redeem themselves."—Potter, Haines, Penn and Miles, are all right, and place of Baltimore, New York and other points accessible by our lines on an equitable and fair buttle value upon advice from a Modoc source. The day has gone by for certain Bellefonte office-seckers to hoodwink the people of Pennsyalley. That's what's the matter.

THE LOUISIANA INVESTI.

Fig. 22 and the only service he could be to annoy the lumber interests and impose a heavy fax therepoon.

The second Louisianaivestigating committees ent to New Orleans a few works are possed of mostly radical congressment, and the ends perceptible, in a majority of the one before the was composed of mostly radical congressment, and these are preparative to the one before the was composed of mostly radical congressment, and there are reported the one before the was composed of mostly radical congressment, and there are reported the one that perceptible, in a heavy and the constraints are reported the one that preventions are reported to the one that preventions the constraints and the constraints are reported to the one that the constraints and the constraints are reported to the one that the constraints are reported to the one that prevention the constraints are reported to the one that prevention the constraints are reported to the one that prevention the constraints and the constraints are reported to the one that the constraints are reported to the constraints and the constraints are reported to the one that the constraints are reported to the constraints and the constraints are reported to the one that the constraints are reported to the constraints are reported to the constraints and the constraints are reported to the constraints and the constraints are reported to the one that the constraints are reported to make the basic and the constraints are reported to an extraint and meaning of th
