The Sad Story of the Massacre and the Capture of I we of the Girls by the Indians The story of the massacre of the German family by the Indians is revived with additional but sad interest by the

coulity is, says the Country Gentleman, that black wool cannot be bleached and will take no other color perfectly.

Don't forget at this season to take the best care of your colts. They need the best feed of the whole season. Don't think it will pay to let the colts go out think it will pay to let the colts go out the fields and pick old foggy grass.

The manure from animals fed on cooked or steamed food is not so valuable as from animals fed on whole or ground grain in the new state.

It has been fully proven on the farm that the deposits of a hen are worth her feed, when used as a fertilizen. In other words, and as our friend Dickens would say, not to put too fine a point upon it, a check for the amount of her deposits. words, and as our friend Dickens would say, not to put too fine a point upon it, a check for the amount of her deposits, a check for the gardener's bank, should presented to the gardener's bank, should a Smoke Hill river, in the central part of Kansas, only about fourteen miles.

Hints About Indigestion.

War has telegraphed the commanding officer of the Department of Texas to use every effort to prevent further raids... Ex-State Senator this time John B. Gough lectured in the place, and Mr. Gough in complete obspace, and Mr. Gough in

"He seemed to be the leader."

SUMMARY OF NEWS.

"Did they scalp all the family after they were killed?"

"All expect Johanna. She had been "The Pole Relation of the United to remain in Rome, and says it was with a view to remain in Rome, and the remain in Rome, and the remain in Rome, and the remain in Rome The Paris Bien Republic says the Emperor of to such a possible emergency that Archbishop "All expect Johanna. She had been sick and her hair was very short."

"How was Sophis treated after she left you?"

"From what she tells me she had a "bound in the United States... There are serious differences between Don Carlos and the Carlist sonly whipped once or twice, and did not have to carry so much wood and water."

It is stated that the pardon of James H. Ingerwoll by Governor Tilden, of New York, was granted on Ingersoll's turning State's evidence of the Gukwar of Baroda, on the charge of attempting to poison the British resident at his a propose to abdicate in favor of his daughter, the Countess d'Eu, and make his house in the United States... There are serious differences between Don Carlos and the Carlist granted on Ingersoll's turning State's evidence of the Gukwar of Baroda, on the charge of attempting to poison the British resident at his have to carry so much wood and water."

"Where will you go, now that you are rescued from the Indians i" I don't know yet," she replied. "I would prefer to remain here rather than go back to Georgia. If Sophia and I would prefer to remain here rather than go back to Georgia. If Sophia and I would rather stay here than go anywhere—they are so good to me."

of the Gukwar of Baroda, on the charge of attempting to poison the British resident at his court, has resulted in the disagreement of the commission before which the case was tried.... Resolutions ordering three separate and distinct inquiries into the canal frauds were passed by the Canal board, the Senate and the Assembly of New York State.... The Governor and Texas has appealed to the President for aid."

The vote for Governor in Connecticut stood 53,785 for Ingersoll, Dem., 44,303 for Greene, Rep., and 2,756 for Smith, Temperance. The Congressional delegation shows three Democrate and of Texas has appealed to the President for aid. of Texas has appealed to the President for aid one Republican; a Democratic gain of two. no Stop My Paper.

The Christian Weekly tells the story with a more loss of a church difficulty was been stored and the Secretary of war has telegraphed the commanding officer

a check for the amount of her deposits, presented to the gardener's bank, should be fully honored to the amount of its face. Peccavil A rich, well pulverized, clean, and rather stiff loam is best for onions. The seed should be sown in rows mine or ten inches a part (some sow to six inches a part in the row.
