The signal was party was found in an earthenware jug but as yet no steps have been taken to

That this compact that two of the out, is shown by the fact that two of the real robbers hired a sleigh, armed themselves with revolvers, and set out in search of the inoffending ones. On arriving at the depot they told the chief of police about two men whom they saw enter the train, and who looked to them.

The chief had lived for five days after, but never re-covered her mind. In her delirium she incessantly murmured: "Frou-Frou!" Frou-Frou!" Those were her last

The Count was almost crazed by his wife's loss. He entered the army and sought death in the bloody battles of the Franco-Prussian war. Fate was cruel, and he returned unharmed. His wife's room, adjoining his own, had always mer's night, George opened the door be-tween the two rooms. He then fell asleep. In about an hour he awoke; the clock struck midnight. As the last stroke sounded, he heard distinctly from the other room the words, "Frou-Frou." He listened with inexpressible and overpower him before he could use any firearms. Then they proposed to frighten him with pistols into opening the safe, and if necessary to dispatch him.

Later on in the evening the money was removed to a hotel, where at midnight in the presence of all the robbers it was counted for the first time, when it was counted for the irst time, when it was thilde's chamber. At that instant a current of the robbers it was counted for the irst time, when it was counted for the irst time, anguish-"Frou-Frou" seemed to be from those who are about us.

They never reached Westville.

The next morning a gentleman who was driving from Westville over the Exeter road saw the bodies of three children lying in the road. Each had a number of baskets tied around his body, and the largest of the three had

prize, which was a finely-box

Anna Dickinson describes the nev head, except to acknowledged clock you is out of fashion. The lady looks you coolly in the face, smiles as sweet y as coolly in the face, smiles he head backward movement at the same time. A slight Frenchy shrug heightens the

the bars, according to this fact. A girl was smothered to death while on a sleigh ride near Bangor, Me., on one of the recent intensely cold nights. one of the recent microsity cold nights. A party of young people were out on a frolic, filling a large sleigh. The girl grew very cold, and to keep her warm her sweetheart wrapped her closely in a huge blanket, covering her head and face. Too drowsy and benumbed to stir, she suffocated without her companions being even the sleep was droped.
